Here is your '50 yearbook.  
We hope that all will please  
And as you turn its pages  
You'll find fond memories

Three years of happiness?  
For you, the class of '50  
From dear old G. H. S.

# Tribute

MRS. NINA BAILEY

Amid the hustle and bustle of school life, we often neglect to honor one whose valuable contributions to our education should receive the highest of praises.

With her help we learn not only to recognize good music and enjoy singing it, but also to realize its value to the advancement of civilization.

It is to Mrs. Bailey, who combines her knowledge and love of music, with a keen mind and youthful spirit, that we, the Class of 1950, pay grateful and sincere tribute.

As we pause at this half century mark, we look back across the years to that June of 1900 when these twenty-one Seniors of Gorham High School received their diplomas, as we, the Class of 1950, will soon be doing. In honor of this, the golden anniversary of their graduation, we dedicate this page. Several of these former students of Gorham High have achieved notable success in their various fields; and all have left a favorable impression on the world as they passed through. We sincerely hope that their example will enable us to do as well in the years that lie ahead of us.

# The Seniors

Our hats are off to you, Seniors; you have made the grade. Of course, you have yet to actually walk out of dear old G. H. S. with your diploma grasped firmly in your hand, but have no fear—that will happen before you know it.

You've come a long way since you walked shakily up the pavement and through the doors that opened into strangeness and confusion. As if this in itself were not enough, you were initiated before all those dignified Juniors and Seniors. But you were wonderful sports, all the way from Sammy, who was your rooster alarm clock, to Mary and Richard, the two strip-tease artists, and all the rest in between.

You were beginning to show signs of some good athletes that year in basketball and baseball. People were also beginning to recognize Phyllis's musical attributes and Gary's dramatic tendencies. That year, as in years to follow, you produced some high pressure salesmen who really boosted the magazine sales and elected worthy representatives to the student council.

Leaving that year and going on to another, one must mention in passing your most competent and attractive class adviser, Miss Lee, who must have been a source of inspiration to you, one and all.

With your feet more firmly planted and your mind and thoughts a little more mature, you ventured into your Junior year with Mrs. Perrin guiding you over the rougher spots. The best man won, and David was your President. Your Washington trip was coming closer to a reality and so, in view of this, you all pitched in and became candy salesmen at the basketball and baseball games. Your athletes improved, and Phyllis and Gary made their debut in "The Pirates of Penzance," for which they were loudly acclaimed.

By the time your Senior year rolled around, you began to feel as if you belonged where you were, and once in awhile you must have felt (although you were happy being a Senior) that you didn't want to leave so soon. You took on your responsibilities as Seniors like the hard workers you are. David was again voted into top office and it was Mrs. Lamb's fate to become your class adviser, although she must have enjoyed it as much as you have enjoyed her. Your class was really beginning to shine! Marlen was elected President of the Student Council, the most honored student position in the school. Clar was made captain of the boys' basketball squad, while Mary carried the honors for the girls. None other than your "Little Louise" was crowned "Harvest Queen," and a pretty one she was! Evelyn made you all very proud by winning the "I Speak For Democracy" essay contest.

Your Senior production in three acts, "Don't Darken My Door," was something that no one should have missed. Kenneth in his nightshirt stole the show and brought the house down in laughs. A great deal of deserving credit goes to your patient and understanding coach, Mrs. Lamb. Your well-staffed SCHOLA, with Mrs. Roberts as adviser, will be a lasting reminder that in 1950 a most wonderful group of people departed from Gorham High School with honors.

Did you hear a whistle?  
Did someone coyly wink?  
Sammy Shaw and Pat B. are  
The biggest flirts, we think.

Most bashful girl, most bashful boy.  
We know them well, you see!  
We see them both 'most every day,  
It's Carl and Barbara B.

The peppiest, you understand  
Is Pat and Stanwood E.  
We also voted them "Best dressed,"  
As you can plainly see.

Who's that out there on the floor,  
Dancing with flashing feet?  
It's Pete and Mary Wilder,  
At that, they're really neat!

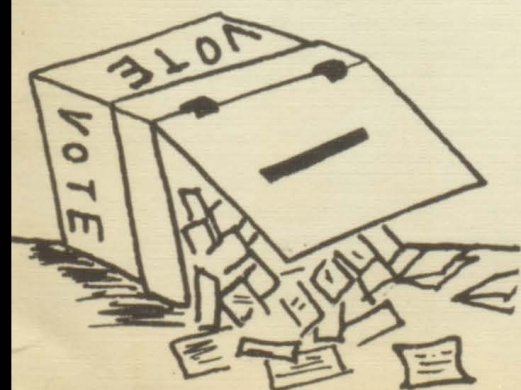

When it comes to sports, you'll find  
That Clar and Mary B.  
Have shown they're most athletic,  
They win us victory!

The cutest pair among the gang  
Is Pete and our Louise.  
ANY contest of good-looks  
They both would pass with ease.

A giggle in the corner,  
An airplane in a spiral.  
It's Betty F. and David T.  
They really ARE a trial!

As Abbott M. and Marlen  
Do all that they can do,  
We voted they "Did most for class,"  
And "Most dependable," too.

## *We're Not Tired!*

Friday, 8.00 P. M.

Good-by, Gorham! At least we're off to a good start! We've also found out that some people can sing and some can't. Wish we could go to sleep.

Saturday, 6.15 A. M.

Oh, boy, New York at last, and a room with television! Breakfast at the automat and then on the subway to the Statue of Liberty. What a climb! Back to the hotel; dinner, then either to see the ice show or Radio City, whichever you preferred. For supper we visited New York's various restaurants. Back to the hotel, we learn that television in our room will cost \$2.00 extra. Where's Green? We should have started for Rockefeller Center long ago. Started at last. What characters in New York! Learned all about the backstage work of radio and television. In bed before twelve o'clock. Asleep, too.

Sunday, 6.30 A. M.

Up, packed, dressed, and ready to leave by 8.00. More singing on the way to Washington, but a nice trip. Parties? Plenty of them. Others went to explore the wonders of the "new."

Monday.

Wake up, kids. Hurry up or you'll get left behind! Do we dare to go to the F. B. I. building? Got away safely. Now to the Bureau of Printing and Engraving. Did anyone get any souvenirs? Pictures taken and then through the capitol building. Dinner. Now to the museums and then back to the hotel. After supper we went to the Congressional Library, Lincoln Memorial and then where we wished—swimming, movies, or some more parties! Look twice before getting into bed. It usually isn't safe! Who's got the ice cubes? Duck, here comes a pillow! Did anyone hear an explosion! To bed at last!

