THE

PROLOGUE

In publishing the **Schola**,
we have tried to manifest the
unique and familiar characteristics
of which Gorham High School is comprised.

These characteristics, taken from all the
facets of "Gorham Life," have moulded
the lives of students, faculty, and
administration into an integral spirit
which is constantly striving for the betterment
of selves, school, community, and nation.

Within these pages of the **Schola**,
we have attempted to reproduce this
way of life pictorially and in writing.
It is what we have seen and felt to be true.

On behalf of the graduating class and the entire Gorham community, the **Schola** Staff dedicates the 1964 **Schola** to Mr. John M. Flight. Mr. Flight's loyalty to Gorham High School, his unending generosity, his enthusiastic vitality and unparalleled friendliness have endeared him to the students and the faculty of Gorham High School. He has been adviser to the Key Club, active in the Athletic Boosters and prominent in the American Field Service program.

ACTIVITIES

Student Life

Buenos dias: Kathy Martin showing Maria Aza, our foreign exchange student, around the school.

The 1963-64 school year began on September 8, 1963, the first day of school. Maria Aza, known to everyone as Coco, arrived from Puno, Peru, and was shown around by Kathy Martin, her big sister. Some of the students found it hard to get back in the swing of things after a summer of working, beach parties, and trips to Old Orchard and Serenity Hill. However, after a few weeks, things finally settled down to a so-called normal.

Z-z-z! Herbet Tyler, Jeff Stevens, and Rudy LaBrecque at one of Jeff's slumber parties!

Take a bow: Walter Young, Herbet Tylor, Alan Mann, Lincoln Gilman, and Cheryl Gordon represented the school at Boys' and Girls' State in June 1963.

Click-click! Senior typists perfect their skills. Seated front to back, left to right are J. Jones, D. Hamilton, D. Laskey, S. Borge, S. Metayer, M. Morse, R. Libby, and J. Folsom.

Hello, Judy? Get off the phone, Lyle!

While the Freshmen were welcomed at the Freshman Reception on September 13, the upperclassmen settled down to their old haunts of previous years. The Paperback Book Store and the phone in the hall were well-visited spots before and after school and during lunch period.

During October the 32 clubs reorganized and money-making activities were planned. Food sales, car washes, bottle and paper drives, and dances were held. Among the many fall dances were the Miss Page One Ball, on September 20,

when Sandra Parker was crowned as Miss Page One; the Sophomore Dance, October 11; the F.H.A. Dance, October 18, and the N.H.S. Dance, October 25.

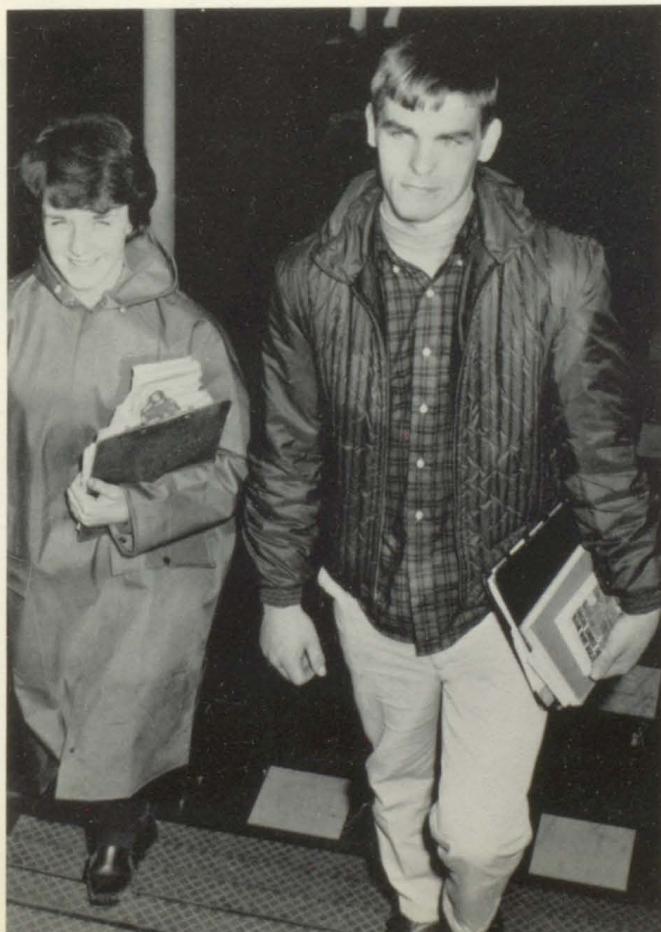

On October 26, 72 seniors and juniors attended the Dave Astor Show. Highlights of the evening were a commercial done by our singing cross country team, pantomiming done by the show's regulars accompanied by our own pros, and a cow!

