The end of the summer and the beginning of school. . . September 1970 arrives at Gorham High along with exciting ideas. . .

New faces. . . Walter. . . he came all the way from Germany to be with us this year. . .

Different classrooms. . .

Right away the school becomes involved in class and senate elections...

Gorham High students and runners... moving through this fall towards many different goals...

Another season of cross-country . . . fun and games and competition and anxiety.

Pouting won't help fellow. Gorham's going to win!

Finally, here's the winning team — getting in shape for the big state meet.

Two members of another winning team . . . concentrating hard during a game.

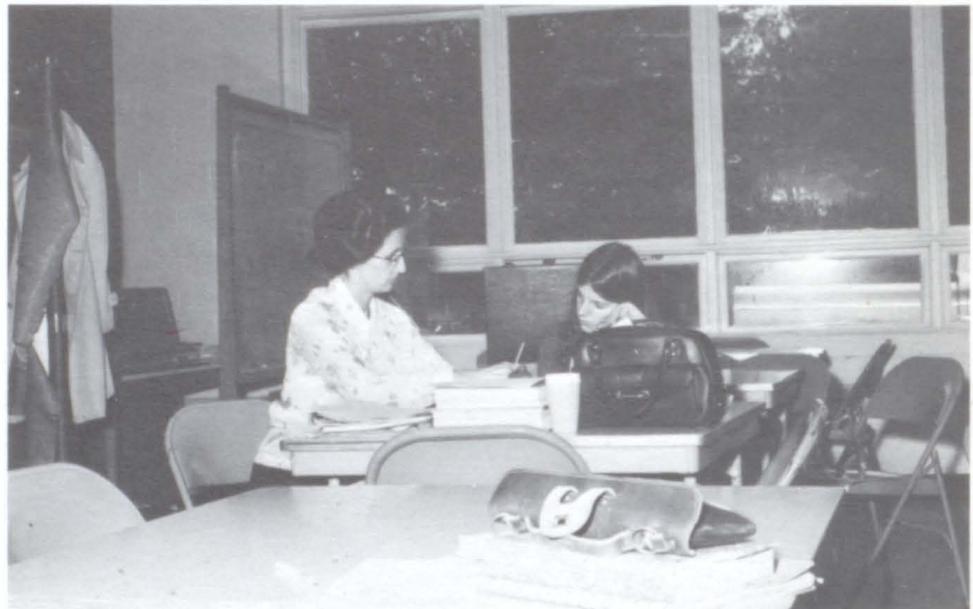

Finally a show of enthusiasm for the great fall seasons of both Gorham High teams.

Clickety-clack, thump, thump. Every afternoon and during study halls, the diligent computer buffs program on . . .

This year some of us enjoyed a new form of recreation after school . . . chess. . .

While others didn't necessarily enjoy — They just concentrated.

Then, of course, there are times (like Friday afternoon) when we all concentrate on one thing: getting out that school door *fast*.

Ummm . . . maybe before we escape through that door we should take the time to think about a few other doors — doors that are closed to certain people because of their sex, color and economic or educational background. Perhaps we ought to spend some time opening some of those doors.

GHS students receive a few somber thoughts from a former member of the U.S. military complex. . . and from other sources too. . .

