## *Dedication*

It is with great honor and pride that we dedicate our yearbook to a man who is greatly respected by his fellow teachers and by his students. In the two years he has been with us he has produced a championship basketball team and a fast-improving baseball team. Not only has he been a great athletic coach, but also he is an interesting and inspiring classroom teacher.

To Mr. McFarland, our coach, teacher and friend, our sincere appreciation for all you have accomplished.

## *Seniors Go To Washington*

Well, the Seniors of '53 started on their way at 9:00 p.m. Friday, April 17. Quite a crowd was there to wish us luck. We met Charlie Langlin and Eddie Frank, our bus driver, first. They are both grand guys. During our ride we made many stops in the evening and earlier part of the morning. The bus needed refills of gas and we needed refills of food.

O' Happy Day, we arrived at the Piccadilly Hotel in New York at 7:00 a.m. No rooms, so we wandered around town and then grabbed a subway to the ferry and then out to the Statue of Liberty. We have found some of our old buddies from other schools; Donald Berry, Ted Gibbons, and Ralph Berry.

In the afternoon we went to the Observation Roof and had our picture taken up there. Jeepers, what a view! The people look like midgets. I should hate to fall from here! Down again, and to Radio City Music Hall to see the movie "By the Light of the Silvery Moon" and the stage show. Most of us slept here, but those of us who could stay awake thoroughly enjoyed it. After that, we had a tour of the N. B. C. Building.

Bright and early Sunday morning we left with regrets for Washington, D. C. Traveled with several other buses on this trip. On our way we stopped at Annapolis. All the girls enjoyed this very much. Arrived in Washington at the swank Raleigh Hotel around 4:00. The evening was free, but most of us stayed in Room 330 and enjoyed sipping ginger ale. Even had ice cubes for bed companions that night. Thanks a lot, Mucka.

First thing we saw Monday was the Jefferson Memorial. Then on to Arlington National Cemetery and the Tomb of the Unknown Soldier. Here we saw the change of the guard which was very impressive. Then on to Mount Vernon, Washington Masonic Shrine, and the National Airport. In the afternoon we went to the Smithsonian Institution. You could spend a century there and not even see everything! Everyone is now acquiring that southern accent. Particularly one boy in our bus. He hails from South Carolina no less. Monday evening we went to the Lincoln Memorial, Washington Monument and Congressional Library.

Tuesday we toured the Capitol, Supreme Court Building and saw men and women printing thousands of dollars in the Bureau of Printing and Engraving. Sorry, no samples! In the afternoon we saw the National Cathedral and the Franciscan Monastery. The Monastery was so beautiful that the paintings and statues were enough to take away your breath. Some of the figures were so real that you expected them to reach out and touch you. Some of us went to the Casino Royale that evening with a group from Swampscott High.

Wednesday we went through the F. B. I. Building, White House, and then left for Virginia. It was just like summer. Flowers all in bloom. We stopped that night at the Don Dee Motor Court in Newmarket, Va. Very cozy. We ate at the Endless Caverns that night. Good old Southern fried chicken. Then we toured the caverns and what beautiful formations! Later in the evening we had a dance with the other schools all there at the Lodge.

Thursday morning we left for the north again. Had lunch at the Francis Scott Key Hotel in Maryland. Then the first casualty of the trip. The bus broke down! We all split up on the other five buses so as to continue our tour. We toured the field of the Battle of Gettysburg and then arrived in York, Pennsylvania at the Yorktowne Hotel where we were once more altogether.

When we started off on Friday we had a new bus and new driver. This one is called Casper. Don't worry, Eddie is still with us. Saw Valley Forge and then on to Philadelphia to Independence Hall. Arrived in New York late in the afternoon. Went to a radio show "My Son Jeep" and then to "South Pacific." Wonderful show, wonderful seats (Last row in balcony.)

Boarded the bus again at 12:05 a.m. Another bus driver, Francis. Eddie still with us. The gang presented him with an identification bracelet before we started on our way.

Saturday morning, April 25, a very tired but happy group arrived in Gorham, Maine, to relive its trip many times in tales to other students and parents.

