## *Theme*

The sun fades,  
the shadows lengthen,  
but the memories grow brighter.

We see now that all that has gone before was just a beginning. Truth is the beacon toward which we grope. Through discipline of mind and body we have raised the torch. The challenge is clear—we must continue to seek the light. Then alone, we will throw off the darkness.

*Dedication*

Our cross-country team and its coach have given us a lesson in living.

They have trained quietly but with determination.

They have often run with little recognition.

They have refused to listen to those who might discourage them.

They have set themselves a goal and held to it.

They have won the fight.

Life holds the same problems, the same promise, for each of us.

## *Tribute*

MRS. RUTH HARTLEY

"Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference."

—*Robert Frost*

Coaching, Teaching, Belonging  
1956-1960

Your delight was in giving. You shared with us your love of literature; you taught us the rules of the game of life. Our paths have crossed briefly but we have gained. You gave yourself . . . and that has made all the difference.

### *Superintendent's Message*

The citizens of Gorham have a valuable investment in the future—you. President Kennedy's historic words, "Ask not what your country can do for you, but rather what you can do for your country," come to mind.

Consider carefully how you, as a student of Gorham High School, can repay your town for its faith and devotion to you.

*Faculty*

God has given you light,  
And you have shared it.

### *Principal's Message*

TO THE CLASS OF 1961:

It seems only a short time ago that you entered Gorham High School. Your class stands out in my mind most vividly because I, as well as you, was beginning a new undertaking—you as freshmen and I as principal.

I have enjoyed this class very much. The majority of students has been very cooperative, courteous, and dependable. Your record of scholastic achievement and of service to the school has been outstanding.

Although you have done well so far, you have now greater duties to fulfill. Some will be going on to higher education; while others will take up immediately their chosen occupation.

However, each will need to understand his rights and duties as a citizen, and to be diligent and competent in the performance of these obligations as a member of his community and a citizen of his state and nation.

Also you should develop your capacity to appreciate beauty in literature, art, music, and nature.

If you develop respect for other persons and if you are able to live and work cooperatively, you will have accomplished much toward successful living.

## Administration

Schools today are big business. Our smooth running school is proof of good leadership. The headaches of organization and the credit for efficiency belong in large part to the trio above. Programming, recording, counseling in never-ending succession are the task. A warm sincere interest is added. Students well prepared for the future are the result.

## English

"Some books are to be tasted, others to be swallowed, and some few to be chewed and digested."—*Bacon*

All kinds have been served this year as part of the recipe for the well-rounded diet recommended by the English Department. A book a month has been required in outside reading for all students who are capable. Though burdensome to some the reading program has been a stimulus to many.

Among the most popular books are: KON-TIKI; DEATH, BE NOT PROUD; CALL OF THE WILD; OLD MAN AND THE SEA; SCARLET LETTER; RED BADGE OF COURAGE; BRIDGE OF SAN LUIS REY; EXODUS; ETHAN FROME.

"Don't you see?"

"I trust your judgement implicitly."

"Well, it's this way."

"It's 'affect' instead of 'effect'."

# Gorham Crowd Roars Welcome To Champs

Weary Gorham High School harriers, still warming to the thrill of having captured the state Class M cross country championship at the University of Maine Thursday, received their biggest thrill near the end of a tiring day. When the two cars carrying the Ram runners stopped at the Westbrook exit of the Maine Turnpike here at 10 p.m., players and Coach Dean Evans were greeted by nearly 400 cheering Gorham townspeople who'd descended on the scene to honor the achievement.

Coach and players were hoisted to car tops in a triumphant parade to Gorham's town square. There manager John C. Olson Jr. introduced individual and Coach Evans for brief remarks before a steady ing audience while Police Chief Willis Carll did a commendable job of keeping traffic moving through square. Other speakers included Town Marshal Shute, School Committee chairman Audway 7 GHS Principal Charles Delano.