Stack 'em up!: Edward Riley demonstrates another side of Gorham life with his job in the cafeteria.

Paperboys!: Stanley Keelwetter and Louis Croce deliver the school's paper every Monday morning.

No mooning in the halls!: Pam Norton and Erwin Williams on their way to their lockers.

On October 17 Mrs. Pease and 20 of the high school girls challenged the J.V. cross country team to a meet. The entire school recessed to watch the boys trounce the girls.

"Gorham Life" is not always as carefree as some people might think. Many of the students work in their spare time as waitresses, bundle-boys, gas station attendants and baby sitters. Some are doing it to help out at home, while others are saving for a new car or a college education.

"Riffin' the Blues," Gorham style!

"Tex" Tyler, "Petunia" Chandler, Martin "Oglethorpe," Terry Hadlock, and "Wally-lou" Young at the Cape Rally.

On October 31 the cross country won the state meet. Approximately 200 students sent them off and welcomed them home with rallies. The first rally at the gym ended with a dance, while the second one ended up with a triumphant run through the streets. Robert Tapley, the winner of the State Class "M" Meet, was chosen Mr. Gorham High at the Cheerleaders' Dance on November 1.

On November 15 the Dramatics Club presented **Her Majesty Miss Jones**. Members of the cast were Cheryl Gordon, Carol Robinson, Thomas Emery, Jeannine Bent, Paulette Grondin, Paul York, and Kenneth Sewall. (Oh, that pale-green negligee!)

The basketball season got under way on December 3, when the mighty Rams defeated Windham. The reactivated Pep Squad, led by Bonnie Bruton, was there in full force. The annual Cape Elizabeth rally was held on December 6, and our basketball players dressed as children participating on Terry Hadlock's House Party.

Cynthia Kinney: a typical fan!

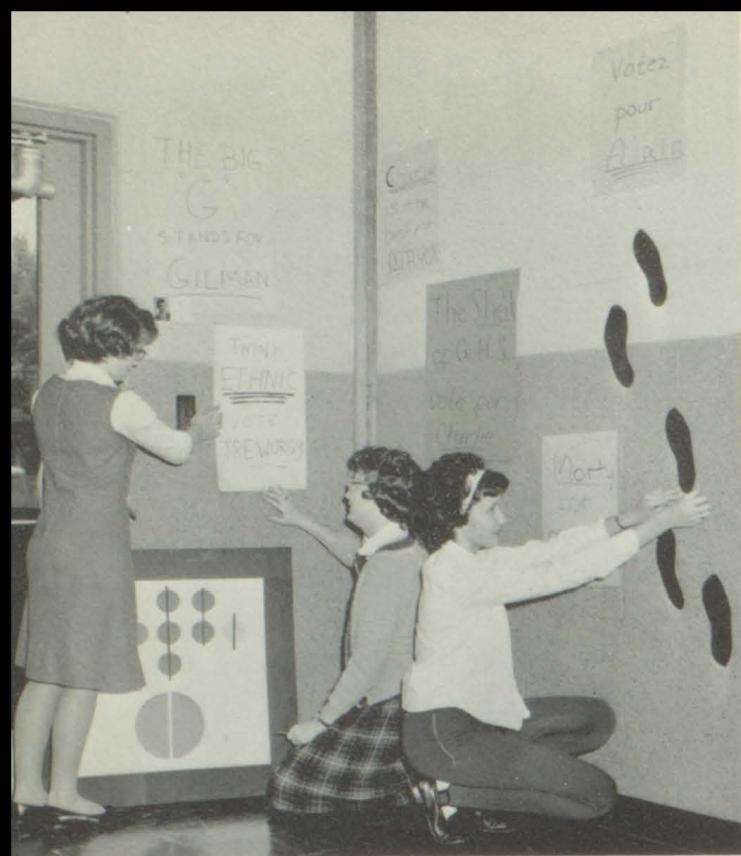

Whoops!: Paul York, Jeannine Bent, and Caroline Robinson rehearse for the Dramatic Club play.