## *Senior Class Play*

ACT YOUR AGE, by William Davidson was the comedy in three acts presented by the senior class this year. The play was a big success with a large audience. The cast was as follows:

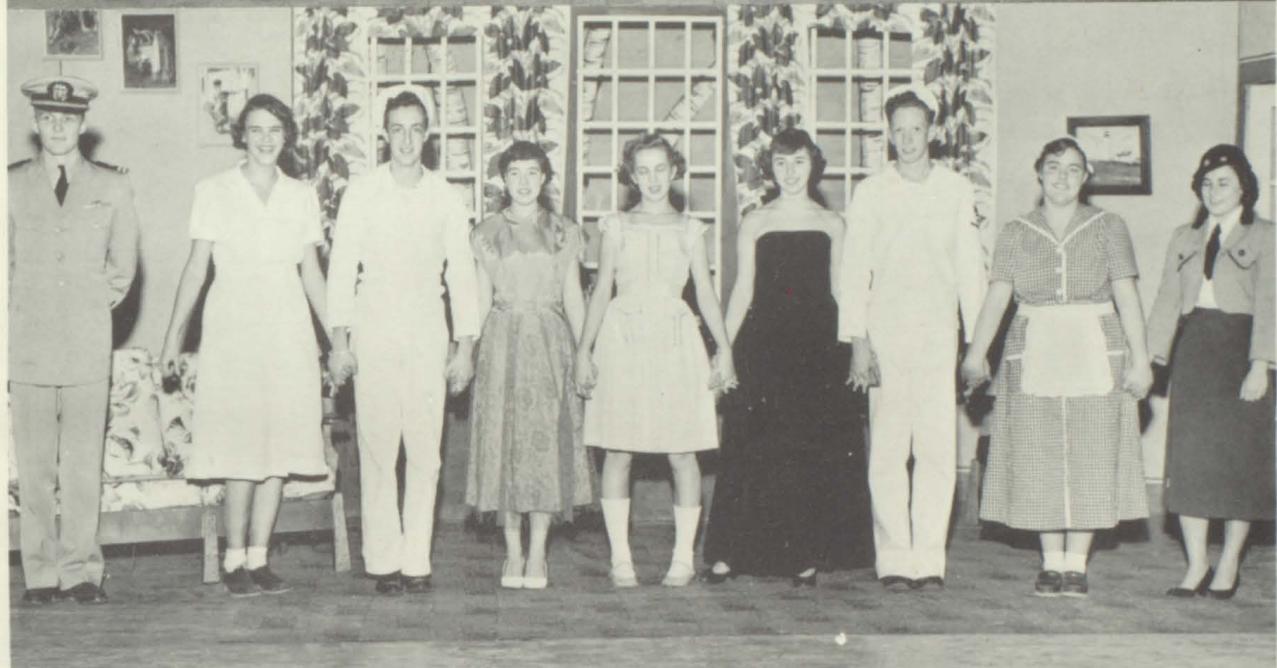

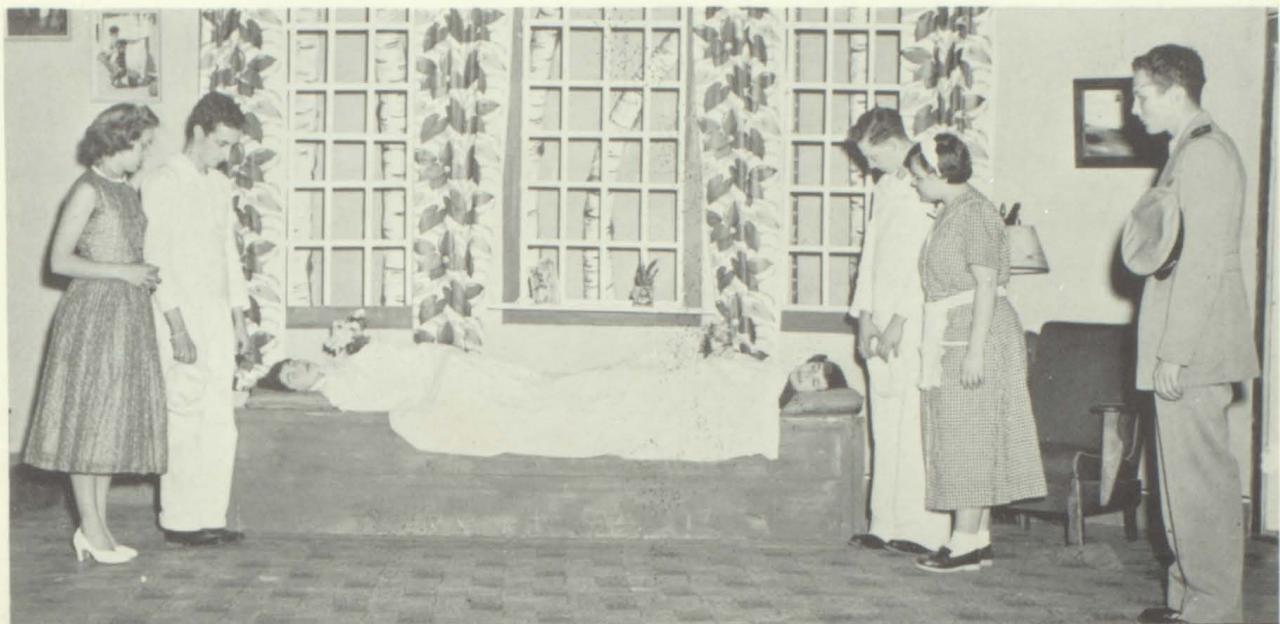

Angy	.....	Katherine Sferes
Jerry	.....	Sue Sawyer
Jim	.....	Richard Wagner
Gadget	.....	Gary Jones
Cora	.....	Ellen Parsons
Helga	.....	Rae Locke
Sandra	.....	Patricia Johnson
Commander Stone	.....	Robert Willard
Western Union Girl	.....	Shirley Higgins

The plot centers around two sailors, Gadget Hoffenflugel and Jim Matson who get engaged to Angy and Jerry by letter and come to spend the week-end with them. The girls who are really only fourteen pretend to be much older. Many hilarious situations follow.

We will always remember Ellen and Rae in their wrestling acts, Pat as "Little Elsie," Katherine and Sue with their faces covered with flour, and Gary saying "allah, allah."

The success of the play was due to the hard work of the cast under the excellent direction of Mr. Burgess. Also much thanks goes to the stage manager, Travers Jackson, and all the other seniors who worked on the various committees. Everyone enjoyed working on the play, and it certainly turned out to be ACT YOUR AGE.

They know their rules of etiquette,  
And always are quite right.  
Sally H. and Dick Wagner  
In our class are most polite.

As "best-dressed" girl and boy,  
We're proud to recognize—  
Our Shirley H. and Arthur P.  
We know they'll take a prize!

Our two "best looking" students  
We're very proud to say,  
They're Bob W. and Patricia J.  
