A black and white photograph of a snowy landscape. In the foreground, there is a dark, textured surface, possibly a road or a path, leading towards a snow-covered hill. The hill is covered in patches of snow and dark, leafless vegetation. In the background, a dense forest of tall, thin trees stands against a bright sky. The overall mood is somber and contemplative.

THE MAN HE KILLED

“Had he and I but met
By some old ancient inn,
We should have sat us down to wet
Right many a nipperkin!

“But ranged as infantry,
And staring face to face,
I shot at him as he at me,
And killed him in his place.

“I shot him dead because —
Because he was my foe,
Just so: my foe of course he was;
That's clear enough; although

“He thought he'd 'list, perhaps,
Off-hand like — just as I —
Was out of work — had sold his traps —
No other reason why.

“Yes; quaint and curious war is!
You shoot a fellow down
You'd treat if met where any bar is,
Or help to half-a-crown.”

Dear Lord, in the battle that goes on through life,
I ask but a field that is fair,
A chance that is equal with all in the strife.
A courage to strive and to dare.

And if I should win, let it be by the code
With my faith and my honor held high.
And if I should lose, let me stand by the road
And cheer as the winners go by.

And Lord may my shouts be ungrudging and clear
A tribute that comes from the heart.
Let me not cherish a snarl or a sneer
Or play any sniveling part.

Let me take off my hat to the warriors
Who strode to victory splendid and high
Yea, teach me to stand by the road
And cheer as the winners go by.

CHORUS

With rehearsals being held during school, the number of chorus members has increased to approximately sixty. The chorus has participated in a music festival in the Warren Hill Gym and in the annual Christmas concert. The members are planning a variety show to be held in the spring, and there is a possibility of an exchange concert with a Cape Cod high school.

The Madrigal Singers and Men's Chorus, two groups designed to provide additional musical experience for some of the more advanced students, have participated in several concerts, including those at the Annie Carey Club Scholarship tea, in the open concept room and most recently, at the Christmas Concert.

PI-CONE MATH LEAGUE

MATH TEAM

The purpose of the math team is to involve students in an enjoyable, competitive math situation. Hopefully, this will encourage them in their pursuit of the subject. Students participate in six meets throughout the year and may score a total of thirty points at a meet. Bill Snow was this year's high scorer for Gorham.

NATIONAL HONOR SOCIETY

The National Honor Society has attempted to become more active than in the past. Through the initiative of NHS, Gorham High appeared on "High School Quiz" and won its four matches, losing only to Mexico High School in the final round. NHS sponsored a film-showing in December, only to be thwarted by a near-blizzard and a projector that almost incinerated itself.

Armed with cans of coke and many thousands of paper towels, Cathy Fraser and Judy Moxcey and their staff prepare for their long day's journey into night. After much paper eating by A.B. Dick and many broken fingernails, *Ramster* is done. They really have a lot of fun and surprisingly enough get a lot done.

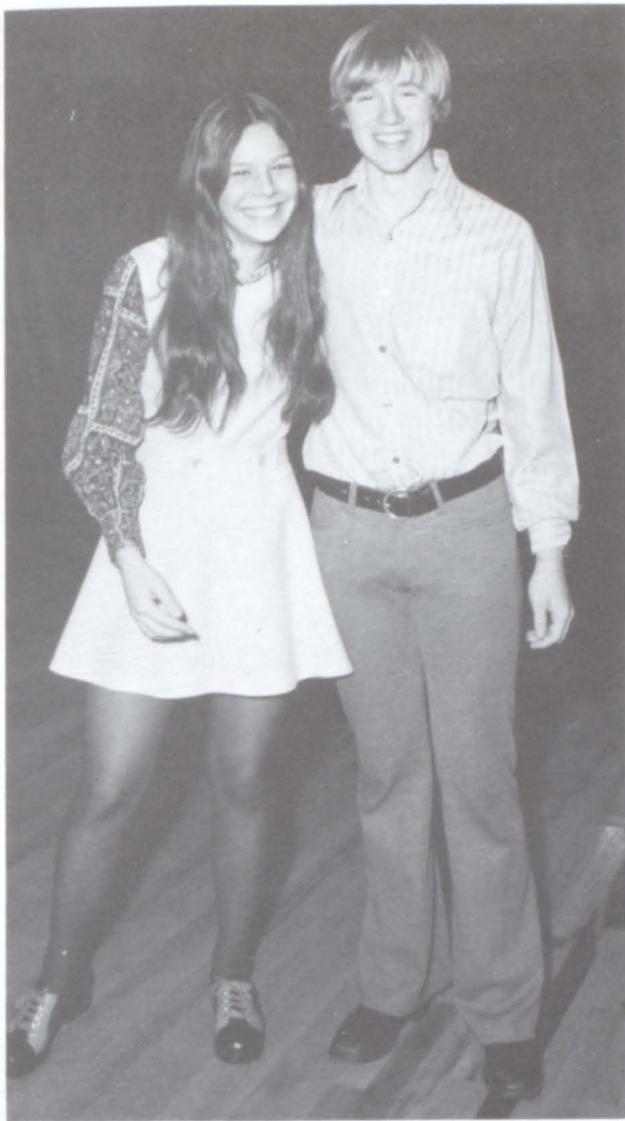

Cathy and Judy hope that enough of a change has taken place in *Ramster* this year to enable next year's co-editors to have as much successful fun as they have had.