Robert Tapley was chosen Mr. Gorham High at the cheerleaders' dance November 1.

The Pep Squad in action!

What is going on here? Margaret Taylor, Mary Felch, and Susan Anderson put up posters for the mayor campaign.

The mayor campaign began on November 10 with the following students chosen as candidates: Lincoln Gilman and Charles Whitten, seniors; John Lyle and John Treworgy, juniors; Dennis Morton and Alan Burnell, sophomores; and Eric Sawtelle and Henry Bachelder, freshmen. After a week of skits, posters, and free lollipops, Charles Whitten was selected mayor. A dance in his honor was held

The Sheik of Gorham High!: Charles Whitten, Sarah Morton, Rudy LaBrecque, and Carl Peterson in one of the mayor skits.

on November 16.

On December 11, 40 seniors journeyed to Portland and took College Boards and the S.A.T.

Gorham High School adjourned for the Christmas vacation on December 20. Many of the students attended holiday parties and went Christmas caroling. Ice skating and skiing were popular pastimes also.

Got a Match?: David Graham, Rudy LaBrecque, Raymond Charest, Robert Tapley, and James Greer stop at the smoking area on their way to school.

Silent Night?: Members of the M.Y.F. went caroling during Christmas vacation.

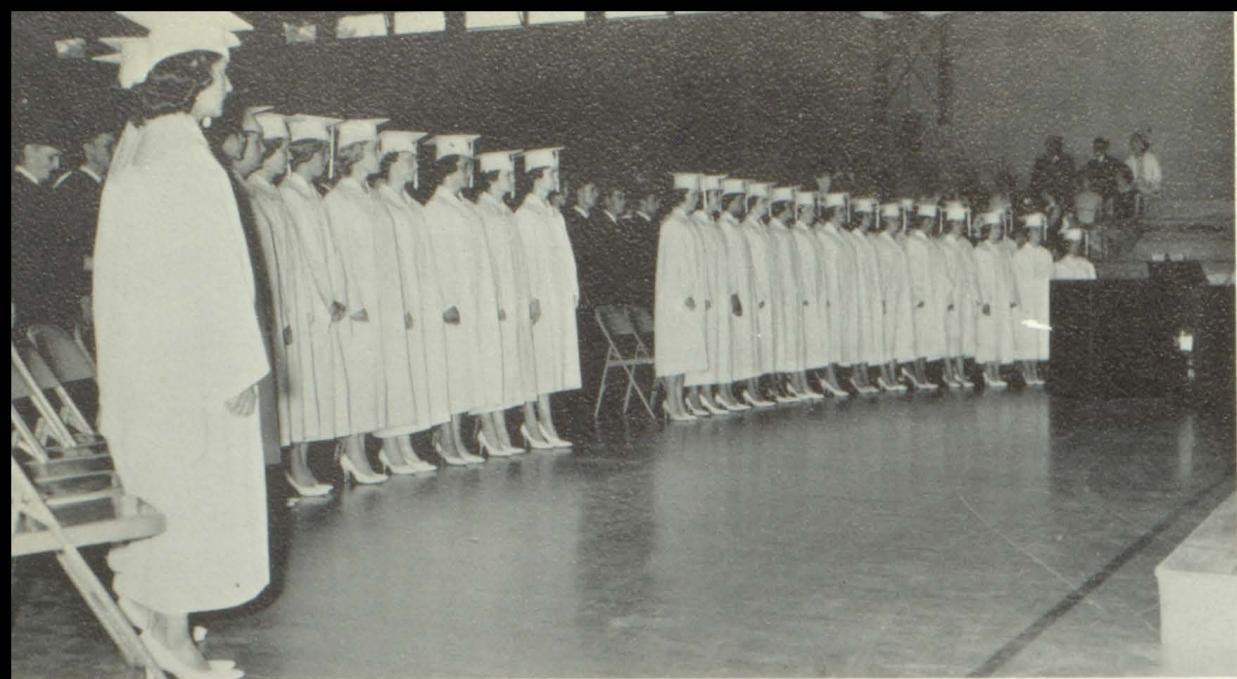

Isn't it a crying shame!: Mike Webb mourns Scarborough's Haigis at a basketball rally on January 10.

Snow Fallies!: Paul Wagner has his ups and downs at the new Kiwanis Ski Tow.