Tuesday.

Mount Vernon in the morning, then back to see the changing of the guard at the Tomb of the Unknown Soldier. In the afternoon we went to Annapolis and some brave members climbed the Washington Monument. Back to the hotel, had supper. Then the fun began. Our last night in Washington and we made the most of it! Some went to the Lotus Club with Mrs. Lamb and Mrs. Mosher, others to the movies. Boys bought some water pistols. Any one stepping into the corridor was sure to get a free bath. New neighbors. What funny accents they have in Georgia! Holy co-ow! Does Ed look funny in pajamas! Asleep by 3.00 A. M.!

Wednesday.

Good early start to Philadelphia. Yes, we're awake. Stopped at Independence Hall and saw the Liberty Bell. Finally got some sleep after dinner. Did someone set off a firecracker in the Lincoln Tunnel? No it's just Mosher's hand. After supper we went to see "Where's Charley." This show was so good that we didn't go to sleep once. Then we ran to get good seats on the bus. Everyone was willing to sleep going home and it was very quiet. We got home about 9.30 and slept eighteen of the next twenty-one hours, but we're still tired.

## *The Senior Class Play*

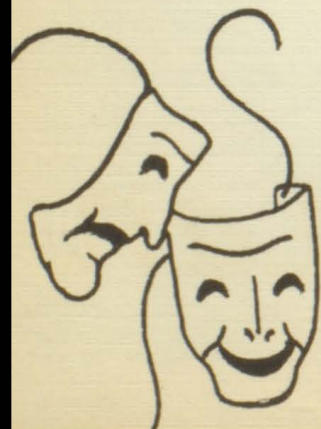

Lights, curtain, action! The Seniors are off with their rollicking production, "Don't Darken My Door," a comedy in three acts. Promptly at eight o'clock, December 15, the curtain rose to unfold the humorous and melodramatic escapades of the Kent family and their friends.

The romantic aspect was portrayed by Evelyn Warren as Rosemary, a love-sick maiden, and Abbott Mosher as Tom Garrick, her young, persistent suitor. Clar Gordon and Janie Howard were superb in their portrayal of the dignified Roger Kent and Jane Perkins, the author of the romantic novels which so fired the imaginations of the other females in the cast.