Let's hope they stay that way.

As Gary and Ellen  
Do all that they can do,  
We know they do most for the class  
And are most dependable, too.

Our quietest couple we all agreed  
Was Dianne and Albion Rowe  
But though they may seem quiet  
Both are always on the go.

## *Underclassmen Activities*

### JUNIOR CLASS

As juniors, we felt more at home this year when we entered Gorham High School. We got things rolling by electing our class officers. Our advisers have been Mr. Burgess and Mr. Corrigan to whom we wish to express our sincere thanks for their interest and understanding.

Early in the year we organized a Parents' Club which has been very active. They sponsored a successful dance at the high school and a food sale.

Throughout the year, we have conducted three paper drives, the last one, during the April vacation, continued for three days. These were hard work but according to the returns they have been worth the sore hands, the broken backs, and the tired feet.

On March 10, we put on a supper for the Poultry Association. It was our privilege as juniors to handle the concession at the home basketball games. Both of these projects were money-making ventures.

Four members of our class attended the Maine State Music Festival in Augusta. They were James Allen, Nancy Corey, Albert Packard, and Joan Smith.

Our representatives in the Student Council have been Marilyn Blake, Janice Harmon, Wayne Manchester, James Smith, and Peter Watson.

Our class has been well represented in all the school activities. So we end an eventful year. With a class numbering fifty, we now move into the home stretch and our last year at Gorham High School.