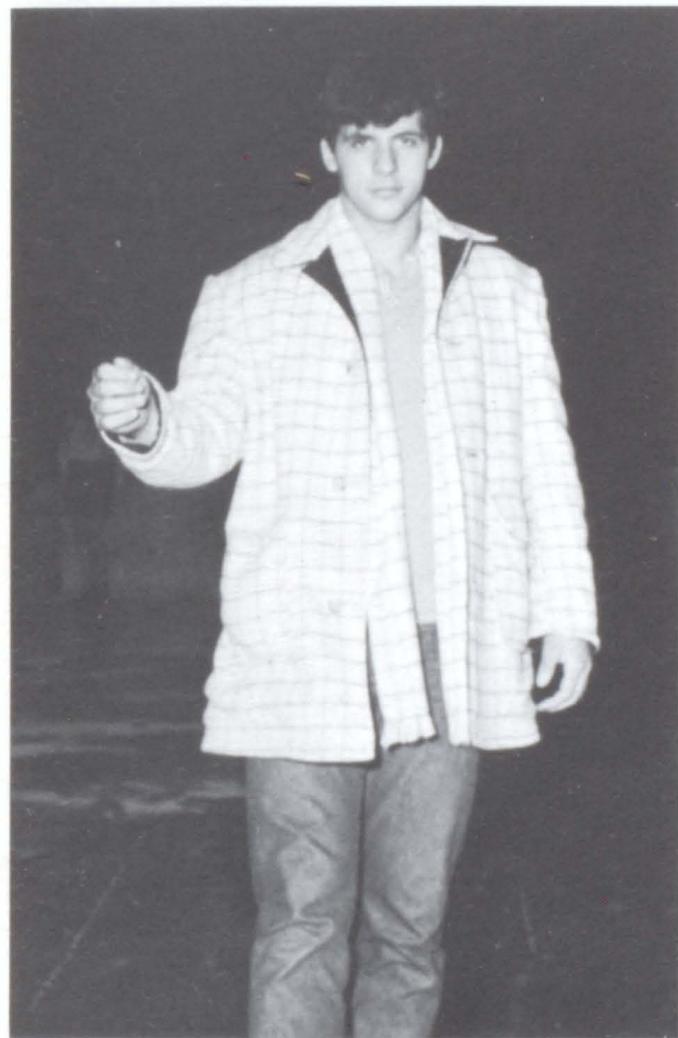

As the year progresses, we absorb a little culture. . .

November. . . Mayor skits. . . didn't these clowns learn anything about grace from watching that dance group on the other page?

The outcome of the mayor campaign. . . congratulations, Dave! Barely a week passes. . . the newly elected mayor crowns Miss Page One.

We move towards the end of 1970. . . and the basketball season turns out to be one of the best.

Here are the J.V. cheerleaders, instilling some spirit into the fans.

Let's not forget the girls or the eighth and ninth graders. . . their teams saw plenty of action this year, too. . .

The scoreboard. . . and the end of a great season . . . Triple C champs and the Tournament.

The long, hard winter continues . . . and Gorham High School enjoys some invigorating romps in snow during Winter Carnival Week.

Even Mr. Dugas joins the fray, helping the Seniors cheat a little bit during the tug-of-war.

February follows January . . . half the school shows up at the Portland airport to wish Paula luck and see her off to her destination — Brazil.

Time relentlessly moves on . . . and finally, we say another good-bye . . . to snow, ice, winter . . .

And hello... to brisk spring winds...

A sure sign of spring around Gorham: the many rapt faces at the A.F.S. fair...

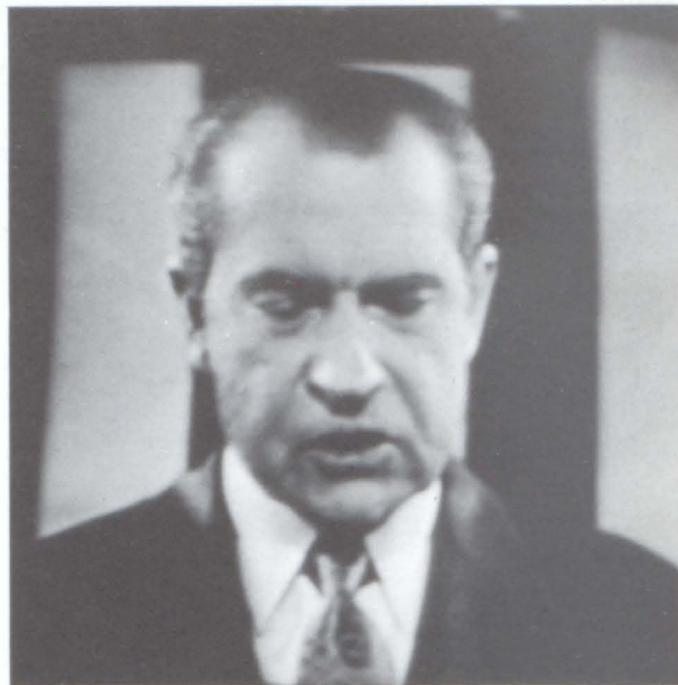

Here's small slice of some of the virgin wilderness around Gorham...