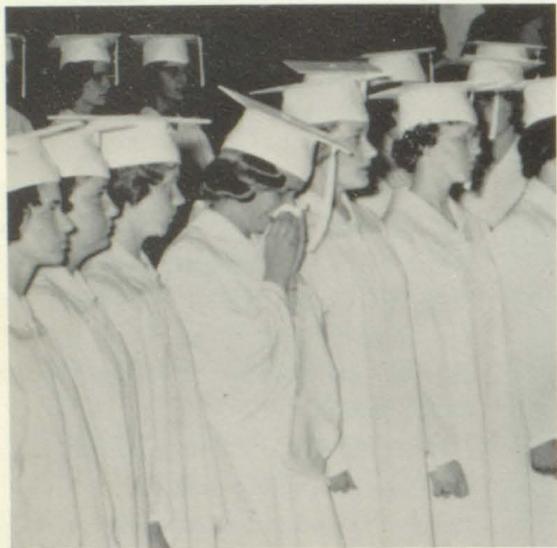

Mush!!: Sara Chandler, Benjamin Kreiton, Susan Carr, Margaret Taylor, Jeff Stevens, Diana Waterman, Joann Morton, and Mike Webb go for a ride at a toboggan party.

Sober up, fellas!!

A moment of sadness.

THESE MOMENTS TO REMEMBER: Eighty-three seniors marched down the aisle to the beat of "Pomp and Circumstance" in the Gorham High Gymnasium June 13, 1963. Dr. Dana Cotton, of Harvard University, was the speaker, and awards were presented by Principal Charles Delano. Elmer Dodge, president of the Gorham School Board, gave out the diplomas.

The Junior-Senior Prom, "Apple Blossom Time," was held on May 24, 1963. Syd Lerman and his orchestra provided the music. The gym was decorated with a false ceiling, swings, and an arbor and stream covered with real apple blossoms. Many of the students attended parties afterwards making this really a night to remember.

Graduation

Forward . . . march!

Congratulations, Stig.

ATHLETICS

Cross Country

With many returning lettermen this year, Coach Dean Evans had one of his strongest cross-country squads ever at Gorham High School. Winning seven regular school meets and running their winning streak to 34, they also included an impressive win over the Bowdoin Frosh in their schedule.

Gorham defended its three championships of the previous year by taking the Southwestern Maine and State Championships.

Gorham placed fourth in the New England meet, which is an excellent showing and has not been bettered by a Maine school in 15 years.

Although the team will lose the services of 4-year veterans Barry Belyea, Robert Tapley and William Dane through graduation, there are many fine prospects in underclassmen which promise a good team next year.

Bob puts it in overdrive!!!

Crowd Welcomes Champs

Approximately 200 students journeyed to Orono on October 31st to watch the mighty Rams win the State Class M Cross Country Championship.

The weary harriers were welcomed home on Halloween night by nearly 200 people at Mister G's parking lot. The players were hoisted on shoulders and paraded around the parking lot. Then the students ran victoriously through the streets ending up at the high school.

Field Hockey

The Gorham High School Girls' Field Hockey team, coached by Miss Clark, the girls' physical education instructor, completed its season with a two win and three loss record. The two wins came from a 3-2 victory over Scarborough and a 4-0 score over Gray-New Gloucester. The girls were beaten by Cape Elizabeth, Bonney Eagle and Scarborough.

Bonnie Bruton, a left wing, was chosen to play in the All-Star reserve game at Wilton November 9. The players who participate in this event are chosen by the referees and game officials throughout the hockey season.

Field Hockey is not a recognized sport at Gorham; therefore, the team members do not earn varsity letters.

Soccer

The Soccer team this year put up a fine defense of the Triple-C championship it won the previous year. They closed the season with a fine 7-4-1 won, lost and tied record as compared to Scarboro's 8-2-2 record and Cape Elizabeth's 9-2-1 record.

The Gorham team took third place in a Triple-C league against such teams as Yarmouth, Gray-New Gloucester, Falmouth, and Bonny Eagle.

One of the main reasons for the fine season was the great defensive team led by goaly Horace Fogg and Co-captain David Martin.

The offensive punch was provided by Co-captain Peter Chandler, Herbert Tyler, Ronald Gartley, Timothy Libby, Erwin Williams and Daniel Campbell.

