The Schola

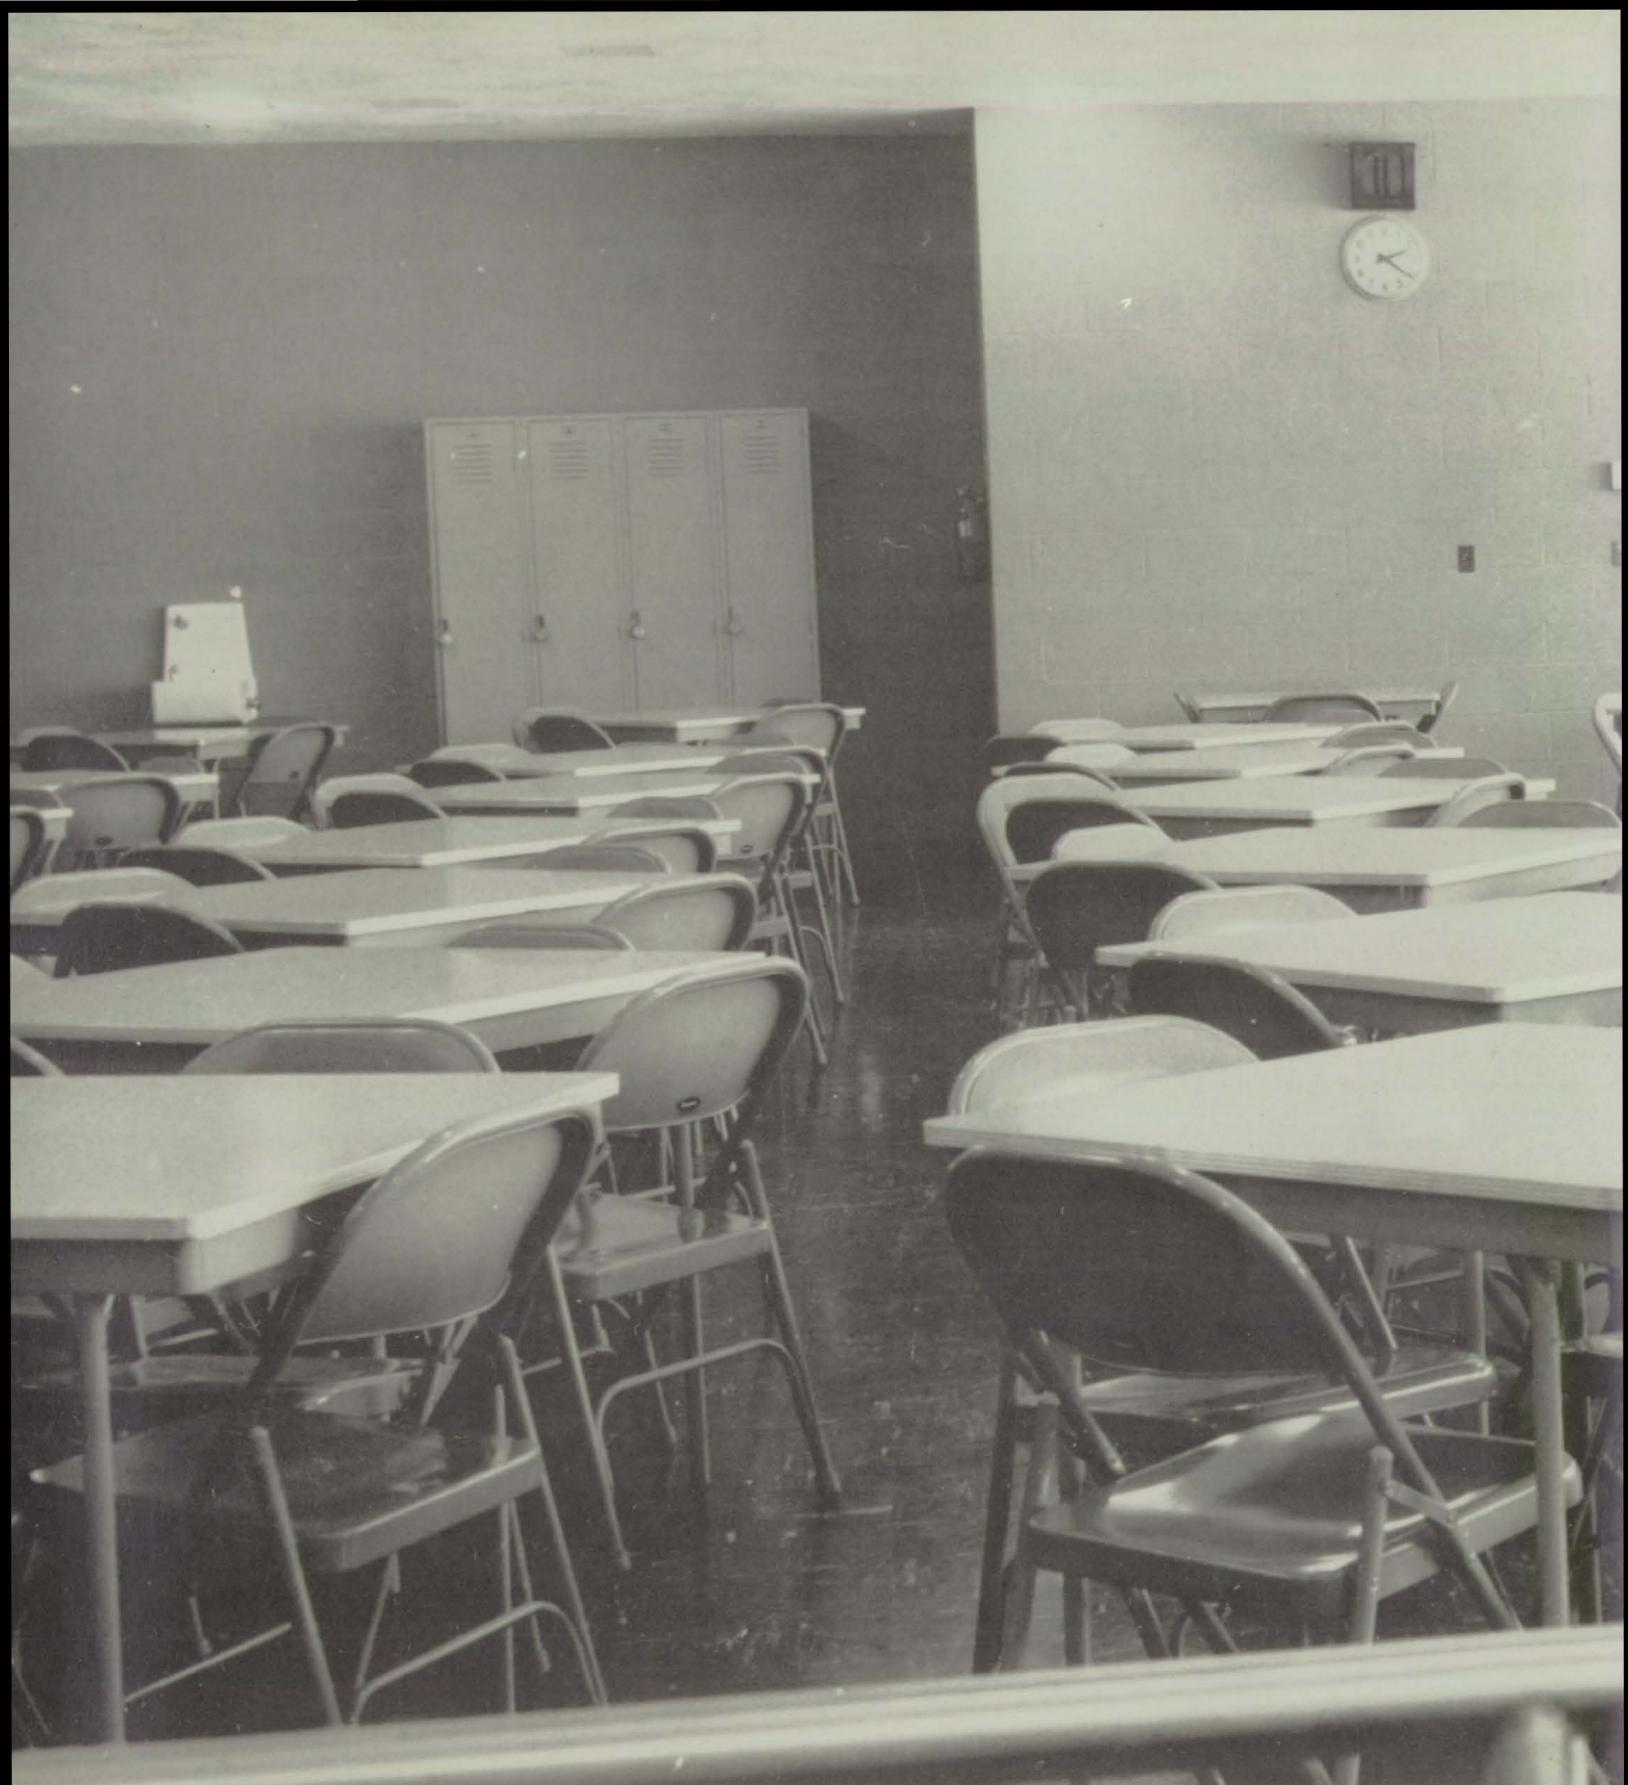

1960