### SOPHOMORE CLASS

The sophomores have tried to have both fun and earn money this year. Even earning money can be fun when the class is working for something together.

This year we sponsored a dance at White Rock in the fall. It was a big success and gave us courage to go on to other activities. Our next project was a food sale to which many contributed to make this a profitable event. Then when the Christmas season came around we all felt very ambitious and set to work making wreaths. This proved to be very profitable as we all worked together and had a lot of fun even though it was hard work.

The committee for money-making affairs consisted of Joe Adams, Leroy Dixon, Janet Lowell, Mary Lopez and Rae Johnson.

On the lighter side of our life, we started out with a splash party at the Y. M. C. A. on February 14 which was enjoyed by all. The people on the committee for this event were Shirley Gorrie, Sandra Morrell, Jimmy Stigman, Frances Washburn and Janice Wing.

Then on April 13 we enjoyed a roller skating party in Portland. For this event we invited the junior class. The committee this time was June Hayes, Patsy Wyman, Jimmy Stigman, Jimmy Clay, Joe Adams, and George Files.

#### FRESHMAN CLASS

The Freshman class was officially welcomed into Gorham High School on October 3, 1952, at a dance given by the upperclassmen. It was the beginning of many enjoyable events for us as Freshmen.

We really became an organized class when we held our first meeting and elected the following officers: President, Michael Andrew; Vice President, Keith Bangs; Secretary, Judy Shaw; and Treasurer, William Verrill. They are good leaders and have directed the class in some profitable activities which included a food sale. Anne Sweetser was chairman of that committee. Others who helped her were Donald O'Brien, Gloria Wiggin, Diana Wilder, and Sandra Page. We also have a bean supper planned for May. Gene Heath is the chairman, so of course it will be a success. Barbara Whitman, Betty Lunt, Frances Cole and Beverly Powers are helping him on his way. The food sale netted us approximately \$25.00, the highlight of which was a huge cake presented to the class by Mr. Charles C. Shaw, former principal of Gorham.

Our Class was represented at Student Council by Judy Shaw and Donald O'Brien. They are always willing to take their stand for the class of 1956.

Sports were not neglected by the Freshmen. One member of our class made varsity basketball—Michael Andrew. The girls who made first twelve on the team were: Alaire Bridges, Barbara Whitman and JoAnne Bridges. Many others went out for basketball and enjoyed Junior Varsity games.

We did our share in music. Many of our class were members of the chorus and were in the Festival in March. The Music Festival at Brunswick included many of our class, too.

It's only the beginning for us, but we are looking forward to an active three more years.

### STUDENT COUNCIL

The Student Council started off the year with the drawing up of a new constitution which was ratified after much work on December 30, 1952. The officers were then elected as follows: Don Esty, President; Wayne Manchester, Vice President; Pat Johnson, Secretary; Peter Watson, Treasurer; Mr. Rourke and Mr. Delano, Advisers.

The customary Sophomore Initiation was replaced by a more quiet Freshman Reception. As usual, the Student Council sponsored the annual Christmas party where everyone enjoyed himself, including good old St. Nick.

Four committees have been organized to carry on business outside the regular meetings so that more can be accomplished. These committees are Social, Reception, Administrative and General Welfare.

On April 17, a Student Council meeting was held in assembly to familiarize the students with Student Council procedure. The Secretary has posted the minutes of each meeting so the students will know what has been accomplished. Slowly, the goal of a better school is being approached.

### FUTURE FARMERS OF AMERICA

The Future Farmers of America group has been quite active this year. They have gone to fairs and district meetings. At both of these, the boys entered various contests and judging tests.

The annual dance was held in September. Merle Howard was chosen as the F. F. A. Sweetheart and awarded a jacket at an assembly. In May, the Father and Son Banquet was held to wind up our social activities.

Now that spring is here, we are thinking of our projects. The Chapter is planning to raise potatoes, squash and strawberries.

### FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America has accomplished a lot during the school year. Ellen Parsons has been our president, and Mrs. Robinson, our adviser.

Our activities for the year are:

- Installation of officers by Thornton Academy
- Mother and Daughter Banquet
- Paper drives and food sales to earn money
- Joint meeting with Windham and Westbrook at Westbrook.