Although the team will be hit hard by the graduation of many of the starters, the enthusiastic turnout of players as well as the turnout of fans this year leads Gorham High School to regard its soccer team as continually a Triple-C threat.

Varsity Basketball

The pre-season prospects for Gorham High basketball looked a little dim. With only the second string of 1963 returning, not many thought that Gorham could live up to last year's outstanding team.

Gorham High's Rams started off the basketball season by turning back Windham, 63-61. After dropping the second game to Cape Elizabeth by 4 points, the Rams took to the road and beat St. Ignatius in an overtime, 53-51. The Rams took a 41-33 win from Bonney Eagle, and defeated Windham again, 55-42, before beating Falmouth 66-49.

After losing games to Camden and Scarborough, the Rams returned from the long Camden trip only to be turned back in a close and hard-fought battle by Yarmouth.

Then, the Rams trekked to Scarborough to match the undefeated Indians.

Now, look here, get in there and fight like—!

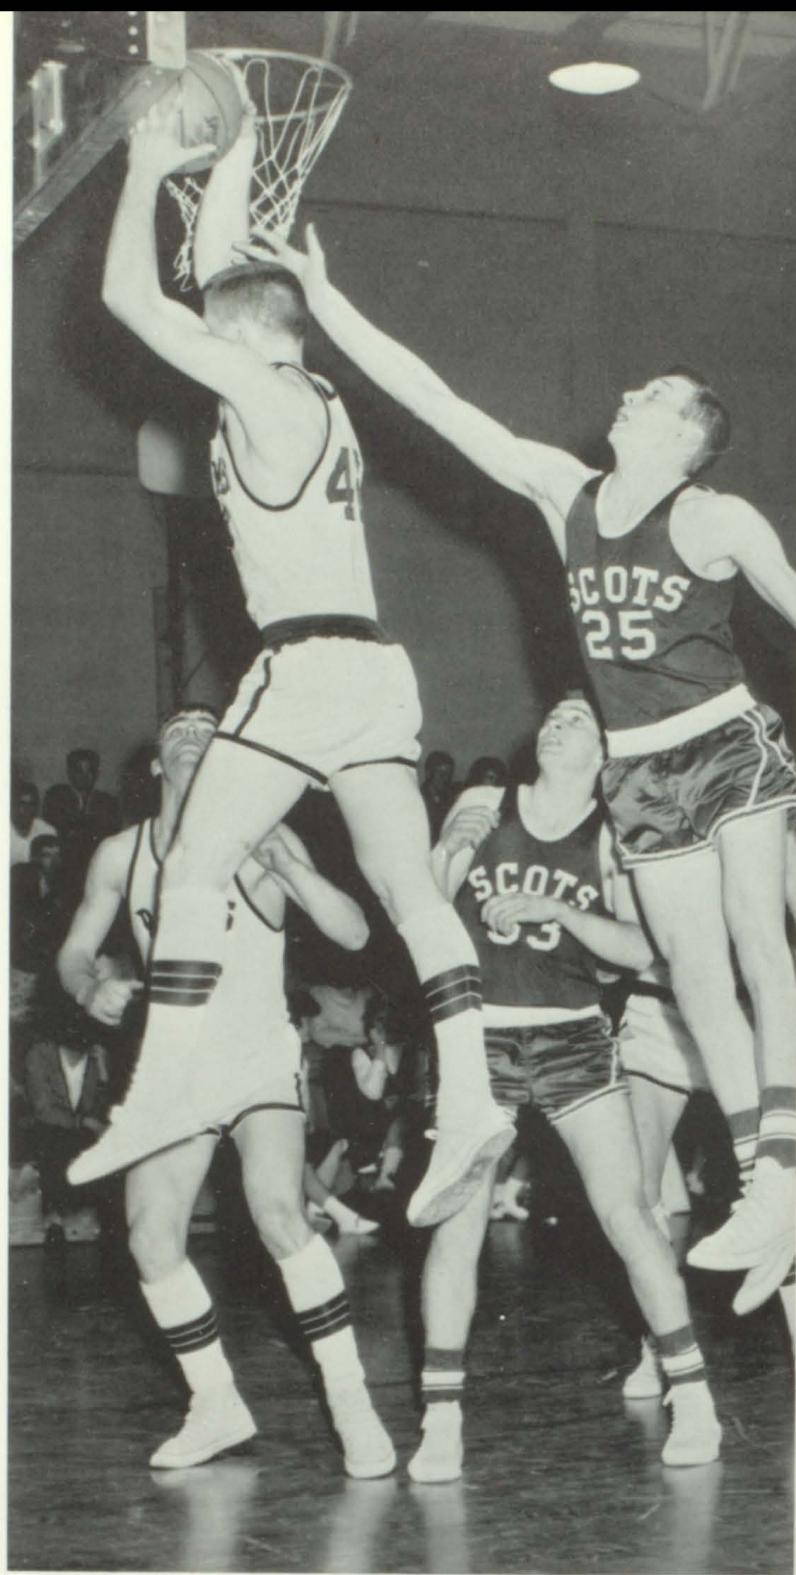

The Bear dribbles on!

The Rams defeated the Indians 57-54 in one of the most spectacular games of the season.

The Rams left the Old Orchard game with a 7-4 record and a 58-55 hard-fought victory. After losing five games in a row, the pace picked up when Gorham finished with outstanding team coordination to trounce Camden 68-63.

Rams Win Berth in Tourney