*Published by the
Senior Class of
Gorham High School
Gorham, Maine*

Our Dream

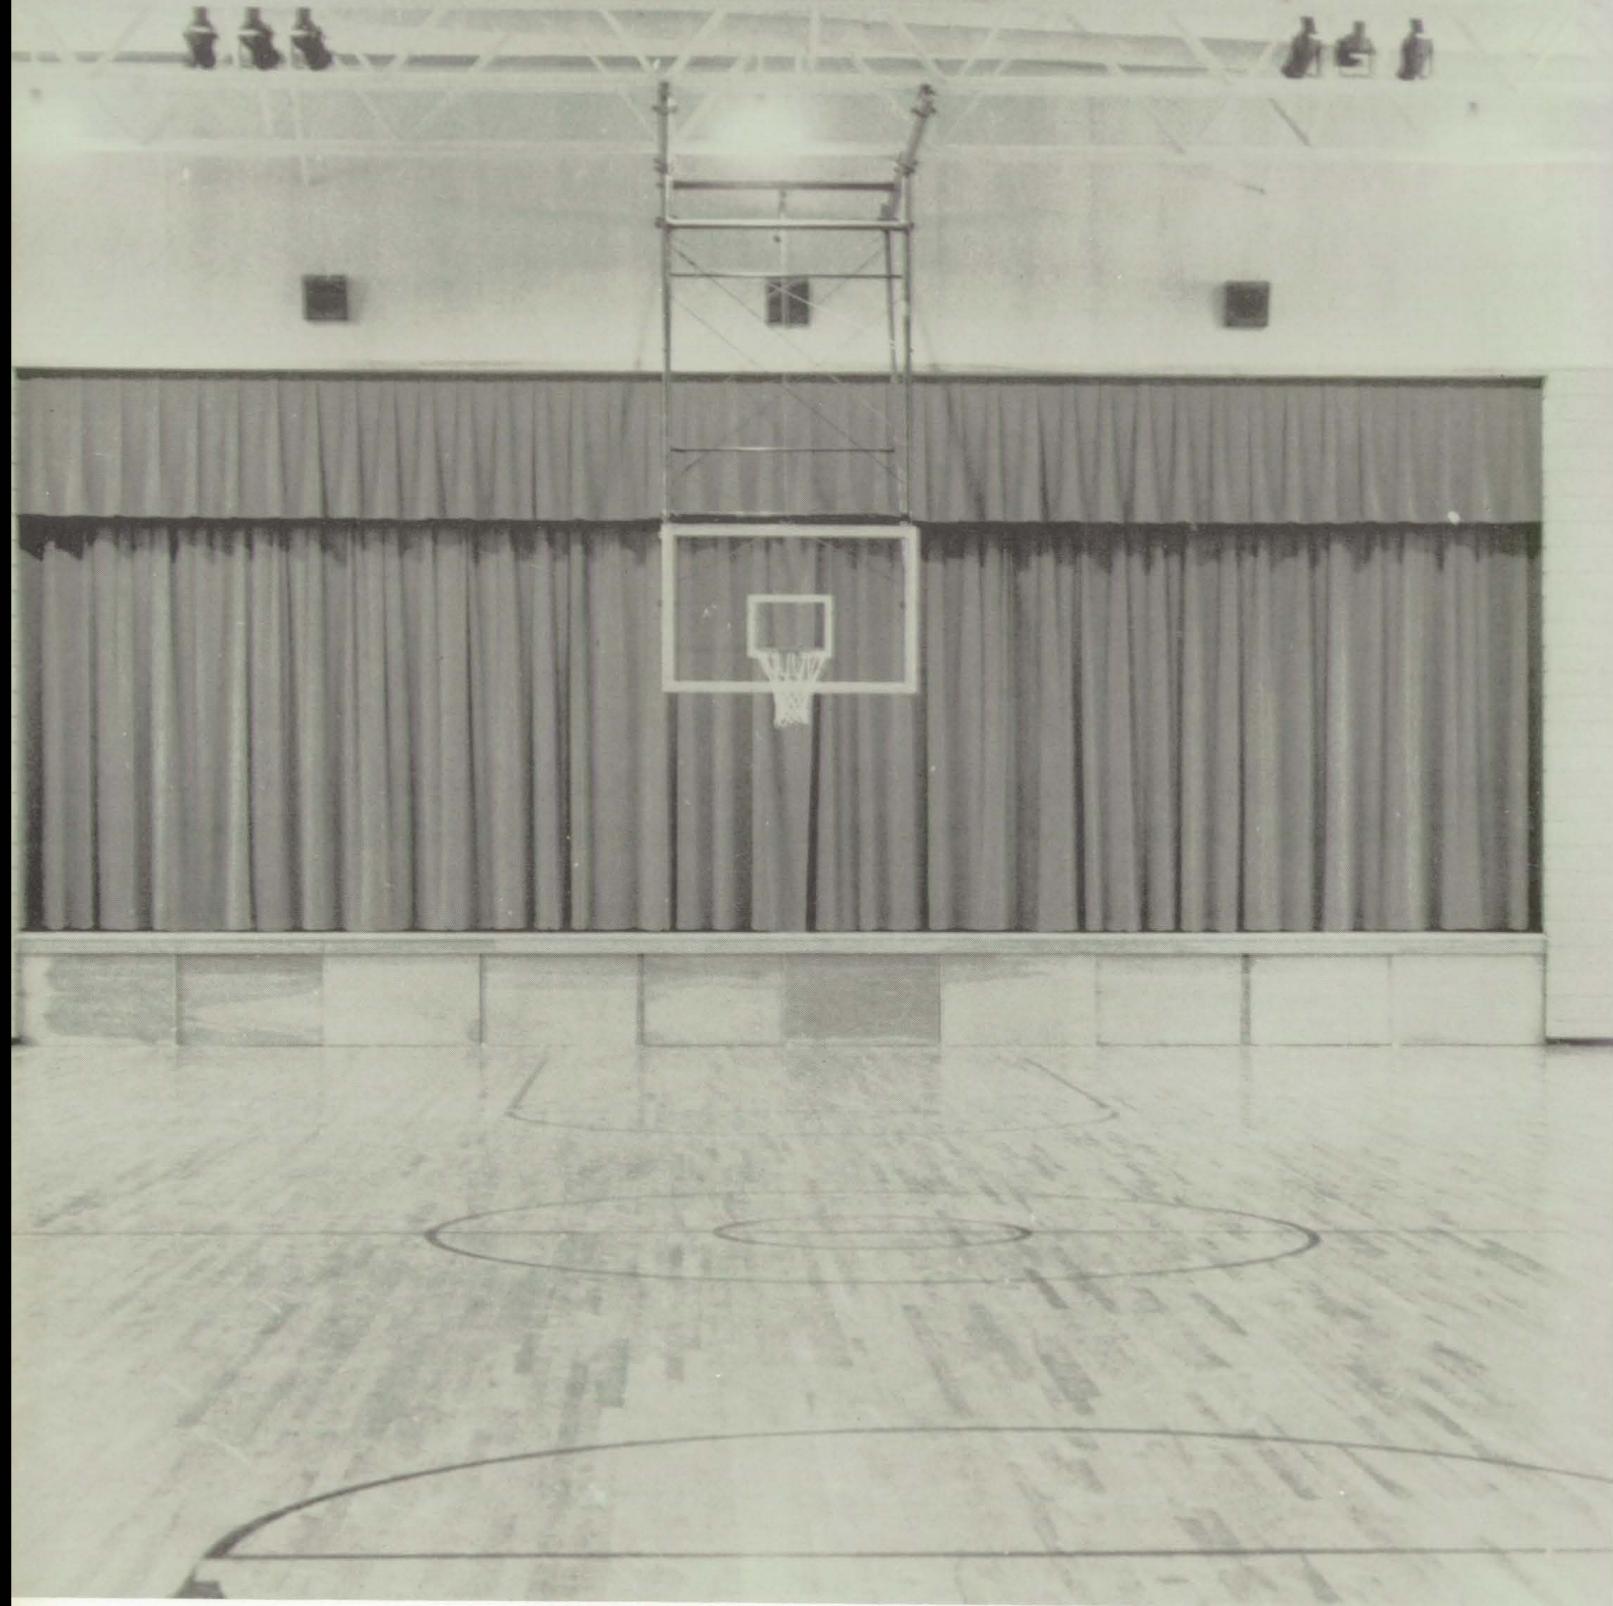

Here is a beginning.