One of the bigger things was the State F. H. A. Convention which was held at Gorham State Teachers' College this year, and the girls from Gorham acted as hostesses. There were around 600 girls at the Convention.

A number of other activities also were participated in by our group this year so, as you can see, we have been quite busy. Our thanks go to Mrs. Robinson for her help and understanding.

## *Orchestra*

Both the orchestra and the chorus have had busy and successful years.

The orchestra's first performance was at the Christmas Assembly where they played holiday selections. Then in the spring the Dramatic Club, Orchestra, and Chorus put on a combined program consisting of one-act plays and selections by each of the music groups.

The chorus sang at the Christmas Assembly also. In March, we put on a Festival of Music instead of an operetta. Mrs. Bailey put a lot of time and effort into making this evening a success. It was different from what we had done before, but was enjoyable for all.

The Western Maine Music Festival was held in Brunswick this year and most attended this.

Our final performance of the year will be graduation at which time we shall add our best wishes for the seniors in song.

## *Gorham, Maine, High School Alumni Association of Boston*

This is really the 51st anniversary of the above group since the meetings have been going on since 1902. Some meetings were held before this but were to cease for a time to be resumed in 1902. The following material was taken from a short resumé of the origin and activities of this group written by William S. Townsend, Class of 1890, and one of the last charter members.

"The classes of 1889 and 1890 were always very friendly, and being the two largest classes at that time always cooperated in all their school activities.

On Dec. 31, 1888, the two classes were invited to meet at the home of Miss Angeline Weeks, Main Street, Gorham, to watch the coming of the new year of 1889. Nearly all the members of both classes accepted and a most pleasant and enjoyable evening was spent until 1:30 a.m.--a most unheard of hour for Gorham Village. During the evening it was planned to meet again Dec. 31, 1890, at the same place and time. At this meeting 5 boys of 1889 and two girls of 1890 were missing.

Again on Dec. 31, 1891, another reunion was called and only a few members were present. However, it was a most pleasant evening. A card from Miss Weeks inviting the two classes to meet with her at her home on Thursday evening, Dec. 29, 1892, is still in existence. At this meeting so few members were present that it was unanimously agreed to call off the reunion until some future date.

For some years after this time, the members of "89 and '90" were widely scattered from the East to the West Coast, but as time passed on, it was found that the 'Clans' were gathering and settling in and around Boston. So a hunt for addresses began, and being so very successful, again a meeting was called to be held at the home of Miss Weeks at #1 Newman Way, Arlington. This was in 1902. From this time on meetings were arranged and held at the homes of different members, until 1905, when a special meeting was held at 17 Revere Street, Boston, the home of William S. Townsend at which time it was agreed that a club should be organized to be called "The Gorham High School Club of Boston," and the following officers were elected: President, Lester C. Roberts, '90; Secretary-Treasurer, Mrs. Maud Brackett Siewerts, '89. At this meeting it was also voted to have a public meeting with a banquet to attract new members. The place selected was "The Dunster Cafe," Dunster Street, Cambridge; the time, Feb. 2, 1906. The affair proved to be a great success and several new members joined our Club.

For a number of years, a banquet was served at these meetings, which were held at different hotels in Boston and Cambridge, but with banquets and long speeches, these formalities left little time for sociability, and about this time a change in the time of meeting was made to a more pleasant time of the year.

For some years following, the meetings were held at the homes of regular members, giving more time for renewing old friendships while light refreshments were served.

One very pleasant and convenient place of meeting was with Mr. & Mrs. Ernest Cressey at the rooms of the C. C. Harvey Piano Co. on Boylston Street, Boston. At one of these meetings the question of an outdoor meet was brought up and quickly voted to be held at 272 Grove Street, Melrose with Mr. and Mrs. Townsend on June 13, 1926. The day being a most beautiful and mild one, the occasion proved to be such a pleasing innovation that a number of meetings were held at different homes in most delightful places and surroundings.

After a few years of this arrangement, the present accommodations at the Huntington School were offered the 'Association' through the influence of the Principal, a graduate of Gorham High School, Charles Sampson. This last arrangement has proved to be a most convenient and satisfactory one, through the kindness and generosity of Mr. Wilkinson of the Huntington School.