Gorham entered the tournament with a losing record 8-9 against the strong and undefeated Winthrop ball club. On even terms with the Rangers in the first half, the Rams couldn't seem to find the basket in the second half, while Winthrop couldn't miss. Although the Rangers came out on top 69-41 due to experience, height and accuracy from the floor, the Rams had nothing to be ashamed of. Gorham's tremendous effort was led by the defensive side in securing rebounds from Winthrop's taller starters.

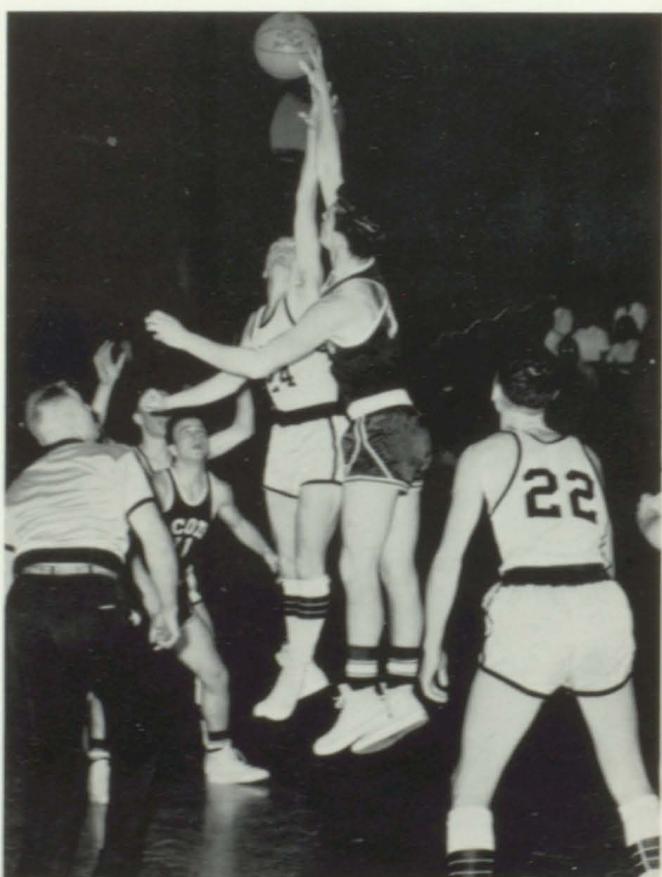

Foul shooting plagued Gorham all year and was seen as a factor in many of the close defeats.

After the team had been revamped halfway through the season, Coach Evans used many of the underclassmen in starting positions with a zone defense, switching to man-to-man guarding when necessary. The experience gained by these underclassmen should lead to many future tourney berths for the hard-fighting Rams.

Despite the outcome of the last five games of the season, there was always a fine team effort which made the games interesting to watch to the final gun. This outstanding team effort and determination with the "never-say-die" attitude was the winning margin in many of Gorham's victories.

The unique cheerleading method which they learned roused the fans' enthusiasm. They also put on eight rallies.

The Junior Varsity Basketball Team had one of its finest years ever at Gorham High School. Coach Beedy's Rams finished with a 10-5 win-loss record as they showed well-balanced offense and defense. Led by Terry Hadlock, a sophomore with an average of 14.2 points per game, and newcomer Martin Magnuson, also a sophomore with a 12.7 average, the team gained valuable experience for varsity duty next year.