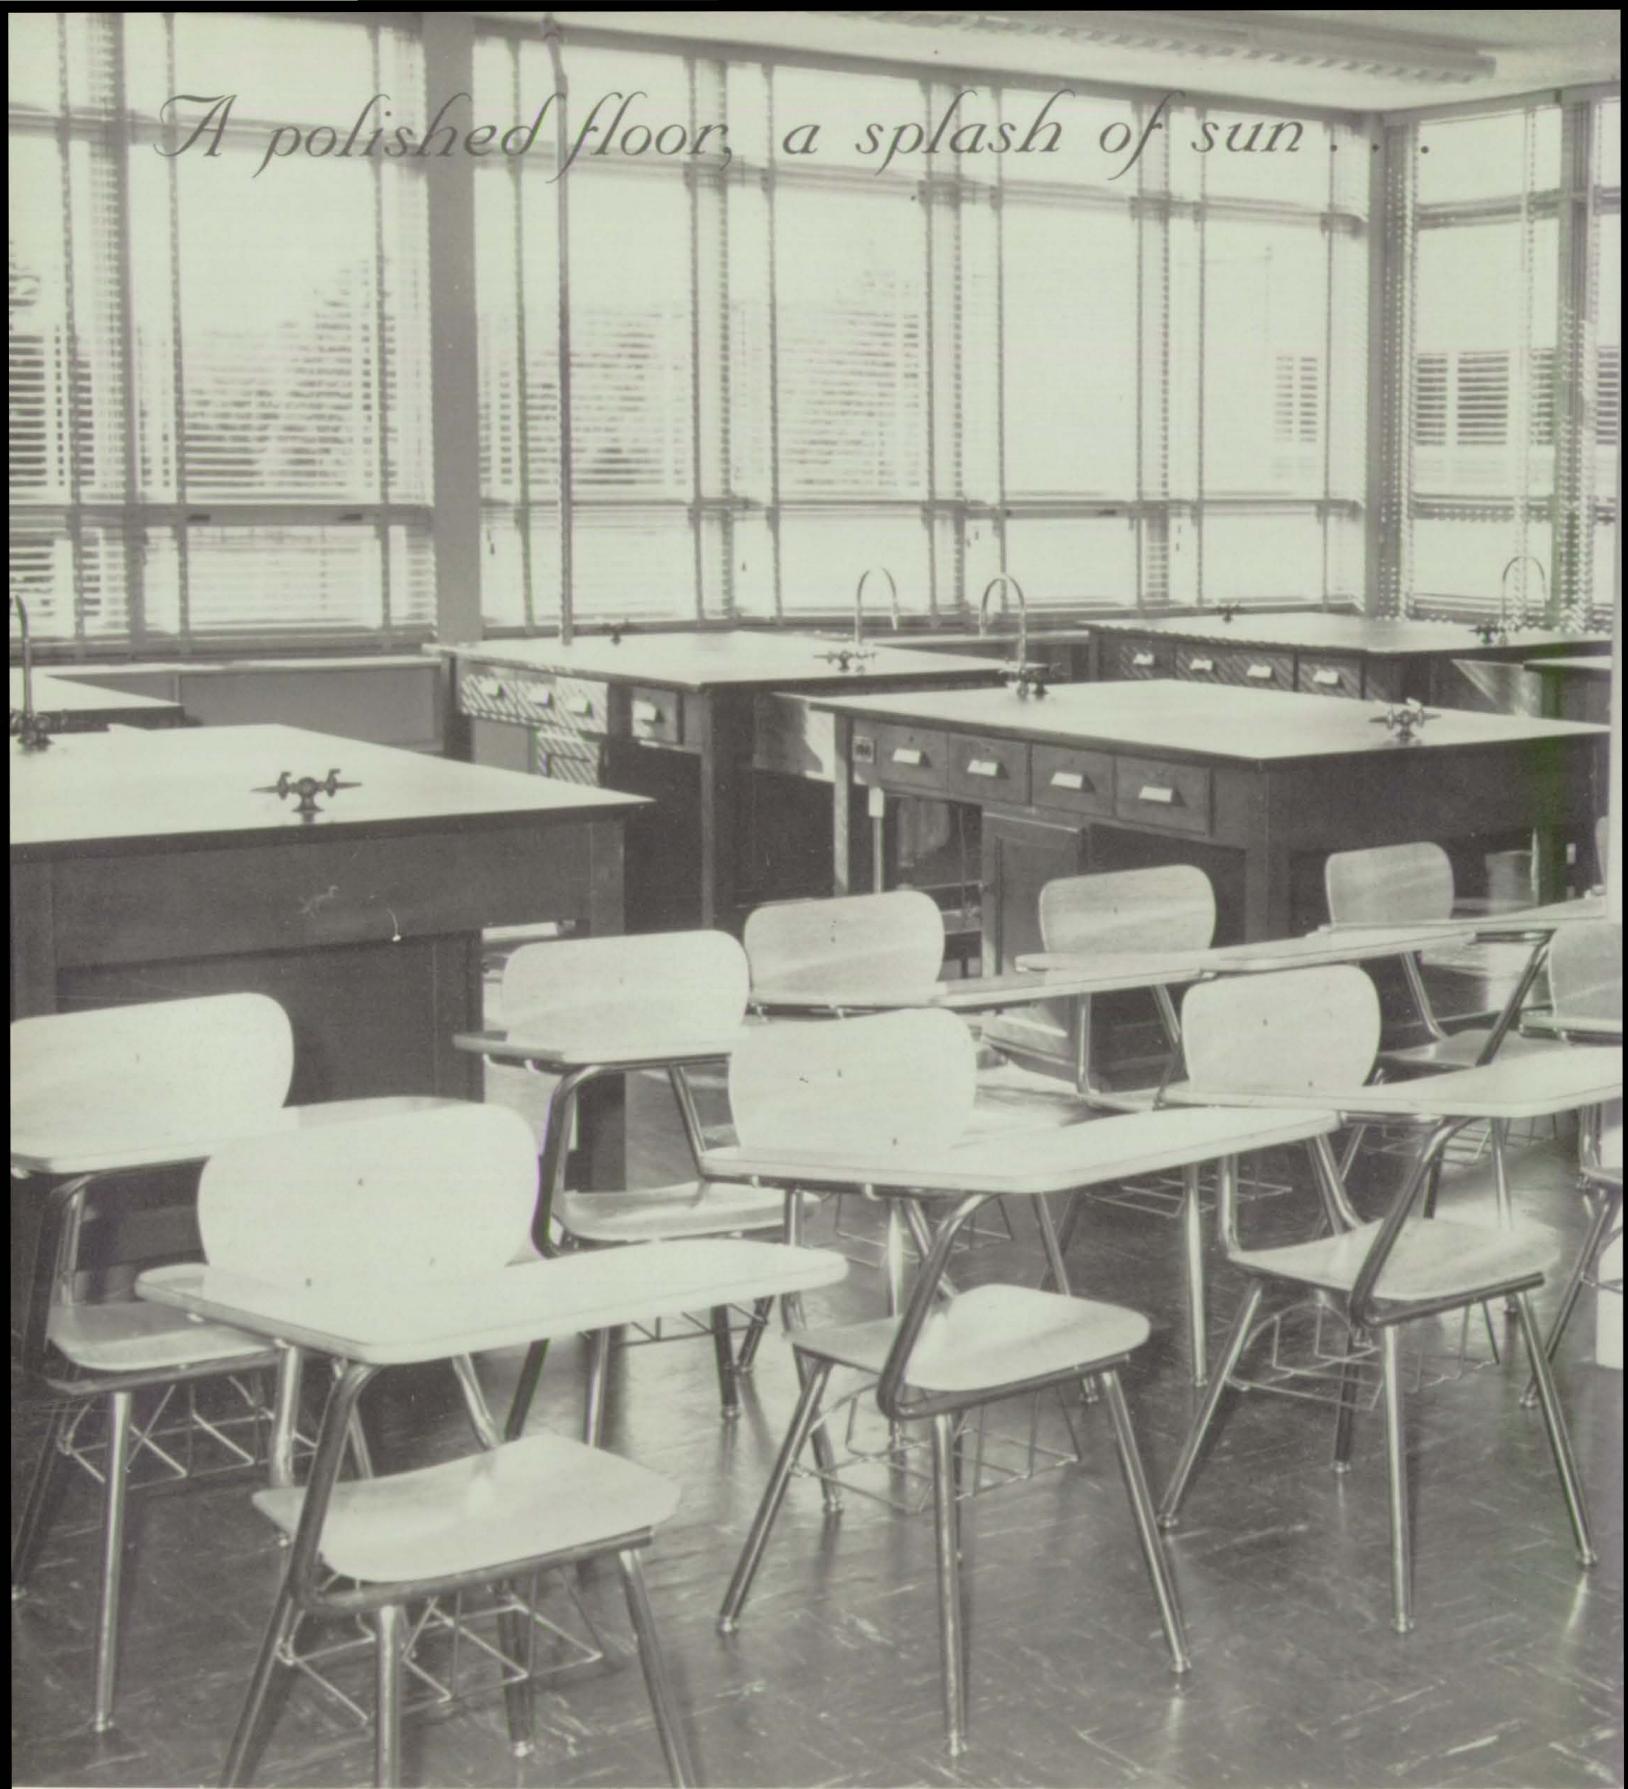

Steel, bricks, wood, glass . . .

These are the materials . . .

A polished floor, a splash of sun . . .