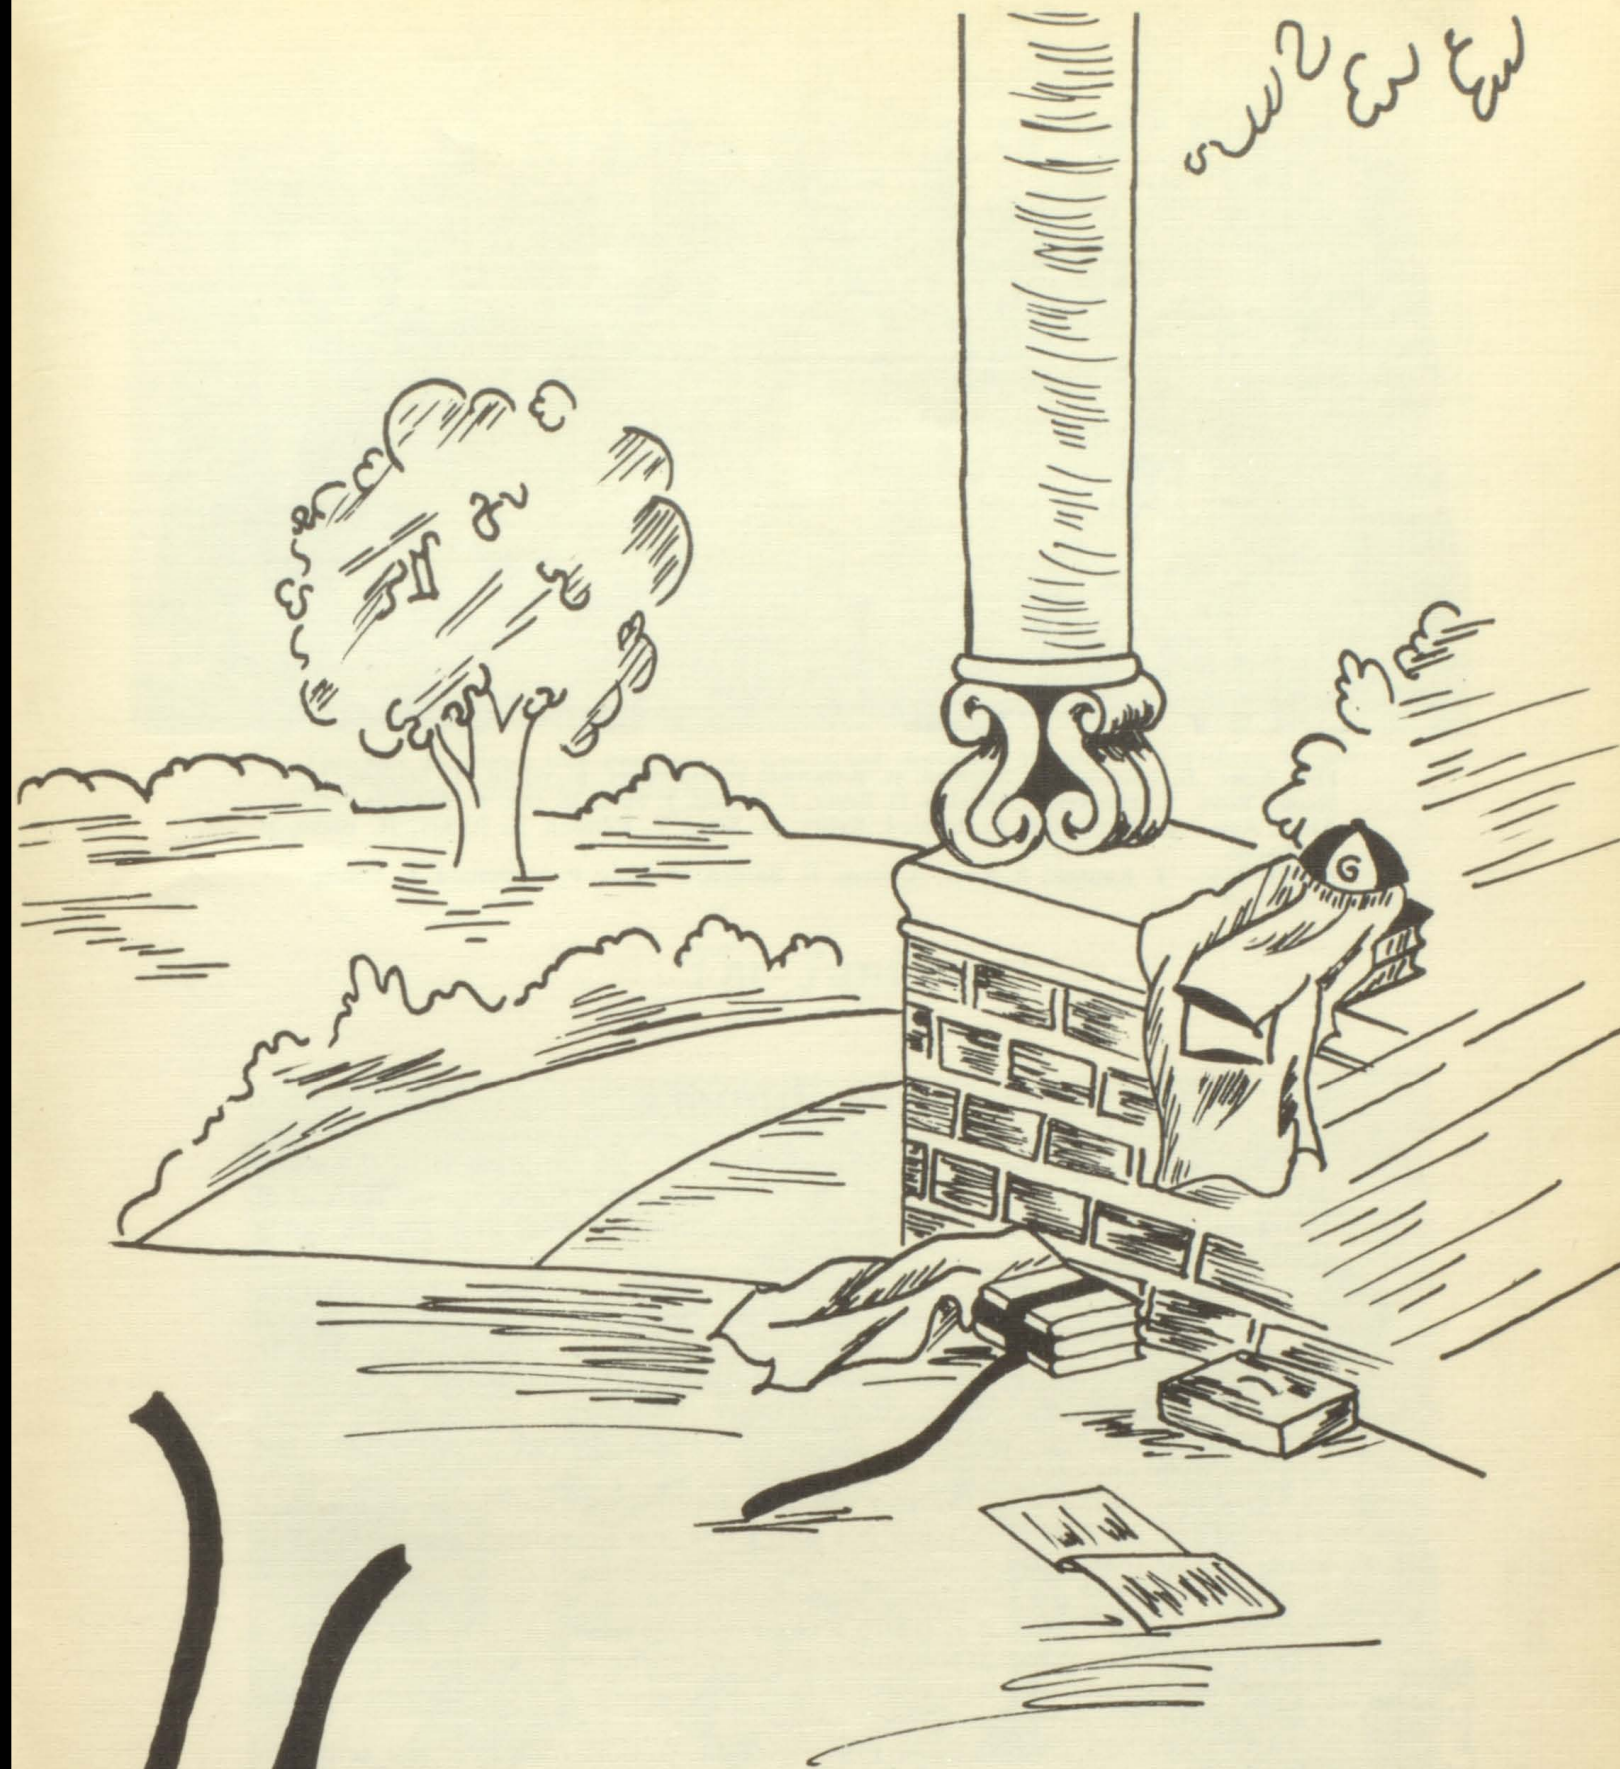

The comedy roles were expertly handled by Pat Berry as Poppy, the overly romantic maid, and Kenneth Nason as her "spurned" suitor. Last but not least, are the two maiden ladies next door, Louisa and Susie Featherstone, played by Edith McCauley and Thelma Estabrook.

Memorable moments: Who will ever forget Tom and Rosemary's embarrassment when the lights unexpectedly snapped on during the CLINCH . . . We would like to recommend Jane and Miss Susie to Notre Dame, after their tackle in the third act—Poor Clar! . . . How fetching Alec looked in his nightshirt and nightcap!

Our sincere thanks are extended to Mrs. Lamb, the ever-patient, and untiring coach, and the backstage workers, without whom the production would have been impossible. I doubt if any of the cast will become "Barrymores" but we can truly say, "A good time was had by all."

## The Juniors

We came trooping back to the now familiar brick building with the confidence of jaunty Juniors casting aside the worries of timid Sophomores. Instead of being on the receiving end at Sophomore reception we were able to give out a little punishment.

At our first class meeting Mrs. Roberts, the class adviser, met her new charges. In class elections Martha Stigman, Dorothy Dix, Joyce Kelley, John Raulston, and Toppan Kimball were chosen as representatives to the Student Council. Candidates for "Harvest Queen" were Ann Bachelder and Harlene Blake.

Early in December a large group of eager Juniors were seen rushing to Mr. Stinchfield's office. As they emerged their faces shone as brightly as the new class rings on their fingers.

Our first "shindig" of the year was an informal "vic" dance. Everybody had a turn at playing the records and our conga line was something to see. The hall really rocked that night!