## Athletics

Gorham really had a very successful year in basketball by winning the Inland Division of the Triple C. The hustling Rams made the glorious season perfect by having a clean slate, 8 wins and 0 losses, in league play. Led by Big Bob Hawkes at center, Wayne (Goose) Manchester and Joe Adams as forwards, Ted Bachelder and Don Esty as guards, the Gorham team went places.

After winning the Inland Division, Gorham went into the annual Cumberland County Conference Tourney. Greely was our foe. After an uphill battle we tied it up but lost a heartbreaker in an overtime 63-62.

All was not lost, however, as Gorham was chosen to participate in the State Basketball Tournament. This time we drew the Triple C Champs, Cape Elizabeth, as our opponent.

We held the champs to a close game all through three quarters of the game. In the final and fatal quarter, the Cape crew pulled away from our hard pressing Gorham men and Cape took the game 55-42.

Our season couldn't have been successful without our good reserve strength. This support came from Gordon Junkins, George Files, Peter Watson, Leroy Dixon, Tom Bergen, and Mike Andrews.

Coach McFarland was very pleased with the successful year and future Gorham teams look good as only two boys, Bob Hawkes and Don Esty, are graduating from this squad.

The baseball team for the 1951-1952 campaign was not so successful as Gorham ended its season without a single win.

Coach McFarland helped us to gain in sportsmanship and experience although we didn't win. Seniors leaving are Ken Dunton, Ralph Egers, Roger Hanson, Roy Estabrook, Harry Dean, and John Lebrecque. This leaves our coming season with a few veterans and higher hopes. Those returning are Bob Hawkes, Don Esty, Joe Adams, Wayne Manchester, Tom Cassidy, and Jim Smith.

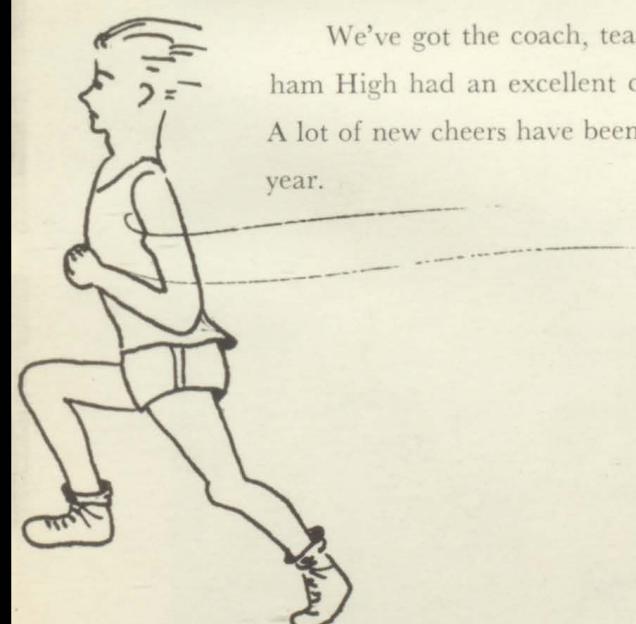

In girls' sports we had both softball and basketball with a lot of enjoyment from both. We are going to miss some of our valuable players who are graduating this year.

Kay Sferes represented Gorham at the State Foul Shooting Contest and really did a good job.

Thanks go to Pat Johnson and Janie Rowe as our managers for basketball and Geneva Leighton for the excellent job as the manager of the softball team.

The prospects for next year look very promising in both sports with Miss Hildreth as their coach. Here's hoping you will win a few more games next year!

We've got the coach, team, pep, steam — lead Gorham High to Victory. Gorham High had an excellent cheerleading squad with Mrs. Robinson as their coach. A lot of new cheers have been added but perhaps more can be suggested for another year.

**I**N BAKED BEANS, as in other foods, it pays to buy the best. That's why you should always choose supremely delicious B & M Brick-Oven Baked Beans, New England's long-time favorites for extra-good quality and flavor. They're actually baked all day (not steamed) with juicy pork and tangy sauces 'till they're delightfully mealy and tender and a royal treat to the taste. Burnham & Morrill Company, Portland 2, Maine.