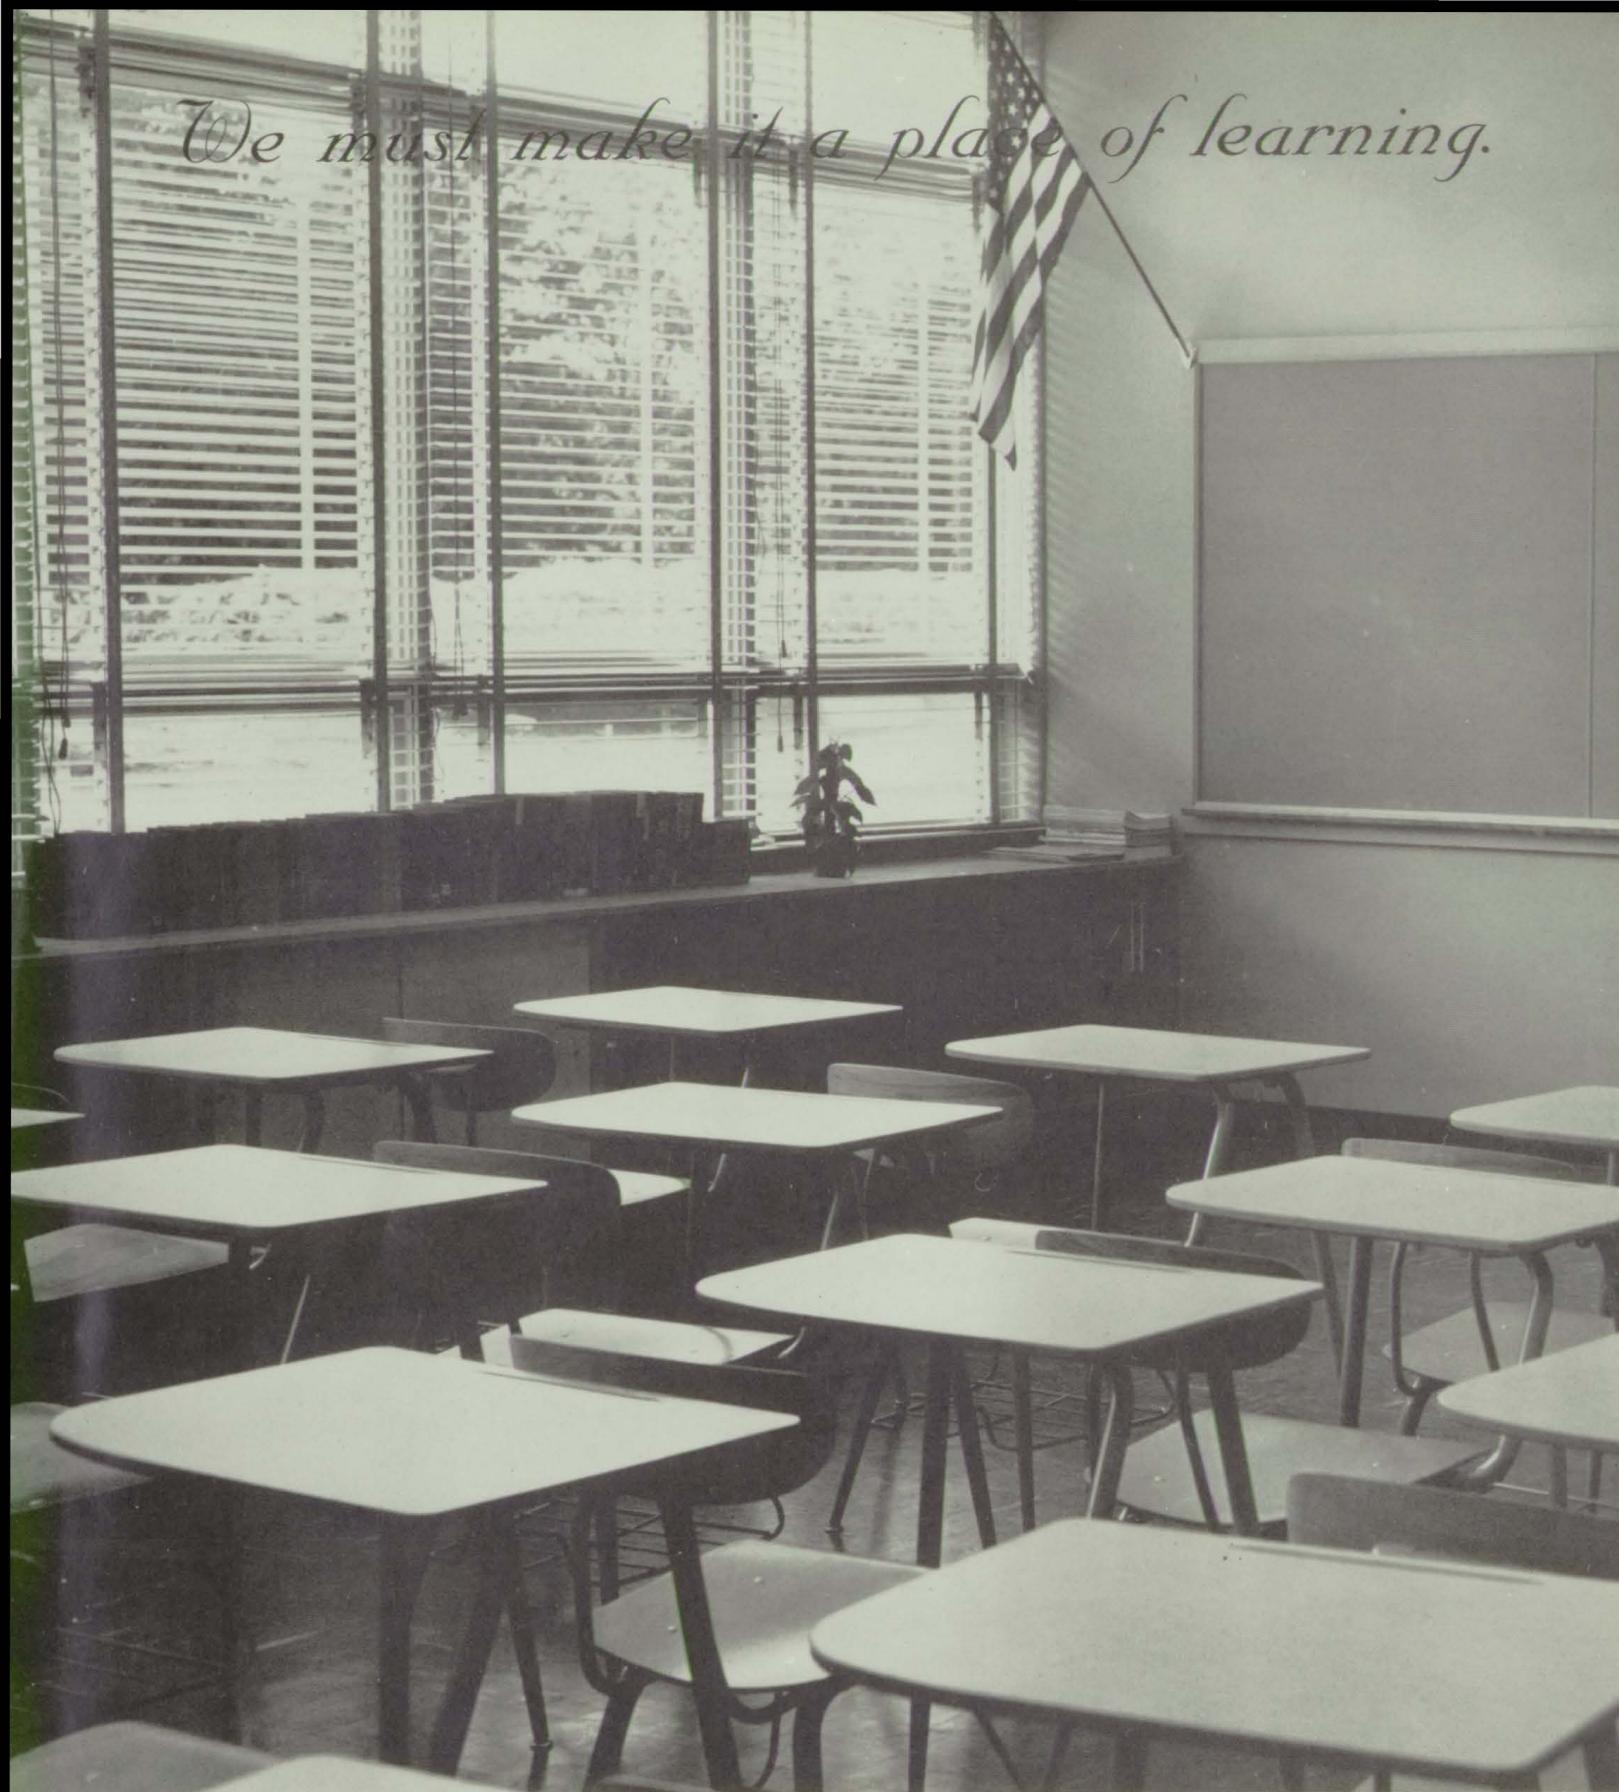

Room to think and breathe.

We have been given a building;

We must make it a place of learning.

Come True!

Dedication

... Shaded streets
and familiar landmarks surround-
ed by the greenest fields, the
highest hills, the bluest skies and
the dearest friends.

These are the memories of the carefree years. In greatful appreciation we dedicate the Schola of 1960 to GORHAM, our town.

BUILDING AND PLANNING COMMITTEE

FIRST ROW: Walter Stevens, Emery Bowdoin, Merle Brofee, James Pillsbury. SECOND ROW: Audway Treworgy (school board), Bernard Rines, Austjn Alden, Dwight Webb, Rutledge Morton.

Tribute

In order to carry out legislation proposed at the town meeting of 1956, a citizen's committee was appointed. Under the dynamic chairmanship of Mrs. Merle Brofee, this committee undertook the gigantic task of planning the replacement of the long outgrown facilities of the town high school.

This committee composed of people with varied backgrounds and interests, left their leisure and personal goals aside as they united forces in an effort to fill what they considered the town's greatest need.

Many hours of planning, discussing, persuading and convincing resulted in achievement. Today Gorham High School is a modern building with up-to-date facilities, well on its way to being one of the first fully accredited high schools in the state.

We, the seniors of Gorham High School, gratefully pay tribute to the Gorham School Board and the Building and Planning Committee for giving so generously of themselves to provide us with the tools of education. We will try to prove worthy.

Superintendent's Message

We are all very proud of our new high school building which stands as a symbol of knowledge.