In our part of the Christmas assembly everyone turned to see roly-poly Santa enter in a sleigh which was in reality a chair rack. It seemed that he was scheduled to visit Tuttlebaum's Department Store where all the little kiddies were waiting his arrival. Although his tummy slipped occasionally it was plain to see that everyone had the Christmas spirit.

As basketball season swung into view, the Juniors took over the selling of refreshments at the games. With each bite of a candy bar or sip of coke, our treasury grew. We also contributed Del, Chip, Chub, Jay, Joe, and Scotty to the team and we were very proud to have three of them make the first five.

Looking for possibilities to make that evil thing, money, it occurred to us that everyone eats and we promptly planned a ham supper for the fourteenth of March. Ably directed by our supper chairman, Jinny Johnson, the pies and salads rolled in and everyone ate to his heart's content.

On March 24 our "Wearin' o' the Green" dance took place and the Irish in everybody shone forth.

As the year rolled toward an end we looked proudly but a little sadly toward our Senior year at Gorham High.

## The Sophomores

Our Motto:

Never

Never

Always

The Sophomore year started off with a BANG. We were shining shoes (weren't we, Kenny?), calling time, and counting beans. On initiation night, we arrived amidst our many burlap bags and cardboard boxes. Our hands and feet were neatly covered with paper bags of all sizes. The girls wore no make-up and their hair was done in pin-curls. The boys looked rather pale so plenty of make-up was applied. All Sophomores were admitted with a special password, "I am a Simple, Sappy, Sloppy Sophomore." We willingly participated in many events. Sally Boyman was thoroughly kissed by her brother, while Leo Leighton became Rae Locke's new infant in a doll buggy. The others took part in many amusing events.

Many members of our class participate in the school's activities. Kenny True is an outstanding guard on the basketball squad while many other boys play for the Junior Varsity. Janie Andrew and Isla Martino participate in girls' basketball. Doris Robbins and Marcia Hall ably represent our class as cheerleaders. A large percentage of the class belongs to chorus, both boys and girls. Five pupils play in the orchestra.

DEAR DIARY:

### SEPTEMBER

4th—Oh my aching floors! I can feel it now, those 150 pairs of feet walking around every day on me. Anyway, it looks like a year of fun ahead.

23rd—Very strange things happened tonight. All the Sophomores showed up in cardboard boxes—with suspenders, no less! But they all proved themselves worthy of becoming official members of my family.

### OCTOBER

7th—The annual F. F. A. Harvest Dance was held here tonight. The happy throng really made my timbers shake. Prizes were everywhere and Louise was a very sweet Queen.

27th-28th—It's been pretty quiet here the past two days. They tell me it's Teachers' Convention. This ought to please the kids.

### NOVEMBER

9th—Evelyn really made me proud tonight—she won the "I Speak for Democracy" contest.

24th-25th—Thanksgiving Vacation—need I say more? I hope the kids enjoy their feasts—and are thankful for them.

### DECEMBER

2nd—From now until February I'm rather neglected—the gym seems to be more popular with its basketball games. Win or lose, I know my boys and girls will always prove themselves to be good sports.

15th—My Seniors displayed their talent in one of the finer arts this evening by their hilarious production of "Don't Darken My Door." My walls are still aching from laughing.

25th-Jan. 2—My corridors are empty these days except for faithful Mr. Petley, cleaning me up and oiling my floors for the kids when they come back in their new Christmas clothes.

### FEBRUARY

10th—Today was a memorable one in my life. Assembly went off as usual and then my boss, Mr. Stinchfield, after some elaborations on D. A. R. ideals and purposes, announced Marlen Welliehausen as our winner. Congratulations, Marlen!

15th—I awoke this morning to find myself snowed in. I was disappointed because yesterday I heard the kids talking about the tournament and I wanted to hear more about it—I guess I'll have to wait until tomorrow.

## MARCH

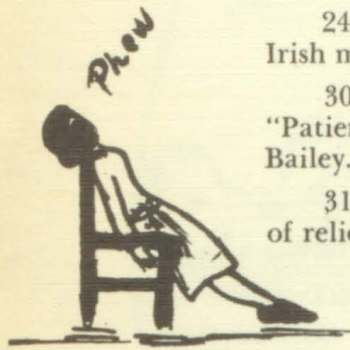

10th—I hear that the Seniors are trying to earn money to go to Washington and so, with that thought in mind, they held a Spotlight Dance here tonight. Del and Mary were caught in the spotlight at just the right time and so became king and queen for the evening.

13th—The boys and girls who played basketball are happy tonight and feel that, after all, maybe it was worth while. They say that the Kiwanians are giving them a fine banquet.

24th—My Juniors tried their hand at sponsoring a dance tonight and, being Irish minded, called it "The Wearing of the Green." It was a big success.

30th-31st—Gilbert and Sullivan really came alive these past two nights. "Patience" in all her glory is still ringing in my ears. Much credit goes to Mrs. Bailey.

31st—My commercial room, Mrs. Roberts, and SCHOLA staff all heaved a sigh of relief today. Why? The yearbook is on its way to the publishers!

## APRIL

14th—From all reports my Seniors left for Washington via New York City this evening. They were surely excited about it today. Hope they have a good time.

27th—This certainly was an enjoyable evening for me listening to all the Prize Speakers. I wish all could have won. They really deserved it, each and everyone.

## MAY

6th—Today the chorus went to Sanford to the Musical Festival and without a doubt represented me in a credible way. They're not the kind to let me down.

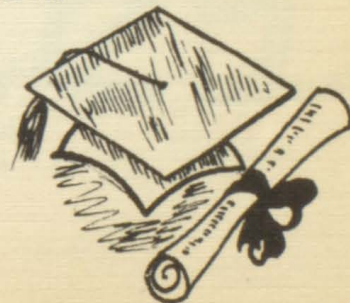

19th—It was beautiful, just beautiful. All those pretty evening gowns, corsages, and the way they decorated my auditorium. The Junior-Senior Prom is really something to see and remember.

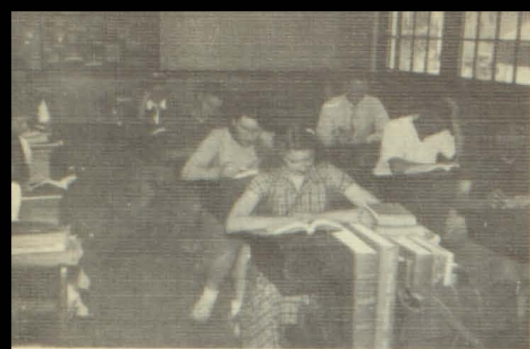

## JUNE

My goodness, everything is happening at once around here—there's been rank cards (poor kids), class day, baccalaureate, and finally—graduation. I wonder if the Seniors will miss me as much as I am going to miss them? From all those tear-streaked faces I saw, they probably will. Well, there's always the new class to whom I can look forward to meeting.