The team also benefited from the fine scoring and rebounding of Blaine Miller, Robert Gould, and Philip Scribner, juniors; Alan Burnell, Peter Hooper, Michael Gilman, John Scholl, Dennis Morton, and Stephen Strout, sophomores; and James Good, Peter Panarese, Lance Merrifield, Robert Cannon, and Henry Bachelder, freshmen. Ronald Gartley, Howard Doucette, and Stanley Keehlwetter were the managers.

One of the highlights of the season was an unexpected win over Scarborough, 66-50.

Varsity Basketball

By the combined work of Sarah Morton, Susan Morton, Nancy Kreiton, Ardyth Martin, Mary Ann Farrington, Joann Morton, and the other members of the girls' varsity basketball team, the squad ended the season with a 6-4 record. The decisions of the Cape Elizabeth and Falmouth games were made by one point in their favor, but the Scarborough team was defeated 45-17. The high scorer for the team was Nancy Kreiton with a total of 157 points for the ten games. She was followed by Sarah Morton. The Morton twins were chosen to play on the All Star Team at King Junior High School in Portland. Susan Morton was also foul-shooting champion of Gorham High, sinking 30 out of 35.

Judith Morton was the manager and Cynthia Graves and Cheryl Gordon were scorekeeper and timer. The team, coached by Miss Ann Clark, bettered the standings of last year with a powerful zone defense whenever necessary, switching to man-to-man.

Other team members were Martha Gunter, Barbara Deering, Constance Felch, Karen Jensen, seniors; Joann Morton, Sandra Day, and Sally Buck, juniors; and Diane Elliot, a sophomore.

J.V. Basketball

This year the girls' J.V. team was led to a 5-5 season by co-captains Donna Martin and Christine Weisman, along with teammates Virginia Creswell and Carol Carmichael.

The season was ended with a hilarious victory at Yarmouth, set off by a backward trick shot of Virginia's which went in!

One of the main reasons for success this year was the good sportsmanship and strong teamwork which was present in every game, won or lost.

Despite being an "accident-prone" team, the girls deserve praise for the hard work and determination shown by all.

Other members of the team were Maria Aza, senior; Jacqueline Parker, Ruth Sands, and Diane Wight, juniors; Margaret Taylor, a sophomore; and Jeanne Kimball, Carol Wicks, Nancy Day, and Mary Honan, freshmen.

1963 Baseball

The Baseball team at Gorham High School last year set a 5-6 win, lost record in a year that was termed a "building year" by Coach Richard Beedy.

Among the team members that added a fine offensive punch were Wayne Coffin, Terry Hadlock, Peter Chandler, Kenneth Knapton and Alan Wentworth. Chandler, Knapton and Wentworth were also outstanding in the field.

Thomas Darby, Mike Webb, and Horace Fogg represented the backbone of Gorham's pitching unit last year. Richard Leonhardt, Peter Hooper and Robert Gould also saw some pitching action and will most likely be mainstays on this year's team.

The Triple-C league offered many tough baseball teams, and the experience gained last season leaves Gorham with many returning veterans this fall.