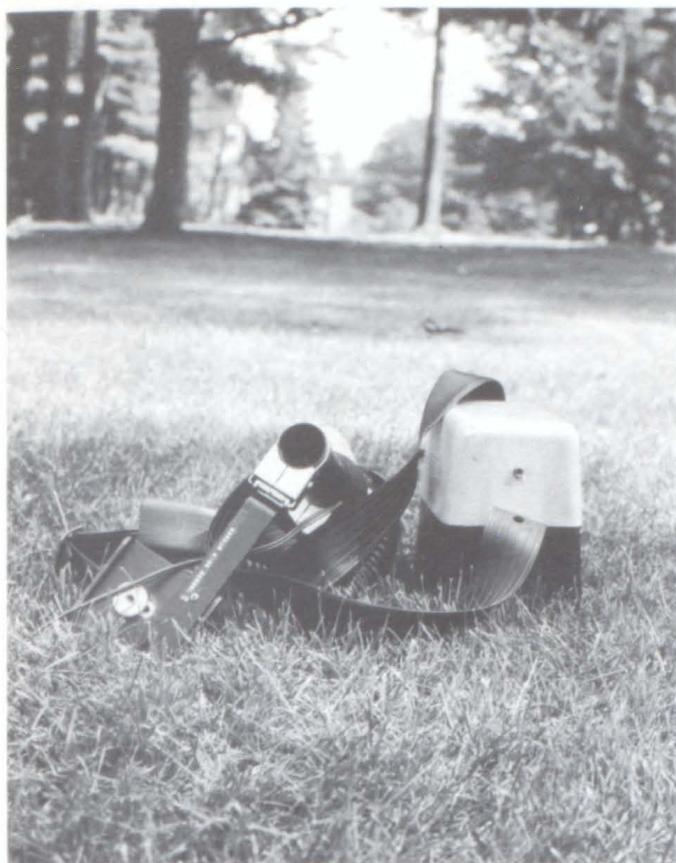

Gorham students can appreciate the nature around them... without any other dubious attractions like oil slicks.

Remember last spring? Cambodia . . . Let's hope this one goes more smoothly . . .