Yours 'til next fall,

GORHAM HIGH SCHOOL.

The Future Farmers were again very successful in their summer projects. An acre of corn and an acre of squash were raised with a profit of about \$500.00 being realized.

Last fall at the start of school, fourteen boys were initiated into the Green Hand Degree. Five members of the Gorham Chapter were initiated by the Livermore Falls Chapter to the Chapter Farmer Degree. The Gorham Chapter also initiated six members of the Buxton Chapter to the Chapter Farmer Degree.

Our Harvest Dance was again a success this year. Louise Parady was chosen "Queen" from a group including: Janet Robbins, Harlene Blake, Ann Bachelder, Marcia Hall, and Ann Johnson. The "Queen" was crowned by last year's Queen, Barbara Fogg.

In October the Chapter went to Fryeburg Fair where the dairy judging team took third place in the dairy judging contest.

Second Row: L. Jones, L. Young, J. Labrecque, L. Reed, Mr. Delano, C. Felch, J. Ford, B. Dean, W. Jones.

As a result of outstanding achievements, the Gorham Chapter was honored by being presented the Bronze Emblem Award at the F. F. A. Convention at Kansas City. This is the third highest award in the nation in the National Chapter Contest. We also won the Gold Emblem Award in state competition.

At the annual state convention in Orono, Clarence Gordon was elected Vice President of the State Association. In the Southern District meeting at Fryeburg in January, Clarence Gordon was elected President, and Richard Boyman, Vice President.

This year the Chapter organized a basketball team and bought new uniforms. The team played about ten games, winning about half of these, and was runner-up in the F. F. A. basketball tournament held at Greely Institute.

Other highlights in the F. F. A. Chapter during the past year were the Father and Son Banquet, May Dance, and the F. F. A. play.

The Chapter has set its goal this year for the National Gold Emblem, the highest award in the National Chapter Contest.

"A woman's place is in the home," and that is where you will usually find the members of the newly organized Future Homemakers of America. Cooking, sewing, interior decorating—why, these little ladies of the home economics department can do everything necessary to "make a house a home."

The club, which is a chapter of the state and national organization and is a "sister" to the Future Farmers of America, was started on the road to success early in September by Mrs. Maxine Furbush, our home economics teacher.

Our first project of the year was to send Christmas packages to young people in Europe. The grateful "thank you" notes which we received in return, gave us confidence to undertake other projects. A Christmas Fair, which gave the girls a chance to exhibit their fancy work and raise some much needed money, was the first of many enjoyable and profitable undertakings. Our biggest business venture of the year, however, was the supper we prepared and served for the Dairymen.

This year has been full of highlights for our club, and if our "initiation" year is a sample of what the future holds, our Gorham Chapter of the F. H. A. will soon be a leading and inspiring club, not only in our school but in the state as well.

Le Cercle Francais is a new club organized this year by the French students.

The purpose of the club is to promote a better understanding of the French people and to cultivate a greater interest in the culture and language itself.

At each meeting an entertainment committee is appointed which plans the program for the following meeting. These have included speakers, French folk dances, games, and movies.

Every two months, the business meeting is omitted and everyone enjoys a social evening. The highlight of these socials was the gala Christmas party.

The members of Le Cercle Francais hope that the club may continue for many more years.

### Chorus

In September a large number of students turned out for mixed chorus, under the capable direction of Mrs. Nina B. Bailey. Our boys' chorus met on Tuesdays, the girls' chorus on Thursdays, and every Wednesday afternoon they combined their efforts to make this season the great success it was.

Their first performance of the year was at the Senior Class Play when they displayed much talent. At the Christmas assembly they again rendered several fine selections.

This year the chorus presented "Patience" as their annual Gilbert and Sullivan opera, on March 30 and 31, the proceeds of which went toward the trip to the Maine Music Festival at Sanford in May.

Mrs. Bailey deserves special recognition for the fine work she has done in making chorus a very enjoyable and profitable experience for all concerned.

 Standing from Left to Right: L. Kimball, P. McDonald, A. Mosher, R. Egers, E. Files, A. Rowe,  
 Mrs. Bailey.

## Orchestra

The Gorham High School Orchestra was organized again after a year of inactivity. Although it is not large, it has done very well under Mrs. Nina B. Bailey's direction.

The orchestra made its debut at the presentation of the Senior Class Play. The selections played were: For Victory, Assembly, Teamwork, and Gliding Along.

Even though the orchestra is losing a number of its members by graduation, it will have some accomplished musicians left to form the nucleus for next year's orchestra.

First Row: J. Kelly, Mr. Stinchfield, M. Welliehausen, Miss Wight, J. Raulston.  
 Second Row: M. Bachelder, B. Dean, D. Dix, R. Wing, D. Tobin, S. Boyman, M. Stigmen.

## Student Council

After the delegates to the Student Council were elected by the Sophomore, Junior, and Senior classes in their respective meetings, the problem of organization was solved. The constitution of the Council was examined in order that the right procedure might be used.

As was stated in the constitution, the election of Student Council officers was by popular vote of the entire student body. When the votes were tabulated, Marlen Welliehausen was proclaimed the President; Jay Raulston was elected Vice President, Martha Stigman, Secretary; and Joyce Kelley, Treasurer.

The Student Council was quite active during the school year. It helped promote clean-up campaigns and members had the responsibility of having interesting assemblies each week. The executive committee, appointed by the President, took care of emergency matters which did not need the attention of the entire Council.

The Council was under the able guidance of two faculty members, Miss Wight and Mr. Stinchfield, who gave the group the right amount of stability.

This year, as always, the Student Council has enjoyed a very successful year.

The Dramatic Club of Gorham High is now in its third year. The club was rather unfortunate this year, however, in the fact that there were so few meetings, but even so all seemed to enjoy themselves when we did have occasion to meet.

The club held their annual "Amateur Night" in October. Approximately 25 would-be Barrymores turned out and earned the privilege of becoming members of the club by singing, playing instruments, or reciting poetry. Although the majority of the group were Sophomores, the Junior and Senior classes were ably represented.

The main purpose of the club this year was to start a Dramatic Club library. A set of eighty books containing plays and speeches was purchased. It is hoped that this library will prove beneficial to the club not only now but in the years to come.