1963 Track

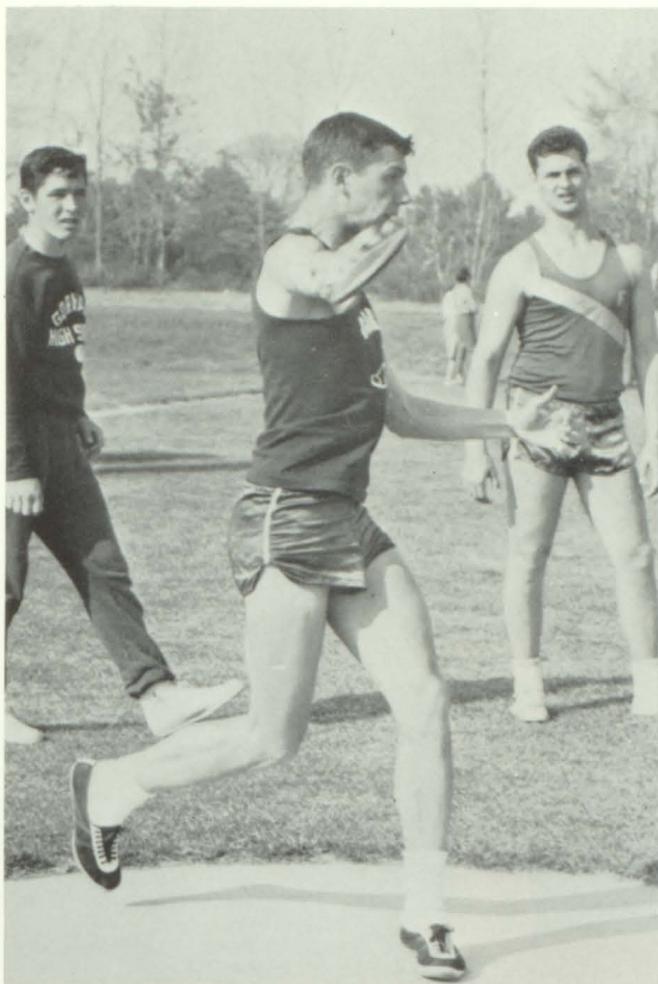

Gorham's track team last year sported a 3-3 win, lost record and took third place in the Triple-C track meet held at Bonney Eagle. The season was sparked by the fine performance of Stephen Watts in the 440. He lowered his own record from 52 seconds to 51.5 seconds and remained undefeated in the 440 yard run. He also lowered his own record in the 220 yard run from 23 seconds to 22.7.

The members of the team that placed the most this year were Erwin Williams in the shot-put and discus, Walter Young and Martin Shiers in the high jump, Mike Gilman in the javelin, Stig Ammentorp in the broad jump, Barry Belyea in the mile, Stephen Watts in the 440 and 220, William Dame in the mile, Franklin Burnell in the 440, and George Dame in the two mile.

Promising freshmen such as Mike Gilman and Mike Towle, plus the return of many veterans, shall provide Gorham with a fine team next year.

1963 Softball

The 1963 Softball Team, coached by Miss Ann Clark, had a very successful season with a win-loss record.

The team members are Barbara Deering and Sandra Parker, seniors; Bonnie Bruton, Nancy Kreiton, Brenda Gagnon, Sara Chandler, Sally Buck, Mary Ann Farrington, Ardyth Martin, and Margery Mann, juniors; Diane Elliot, Susan Campbell, Terri-Lee Bruno, Jo Anne Furman, and Donna Martin, sophomores, and Glenna Simpson, who graduated last year.

Gorham had a 3-3 season. They beat Bonney Eagle, 20-18; Scarborough 48-12; and Cape Elizabeth, 22-18. They lost to Scarborough, 20-14; Bonney Eagle, 18-17; and Cape Elizabeth, 10-5.

With the loss of only one team member, the Softball Squad should have a good season this spring.

Intramurals

This past year, Gorham High School provided an Intramural program. This included basketball, the trampoline, and weightlifting. The program was under the direction of Richard Beedy, boys' physical education instructor.

The basketball program, for those boys not playing on the varsity or junior varsity teams, was set up by dividing the boys into four teams. These teams were the Go-Team captained by James Greer, the Whites captained by James Cargill, the Maroons captained by Ronald Gartley, and the Chinese Bandits captained by Robert Tapley.

The standings at press time were as follows: the Maroon team (4-3), the Chinese Bandits (3-4), the Whites team (4-3), and the Go-Team (3-4).

Those not playing were either in the weight room lifting weights or on the trampoline.

Rebounds, boys!

Hurrah, hurrah for Gorham High School and shout once more.

Faculty . . .

Many students attending Gorham High School do not realize that teachers are trained to help students, not to torture them. Teaching is an interesting and rewarding profession. The teachers at Gorham High School have given the students a chance to better themselves in many different fields. At the present time, there are 28 teachers who have made possible such subjects as the languages, histories, sciences, mathematics, business, physical education, industrial arts, agriculture, home economics, drivers' education, music, and guidance. We appreciate the fine work they have done in trying to prepare us for the vast world around us. They have worked hard for the accreditation of our school and we should be proud and honored to have such a fine faculty.

A black and white cartoon illustration. On the left, a large elephant is shown from the side, facing right. It has a large trunk and is standing on a grassy area with small palm trees. To the right of the elephant, a small, simple-drawn figure of a person is standing, looking up at the elephant. The figure has a large head and is wearing a patterned shirt. The background is plain white.