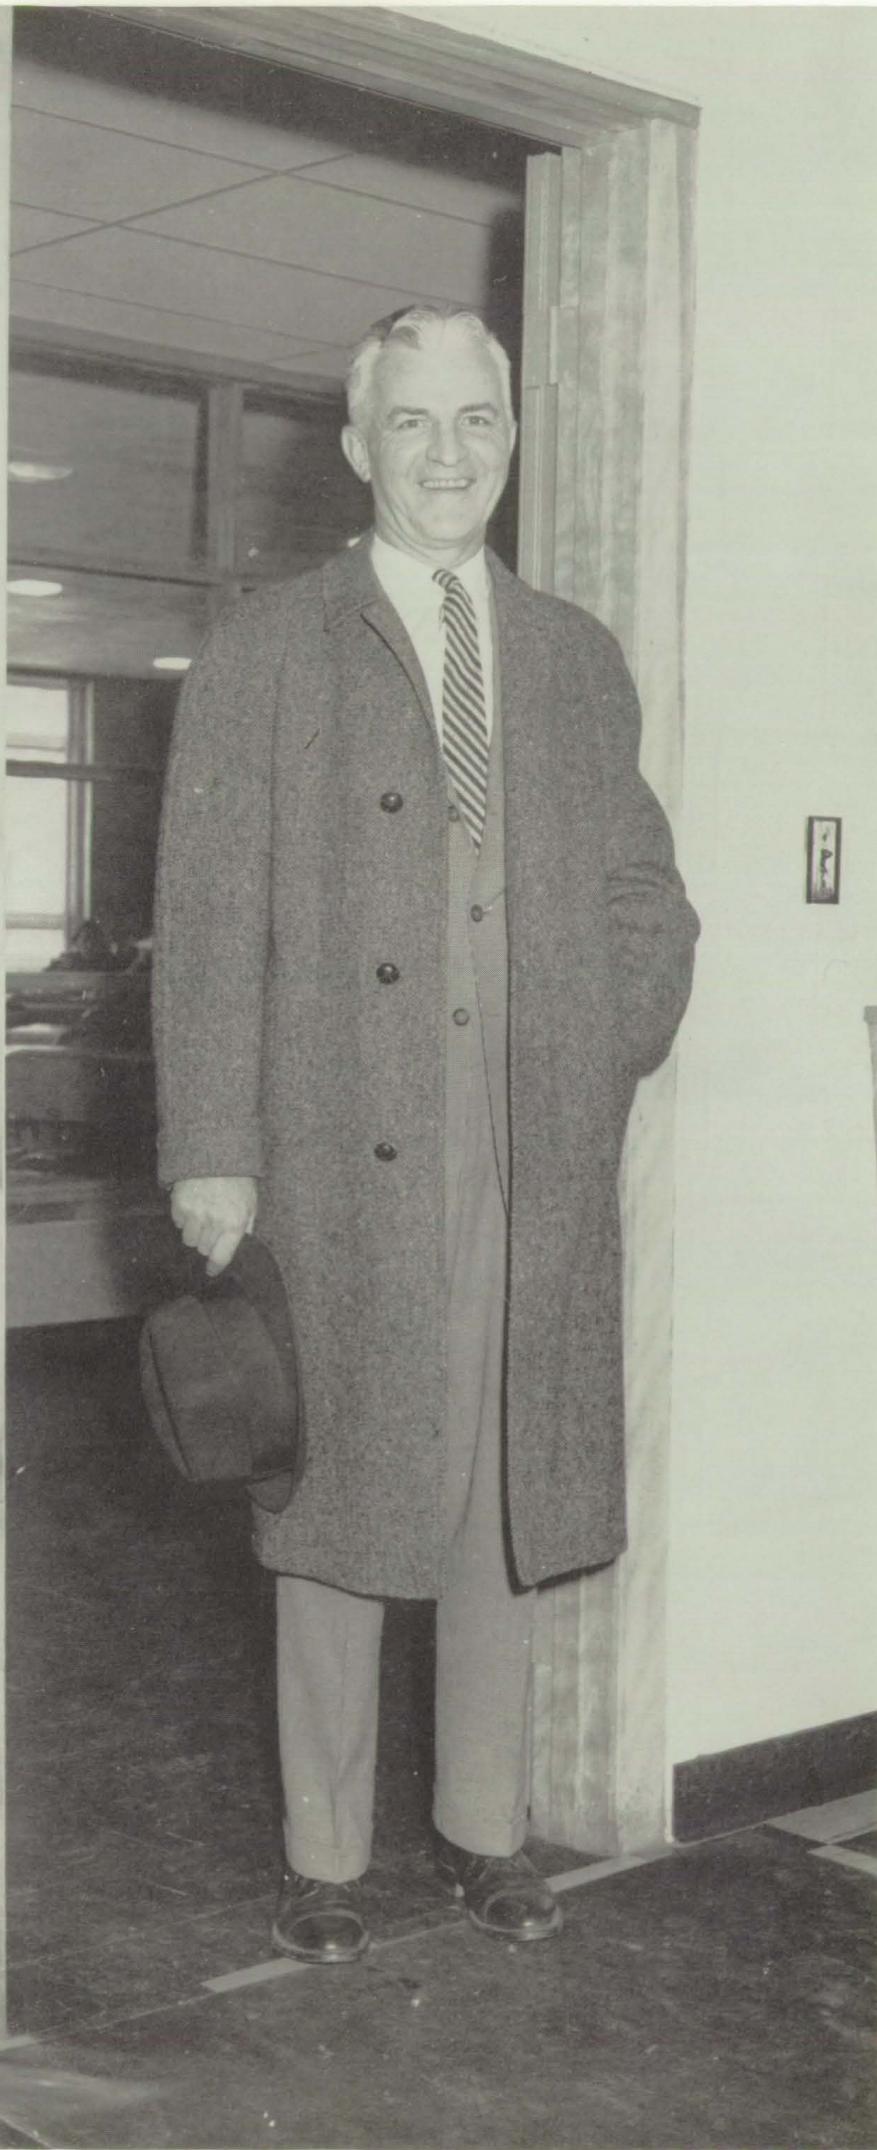

The amount of knowledge acquired in your four years of attendance is in direct proportion to the amount of effort you expend to acquire that knowledge.

One of the saddest comments that can be made by a senior is, "I wish I had studied harder." This statement is unlikely to be heard if, in your freshman year, you establish high goals and continually strive to attain them.

With the help and guidance of your teachers, the opportunity for a real education is yours for the asking. Make the most of it!

Faculty

Principal's Message

The past school year was an outstanding one; and the achievements of the Senior Class, as a whole, were excellent. I hope that each one of you will continue to strive for what is best.

Remember that you can never stop reaching if you expect to achieve your best in all ways. As the world becomes more complex, you will need to understand more fully what is just and unjust; what is truth and fiction; and what is important to learn and what is not.

You will need to continue to work hard in your future work or schooling if you expect to reach a certain goal in life. You should at all times try to have courage, intestinal fortitude, self-denial, patience, common sense, and humility.

Always show interest, pride, and loyalty in your undertakings and you will be a credit to your school, an asset to your community, and at peace with yourself.

Senior Class Ode

Tune: "Still as the Night"

Let us now sing our song to thee,
School of our hearts, Gorham High.
Our years have been filled abundantly
With many memories that never die,
Our thanks to thee, Gorham High.

While seeking the way, a true one to see,
You've been our guide, Gorham High.
Loyal we'll be and faithful to thee
Now and in all the years to come,
Our thanks to thee, Gorham High.

The "Mikado" *A Gilbert and Sullivan Operetta*

A large group of enthusiastic hopefuls came for try-outs early in February for the operetta, *The Mikado*. After weeks of anxious anticipation, nine people were chosen as the leads for the performance. Under the direction of Mrs. Nina B. Bailey and Mr. Albert Packard, our student teacher, *The Mikado* was performed on March 31, and April 1. The cast gave a splendid performance on both nights.

Student Council

Elected class representatives form the student governing body of Gorham High School. These members strive in every way to improve the school and to serve the needs of the student body.

Pianists

Mixed

Singing . . . girls' chorus, boys' chorus, and mixed chorus, has been the major effort of the music department during the past years. Though an elective course, one-fifth of the student body has chosen to develop its musical appreciation in this way.

The Western Maine Audition Festival and Concert Festival have always been "musts" on the list of chorus activities.

Chorus

Director
Mrs. Nina B. Bailey

This year the Gilbert and Sullivan operetta "The Mikado" was a spring musical event.

Mrs. Nina B. Bailey has guided the musical talents of Gorham students for many years. The continued enthusiasm and rewarding results in this field are a tribute to her superior directing.

Madrigals

Under the capable leadership of their director, Mrs. Nina B. Bailey, the madrigal singers have enjoyed a successful season. Some of their many activities include participation in the Christmas Assembly, the Christmas Concert, a program of contemporary American music for the Rossini Club of Portland, and the Western Maine Audition Festival. The singers are the only high school madrigal group in Maine.

The diplomas soon will be granted
Parents will weep in their pride
We'll greet all our friends and receive them
As we stand in line side by side.
Our faces will say that we're happy,
But a sadness will reach one and all
As we finally close our lockers
And take that last walk through the hall.