Norman Dyer was elected President at the beginning of the year, however, in November when he left school the Vice President, Joyce Kelley, stepped into office and Martha Stigman was elected the new Vice President. Mrs. Lamb was our very capable and helpful adviser for the year.

The club is a common meeting ground for those students at G. H. S. who are interested in dramatics and ever since its organization it has always attracted a large membership and we wish it continued success in the future.

The "G" Club, made up of the guys and gals in Gorham High who have won school letters in basketball, baseball, cheerleading, and cross country, entered its third year with a brighter outlook. The constitution was revised and the officers were elected.

It is one of the aims of the club this year to raise enthusiasm for the baseball team among the high school students and townspeople. The club is looking forward to many successful years.

## Prize Speaking

Prize speaking semi-finals took place on the seventh and fourteenth of April. Twenty-four aspiring students participated. Those included in the finals were A. Bachelder, M. Bachelder, P. Berry, C. Bridges, P. Davis, T. Estabrook, C. Gordon, M. J. Howard, E. Schriver, and M. Welliehausen. On April 27th the ten finalists appeared to present an evening of pleasure and enjoyment to their audience. All the selections were presented in a very admirable way, both the serious and the humorous. We shall never forget James' "one if by two" or Thelma's ghost.

A great deal of credit goes to our coach, Mrs. Lamb, for her patience and leadership.

Winners were: First place: Ann Bachelder. Second place: Marlen Welliehausen. Third place: Mary Jane Howard. Honorable mention: Clarence Gordon, Mary Bachelder.

## Boys' Basketball

Greeted by only one "first team veteran," Clarence Gordon, Coach Stinchfield went to work with thirty willing boys and molded a basketball team. It just wasn't in the cards for Gorham this year, however, as they only won five games while dropping eleven. The prospects for next year are very encouraging with four of the first team men returning.

Gorham opened its season and was trounced by the Alumni 46-23. Falmouth came to town next and was hard pressed but finally won 51-37. On December 6, Greely came to do battle with the Rams. Gorham led until the last quarter, but lost 44-38. Gorham journeyed to Cape and lost a closely contested battle 41-36. Gorham won a very close decision from our cross-town rivals, Windham, 48-46. Scarboro, last year's Western division champs, came to Gorham hoping to pick up a victory but with 10 seconds remaining, Del Bryer sank a basket and Gorham won 46-45.

Next Gorham journeyed to Porter and were hampered by the loss of Clar Gordon, who sprained his ankle. Gorham traveled to Greely but lost out 59-42. Falmouth next defeated Gorham 59-49. Cape came to Gorham and hooked up in a tight game, but the Capers defeated Gorham 46-41. Gorham journeyed to Scarboro looking for another win but they lost out 42-55. The Teacher College J. V.'s defeated the Rams 48-44. Windham returned to Gorham but was defeated 43-35. When Porter came to Gorham they were swept off their feet in the early stages and Gorham won easily 47-41.

In order to qualify for the Triple-C Tournament, Gorham had to play Pennell in a play-off and we won 44-42.

Now came the Triple-C Tournament and Gorham was paired off against Greely. The Rams, hoping to avenge two earlier defeats at the hands of the Cumberland Center boys, played their hearts out in a bitterly contested battle but the Gorham boys were spectators for the rest of the series. The score was 44-37, and the curtain was drawn on another chapter of basketball at Gorham High School.

Clar Gordon, our foul shooting champion this year, did an excellent job. Although he didn't cop top honors, he ranked third in the southwestern division, tossing in 44 out of 50 shots.

First Row: B. Forrest, M. J. Howard, M. Bachelder, P. Berry, V. Johnson, M. Deering.  
 Second Row: Miss Hurd, A. Bachelder, I. Martino, J. Andrew, H. Blake, F. Lunt, B. Harmon.

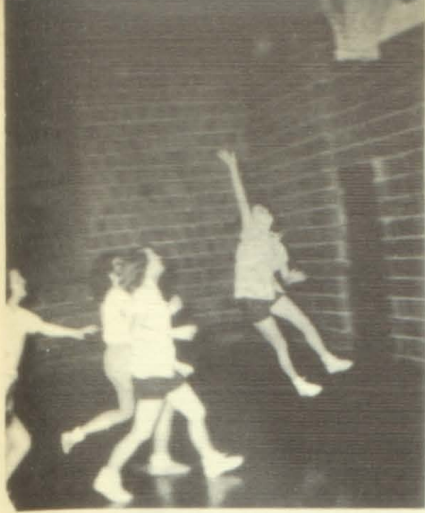

## Girls' Basketball

The girls' basketball season opened with twenty enthusiastic girls, both veterans and newcomers, rushing to the gym for their first practice of the year, and to meet their new coach, Miss Hurd.

The girls practiced faithfully three afternoons each week, trying hard to improve their basketball technique in anticipation of coming games.

The season opened on a very successful note. Our first game, Gorham vs. Alumni, was tied, 36-36; but after that the girls dropped behind, until they again tied—this time with Cape, 25-25.

At the close of the season the Seniors played the underclassmen in a benefit game for the Washington trip. The game was close but the Seniors were ahead when the final bell rang, 44-40.

The team will lose several valuable players this year, Captain Mary Bachelder, Janie Howard, and Pat Berry, forwards; and Betty Forrest, guard. These girls have been outstanding players for the past three years, and will certainly be missed.

Girls who were awarded letters are: Betty Harmon, Mary Bachelder, Mary Jane Howard, Pat Berry, Betty Forrest, Ann Bachelder, Harlene Blake, Virginia Johnson, Marjorie Deering, Frances Lunt, Jane Andrew, and Mary Lunt.

Ann Bachelder, Class of '51, represented Gorham in the Girls' Southwestern Division Foul Shooting Contest. Although Ann didn't win, she tried hard and made a good showing, and made Gorham proud.

First Row: D. Tobin, C. Moody, E. Schriver, C. Gordon, J. Raulston, R. Smith.

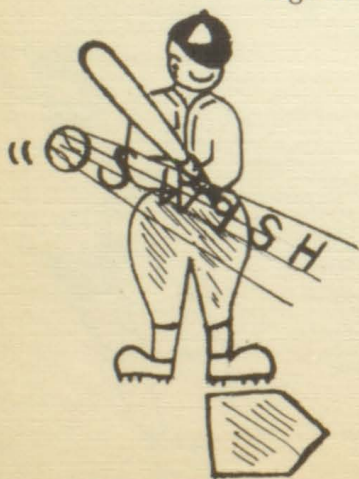

Second Row: W. Murchie, K. True, C. Greenwood, Mr. Stinchfield, R. Egers, D. Scott, J. Vaughan.