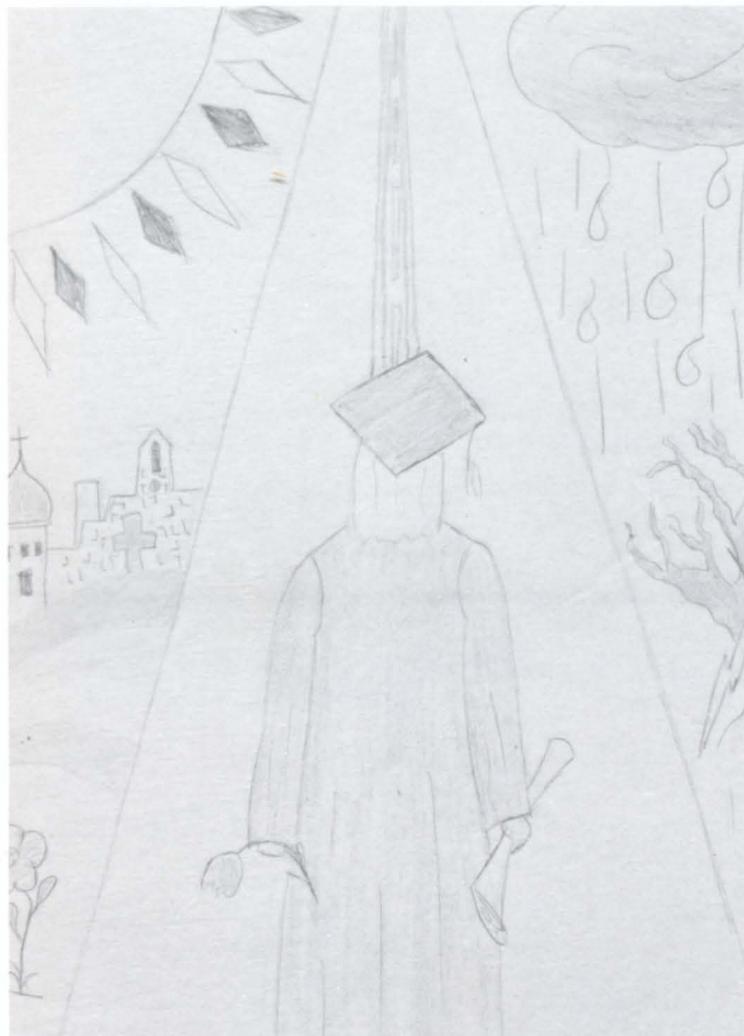

with wholesome, familiar pursuits like playing baseball and dragging out old sneakers and breaking in new ones . . .

Or better still, why not run barefooted through acres of green grass until we've enjoyed our annual trip to Beverly, danced all night at the prom, and, finally, reached graduation day?

Yes. . . graduation. . . an ending and a beginning. . .

# athletics

We remembered only too well the disappointments of previous endeavors — near misses in soccer and cross-country, a torturous yet extremely valuable winter of defeat and dejection, and some bad bounces and costly injuries in baseball and track. Despite a burning desire for success, we began to realize the value in learning how to lose. The result? We point to an unprecedented string of victories and an impressive display of trophies. These are accomplishments that may never be matched. The true "Victory" lies elsewhere, however. We can't take those trophies with us when we leave, but we have something more important. We go with the knowledge that a close-knit bunch of athletes — athletes who made up for any lack of ability through spirit, determination, and teamwork — was concerned more with doing their best than winning or losing.

The addition of the eighth grade to Gorham High meant the addition of three more titles to the Ram's long list. The Frosh combines compiled records well above the .500 mark in every area of competition. Together, these two classes make the future look good for Gorham's athletics.

# FIELD HOCKEY

This was Gorham High School's first year in interscholastic field hockey. For a first year, the girls did not do too badly. They tied two games and lost six.

Gorham	1	Scarboro	1
Gorham	0	Bonny Eagle	5
Gorham	0	Falmouth	2
Gorham	0	Cape	5
Gorham	0	Cape	6
Gorham	1	Scarboro	3
Gorham	1	Bonny Eagle	7
Gorham	1	Falmouth	1

Let's hope that field hockey becomes a widely played game in this area because Gorham is getting better each year!

## J. V. GIRL'S BASKETBALL

The Girl's J.V. Basketball Team did not do too well this year. They had one win and seven losses. The girls, however, show good hope for next year.

Gorham	9	Scarboro	29
Gorham	11	Cape	16
Gorham	11	Windham	35
Gorham	9	Bonny Eagle	8
Gorham	15	Scarboro	32
Gorham	21	Cape	25
Gorham	13	Windham	61
Gorham	26	Bonny Eagle	28

# *Gorham's Thinclads:*

For the fourth time since Mr. Evans took over the reigns fifteen years ago, the Cross-Country team ran to the state title. Previous to this honor that saw them nab the number one qualifying spot for the New England meet from Maine, the Ram harriers easily captured the Tri-C and Southwestern Conference showdowns. There were outstanding performances by several of the runners, but it was the spirit and desire of each and every team member that accounted for the necessary depth. It was absolutely essential that a member at the "top seven" perform to his fullest lest he be replaced by any one of several eager back-up men. The only possible result was a continuance of what is undoubtedly one of the most successful Cross-Country traditions in Maine schoolboy history.