To wind up the affair, students, parents joined in a final parade past the Gorham College campus and back to the high school. Arranging the motorcade and reception school Athletic Boosters Club, spearheaded by Ward, president, and Mrs. John C. Olson, secretary.

FALMOUTH — Gorham High kept intact its record of never having lost a Cumberland County Conference title race by upsetting favored Falmouth High in the Seventh Annual Triple C Cross-Country Championship Run here Monday.

Dean Evans' Rams scored 37 points to 42 for Bob Clunie's host pack. Cape Elizabeth High and Buxton High tied for third in the twice-postponed classic, with 78 points apiece.

Gorham took a brilliant 8-1 record into Monday's title event but its lone loss had been to Falmouth in a dual run

here three weeks ago. The western Maine champion Morse High of Bath during the regular season.

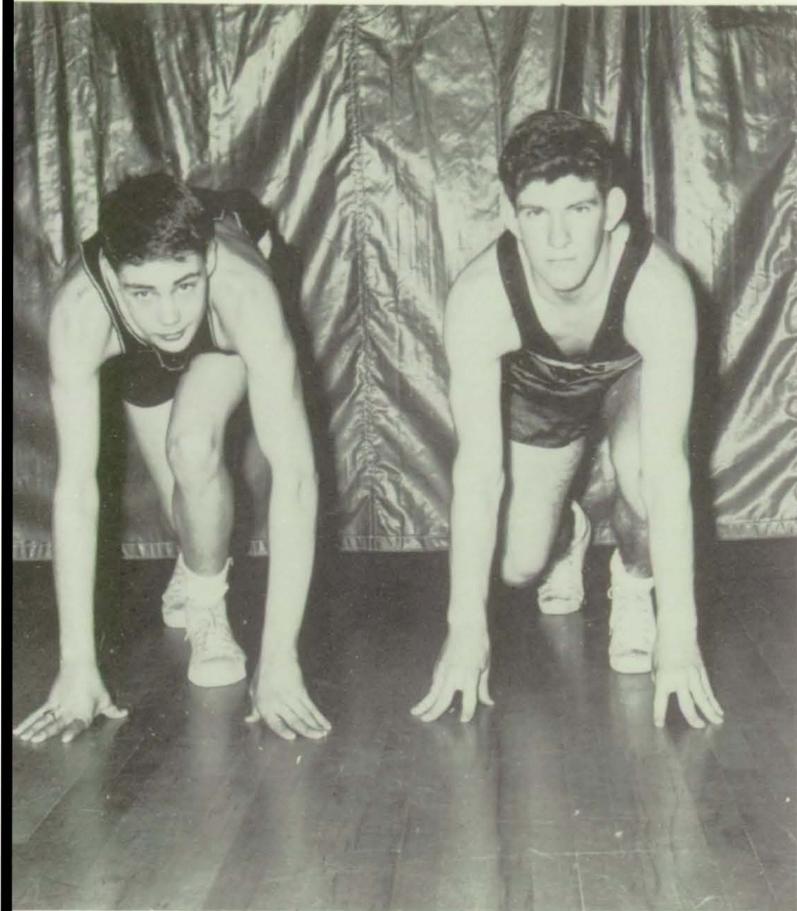

Gorham Capt. Glenn Belyea, beaten only by Don Verrill this fall, gained sweet revenge Monday. Verrill led for the first mile and a half. Then Glenn passed the Falmouth pacemaker and pulled rapidly away to win by some 30 yards. Falmouth sophomore Eddie Dunnell was just a stride behind Verrill at the finish.

Tune: "Now Is the Hour"

Oh Gorham High, we part from you this day.  
Soon we'll be going all our separate ways.  
Although we part, our hearts shall linger yet  
On friendships true we've shared and won't forget.  
Lessons for life we've learned from teachers here—  
Ideals to lead us through the coming years.  
Although we part, our hearts shall loyal be  
To our alma mater, true, eternally.