## Baseball

Coach Stinchfield issued his first call for baseball in April, 1949, and was greeted by seven veterans and six promising underclassmen.

Losing only three Seniors by graduation we hope to have the nucleus to be contender for the Tri-C crown this season.

Gorham opened its season against a strong Cape Elizabeth nine which was later destined to become Western Division champions. The Gorham lads fought hard but lost a 7-6, ten inning thriller. Then the Gorham diamonders journeyed to meet their old rival Falmouth and managed to squeeze out a 9-7 victory. Gorham then returned home to take an easy 13-0 victory from Windham. Scarborough tipped the Gorhamites 8-7. In our next outing Gorham journeyed to Cape with high hopes only to suffer a 3-1 set back.

Gorham tipped Falmouth again on their own stamping grounds, 8-6. Scarborough walloped the Rams for the second time on their own field, 17-1. Gorham ended its season with an impressive 12-4 victory over Windham. Final record was four wins and as many losses.

Outstanding for Stinchfield's Rams was our mound ace, Ed Schriver, and his battery mate Gerald "Hootie" Knight. They were backed up by the big bats of Jim Moody, Clarence Gordon, Sam Shaw, and a very promising underclassman, Ray Greenwood. Other boys who saw action were Jay Raulston, Chip Moody, Stan Jackson, "Guts" Sawyer, Paul Berry, "Crush" Hamblen, "Snuff" Murchie, Donald Scott, and Gene Neal.

At the end of the season letters were awarded to: Gerald Knight, Ed Schriver, Clarence Gordon, Jim Moody, Chub Greenwood, Sam Shaw, Stan Jackson, Jay Raulston, Chip Moody, and Guts Sawyer.

Positions that will have to be filled this year include all infield berths, catching, and two outfield posts.

Left to right: S. Emmons, L. Kimball, D. Evans, C. Felch, A. Mosher, C. Bridges, J. Harrington, Mr. Delano.

## Cross Country

On the second week of school the call for cross country prospects was issued; and Mr. Delano, our new coach, was greeted by ten runners. Uniforms were issued and practice got under way. With only a week's practice Gorham journeyed to Windham on September 22 for their first meet of the year. Windham emerged victorious after a very close race through the rain and mud, winning by the score of 24-32.

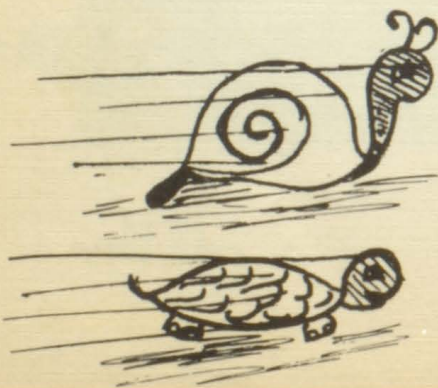

On September 29 Windham journeyed to Gorham and in a close finish, Windham again defeated Gorham 25-30, although Dean Evans came in first.

In the ensuing meets Gorham was defeated by Gould Academy, Traip Academy, York, Deering, Portland and Windham in a triangular meet.

On November 1, the Gorham harriers traveled to New Castle to run Lincoln Academy. When the score was tabulated, Lincoln Academy was proclaimed the victor by a 19-39 score. This race was closer than the score would indicate and, although they didn't win, the Gorham boys gave a good account of themselves.

Although we didn't have a too successful year in the viewpoint of victories, we did have a successful year, inasmuch as we ran the top teams in the state.

Letters were awarded to Dean Evans, Abbott Mosher, Carl Bridges, Conrad Felch, Jack Harrington, Stanwood Emmons and Larry Kimball.

Left to Right: S. Emmons, D. Bryer, L. Sayward, C. Greenwood, C. Moody, and D. Tobin.

## Boys' Swimming

The Triple-C swimming meet, held at the Portland Boys' Club before a capacity crowd, was represented by all the Triple-C schools except Standish. Team laurels were not decided until the last event with Falmouth edging Freeport.

Point getters for Gorham were Chub Greenwood, second, in the 50-yard backstroke, and Del Bryer, second, in the diving.

Left to Right: M. A. Riley, M. A. Sayward, E. Warren, M. Wilder, M. Hall, D. Robbins.

## Cheerleaders

A most lively and ambitious group of girls, guided on their way by Miss Wight, got together in the fall and started learning and practicing cheers.

Evelyn was head cheerleader and the rest of the squad consisted of Mary Wilder, Mary Ann Sayward, Mary Ann Riley, Doris Robbins, and Marcia Hall. April Bacon was a substitute who cheered at some of the games. Decked out in their practically new uniforms the cheerleaders faithfully supported the basketball teams and led the crowd in rousing cheers.

Left to Right: M. Wilder, A. Bacon, Miss Wight, E. Warren.

## *Cheerleaders*

The girls had an added attraction this year in the form of acrobatics, furnished by Mary Wilder and Doris Robbins. They were really quite nimble, and their cart-wheels speeded up the action of several cheers.

Letters were awarded to Evelyn Warren, Mary Wilder, Mary Ann Riley, Mary Ann Sayward, Doris Robbins, and Marcia Hall.

Left to Right: A. Bachelder, B. Love, H. Blake, Miss Hurd, R. Locke, J. Robbins, P. Rowe.

## Girls' Swimming

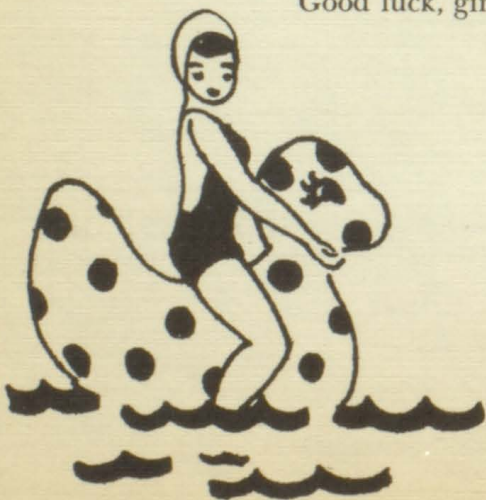

On October 21, six girls coached by Miss Hurd represented Gorham in the annual Triple-C swimming meet in Portland.