Maine Sunday Telegram, November 15, 1970

# *Being Best Is No Accident*

Soccer Jackpot

# *Players, 'Book Coaching' Win For Gorham Combine*

For the first time in Maine's short soccer history, a State Tournament was held. Maine's first became Gorham's second, as Mr. Stevenson led his team to a perfect 18-0 card, capped off by a 1-0 thriller over Waterville in the finals. A team that originally took shape six years ago during Shaw Junior High's first year with a soccer team was responsible for this ultimate success. Though talent was obviously in abundance, it was excellent teamwork that carried the booters to victory. It was also crashing into goal posts while diving for well-placed shots and out-hustling an opposing player to keep the ball in bounds. As with all team sports, we must not forget the roudy bench whose shouts of encouragement unceasingly echoed through the cold night air. Who will ever forget the spine-tingling excitement upon hearing the distant approaching sirens?

# VARSITY GIRL'S BASKETBALL

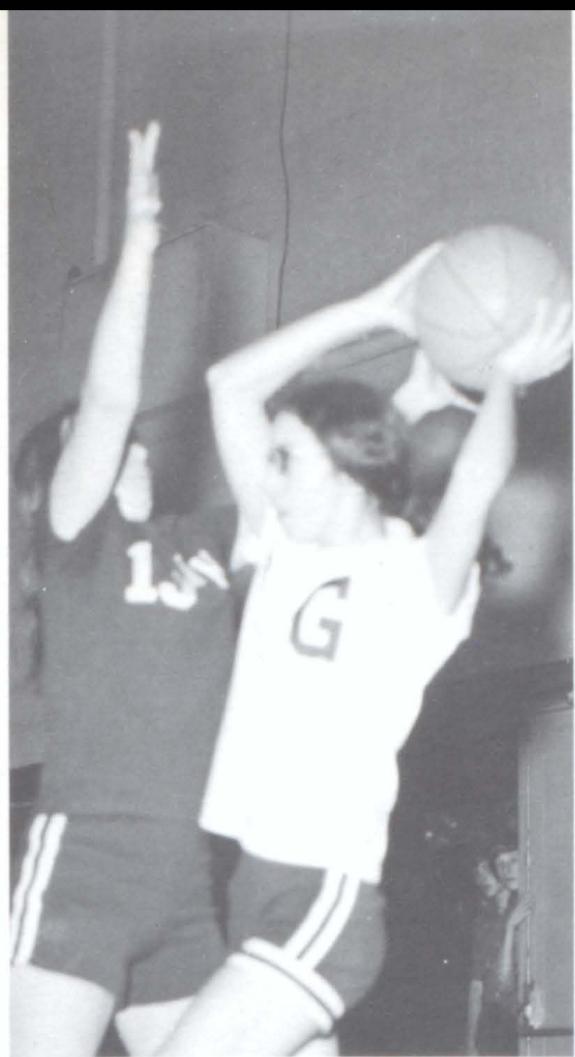

Although this year's girl's varsity did not do exceptionally well, it did have some good ball-handlers and good teamwork. The girl's only won one game, but tried very hard in every game.

The scores of the games were:

Gorham	24	Scarboro	30
Gorham	33	Cape Elizabeth	26
Gorham	22	Windham	61
Gorham	25	Bonny Eagle	31
Gorham	46	Scarboro	53
Gorham	25	Cape Elizabeth	31
Gorham	21	Windham	72
Gorham	33	Bonny Eagle	60

Next year Gorham girl's varsity should be one of the best, with only four seniors graduating and some exceptional J.V. and freshman players coming up. Good Luck!

# *Gorham Tips Scots Again*

Following last year's disappointing basketball campaign, the common attitude toward the sport this season was not one of confidence. Few, if any, expected great things from this supposedly weak and inexperienced team. However, personal skills improved, and this fact, coupled with the squad's determination and will-to-win, put the Gorham High School Ram's in possession of one more Tri-C trophy and the No. 1 spot in the Western Maine rating. In his second season as coach, Mr. Ridlon provided the encouragement and tactics that saw the team reverse last year's 2-16 record, including two tremendous victories over state champ Bonny Eagle. A disappointing semi-final should never overshadow the fact that Gorham wasn't supposed to be there in the first place.