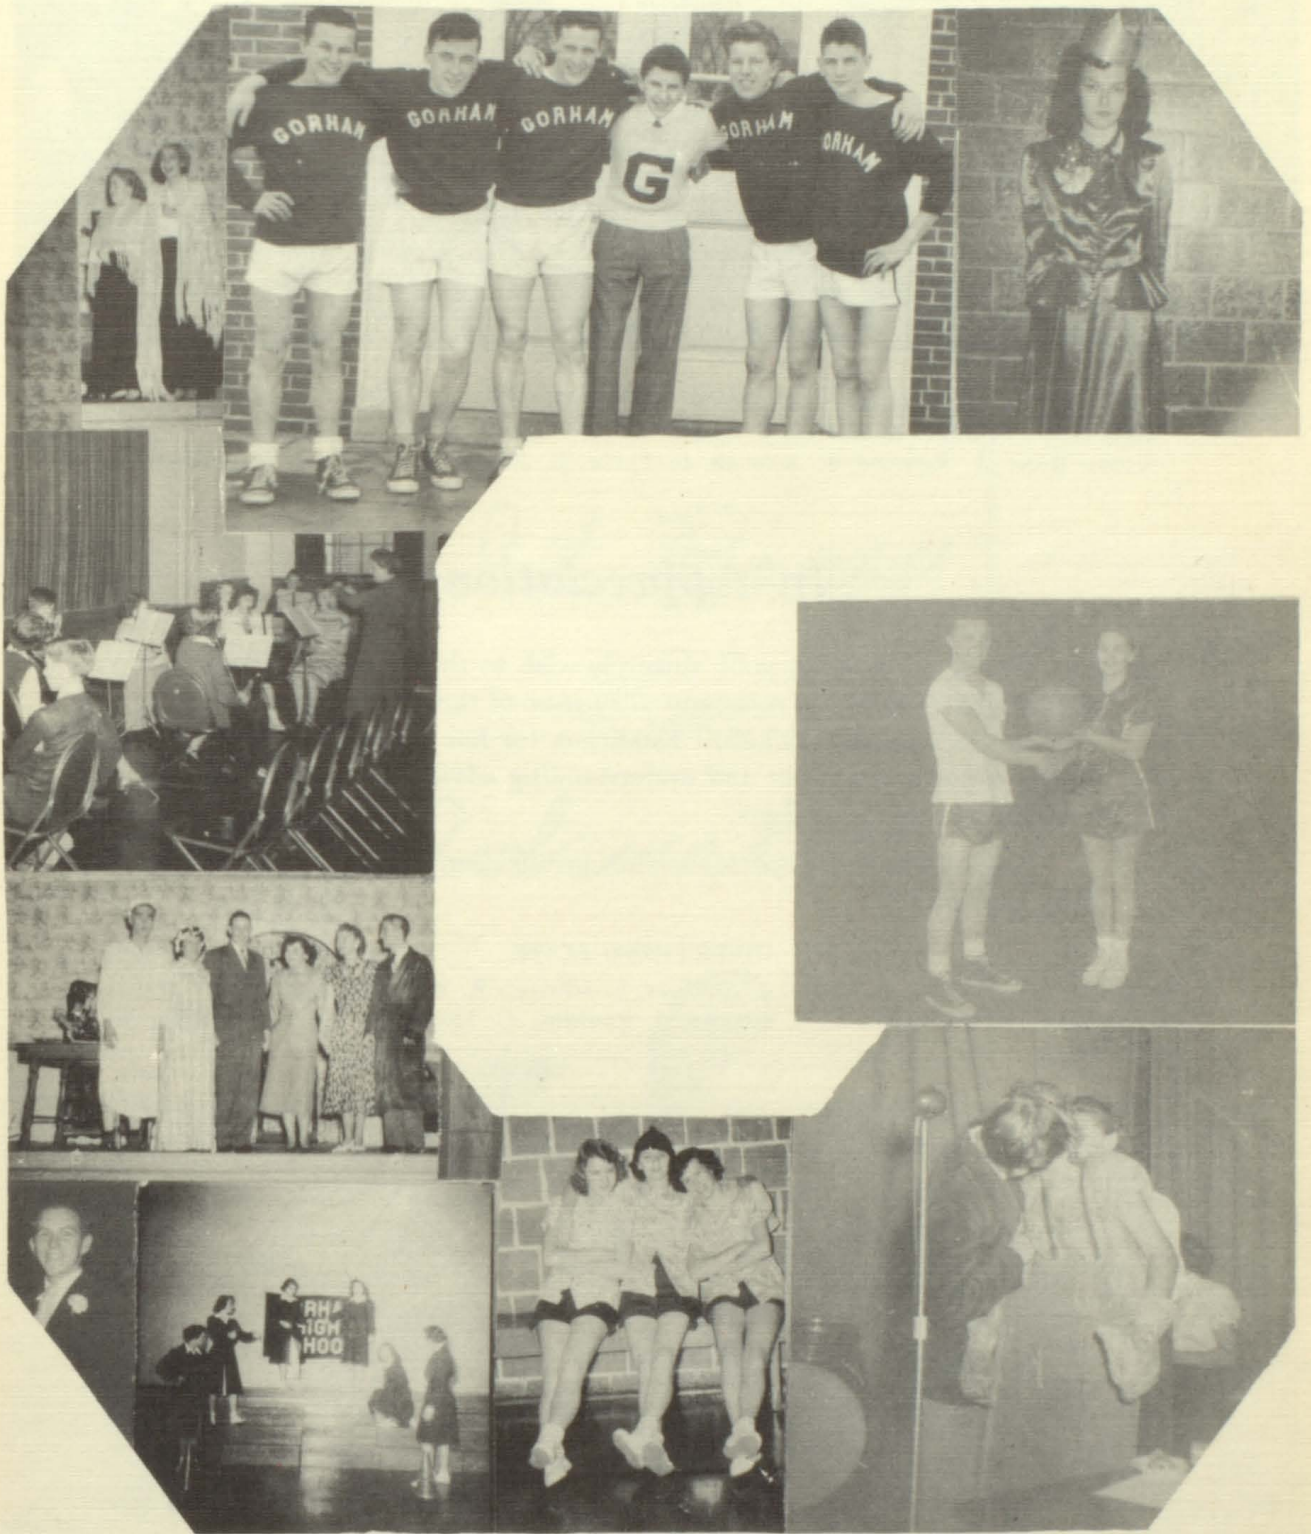

Bringing honor to Gorham was Peggy Rowe, a Junior, who won the 25-yard free style and the 50-yard free style.

Our relay team, which came in third, was comprised of Janet Robbins, Senior; Peggy Rowe, Ann Bachelder, Harlene Blake, Juniors; and Rae Locke and Barbara Love, Sophomores.

This year's team was greatly improved and made a good showing for Gorham and prospects look even brighter for next year.

Good luck, girls!