# Gorham Dips Bonny Eagle In Triple C Feature, 63-60

GORHAM, Western Maine Class B pacemaker and champion of the Cumberland County Conference's B Division, scored its second thin-edged win of the season over runnerup Bonny Eagle, 63-60 at Gorham. The Rams nipped the Scots, 71-68, at North Buxton.

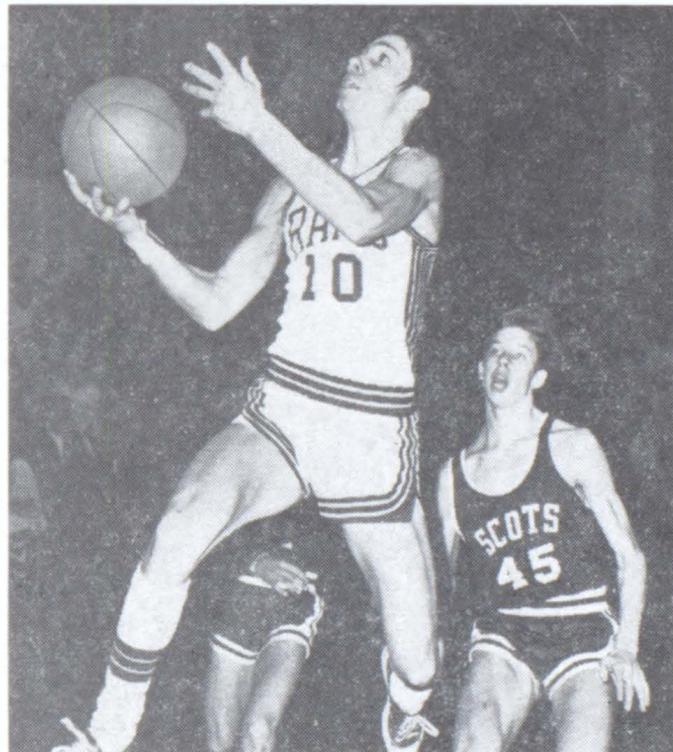

Last night's triumph was the 16th in 18 games for Coach Walt Ridlon's Gorham cluster.

## 7-5 MITTMEN LEAVE NUCLEUS

Behind the first-year coaching of Mr. Pettengill, the 1969-1970 baseball team ran up a fine 7-5 record. A high percentage of returning lettermen make the '70-'71 campaign extremely promising, as the Rams bid for yet another conference crown.

## TRACKMEN LIMP HOME THIRD IN TRI-C

Despite bothersome injuries to key men, last year's track team still managed a winning season, capped off by a very close third in the Triple-C at Westbrook. Under the direction of Mr. Swierzynski, many long, hard hours of practice paid off in the big meets at seasons end. Again, a strong contingent from last year's team provides the nucleus for another successful Spring.

Track was new last year and Gorham did very well. Let's hope that they can do better this year.

Triple-C Invitational was also attended: Donna Aikens, Gordean Trumble, Stephanie Trumble, Debbie Warren, Paula Hamblin, placed.

The 1970 team, coached by Mrs. Lorraine Jordan, had an average season with a record of two wins and five losses. The girls, even though they lost more than they won, put up a good fight to the very end. In girls' softball there is no varsity or J. V., just one big happy team!

*Your hearts know in silence the secrets of the days and nights.  
But your ears thirst for the sound of your heart's knowledge.  
You would know in words that which you have always known  
in thought.  
You would touch with your fingers the naked body of your  
dreams.  
And it is well you should.  
The hidden well-spring of your soul must rise and run mur-  
muring to the sea;  
And the treasure of your infinite depths would be revealed  
to your eyes.  
But let there be no scales to weigh your unknown treasure;  
And seek not the depths of your knowledge with staff or  
sounding line.  
For self is a sea boundless and measureless.  
Say not, "I have found the truth," but rather, "I have found  
a truth."  
Say not, "I have found the path of the soul." Say rather, "I  
have met the soul walking upon my path."  
For the soul walks upon all paths.  
The soul walks not upon a line, neither does it grow like a  
reed.  
The soul unfolds itself, like a lotus of countless petals.*