SOCCER

NEW ENGLAND SOCCER CHAMPS

Over the past three years, the Gorham High soccer team has established itself as a major soccer power in Maine and New England. The 1970 and 1971 Rams won the first two Maine State Championships, and the '71 team also became New England runners-up, losing only to New Bedford in the finals.

With just four starters returning, Gorham's 1972 campaign started gloomily with a 2-1 upset by a "fired-up" Greely team. However, the Ram's cool poise and Coach Stevenson's strict discipline combined for 13 straight wins and another chance to retain their state crown. Once again the Gorham booters traveled to Bowdoin College to face Fort Kent in a rematch of the previous years state final. Gorham made it three championships in a row, earning an exciting 3-2 victory.

The state champions returned to Bowdoin two weeks later seeking revenge for last year's loss in the New England finals. In the semi-final, on a snow covered field, Gorham showed its versatility by coming back with three straight goals to defeat Mt. Anthony Union High School of Vermont 3-1. The following day, Gorham faced Cathedral in quest of the championship. The Rams adjusted well to the snow and defeated Cathedral 2-0 in one of the finest displays of teamwork that Gorham High has ever exhibited.

Despite a loss of nine starters to graduation, next year's Rams will be expected to successfully defend Gorham's Maine and New England championship titles.

Top Right: Lineman Denny Burnham. Only in his second year of soccer, Denny developed into an outstanding inside lineman for Gorham this year. He led the team in goals scored with 13. *Bottom:* Lineman Eddie Quinlan. This junior starter had an excellent season; Eddie had 11 goals and 10 assists. He should have an even better season next year as one of the better linemen in the league. *Top Left:* Left-wing Greg Dugas. This senior, although not a starter his junior year, led the team in goals and assists. This season, as a starter, he duplicated the feat by scoring 10 goals and making 11 assists.

One of Gorham's best all-round players, Ted, even though playing both offense and defense, chipped in with 12 goals. *Bot. right:* Halfback Bruce Rust. Only a junior, Bruce blossomed into an excellent player this year. He should be looking forward to a great season next year as one of the top players in the league.

Top left: Corner kicker Doug Stevens. This onetime halfback made the adjustment to fullback in his junior year and was one of four returning starters this season. *Top right:* Fullback Tom Bachelder. Tom, over the past two seasons, has been one of the most consistent players on the team. Along with Doug Stevens, he formed fifty percent of the best defense in New England. For two years, Coach Stevenson never had to worry about opposing wings with these two playing. *Bot.:* Dan Doyle. A halfback turned goalie, Danny came through as one of Gorham's brightest defensive stars. Perhaps the best game of his career came against Cathedral High in the New England finals when he made several saves "bordering on the spectacular."

Top left: Captain Rusty Keene. A fullback, Rusty filled a big spot in the defense this season. A starter for the New England champions, he is known for his hustle both on and off the field.

Top right: Fullback Greg Nason. One of the speediest members and of one of the fastest defenses in New England, Greg and Rusty alternated to hold the middle of the defense together.

Bot.: Members of the bench, although not always able to play in every game, never lost their morale and contributed to the success of the team as a whole with their enthusiastic support.

Top: Doug Stevens, Rusty Keene, Tom Bachelder. *Bot. Left:* Dennis Burnham, Greg Nason, Doug Stevens, Dan Doyle. *Bot. Right:* Coach Stevenson.

CROSS COUNTRY

The Rams of Gorham continued to be a dominant force in Triple C Cross-Country. The 1972 team, led by Co-captains Steve Orach and Harold Clinch and most improved runner Terry Young, continued its fine winning tradition with a perfect 9-0 regular season record. Hard work paid off for the Dean-Evans-coached Rams as they had only one veteran returning who had run in the "big" races.

Most Valuable Runner Steve Orach had one of his most productive seasons ever, helping the Rams to their 16th Triple C Championship in the last 18 years. He won 6 of 7 regular seasons runs, losing only to Jim Googins of Greely. Steve had his revenge, though, in the Triple C Championship, winning the title.

The Rams continued strong, copping the Southwestern Maine title and rolling into the state meet only to be beaten by a fine Mt. Desert Island team.

The Rams have much to look forward to next year as they have now won 77 straight regular season meets and 103 in a row at home. Let's try to improve on that state runner-up standing!

VARSITY BASKETBALL

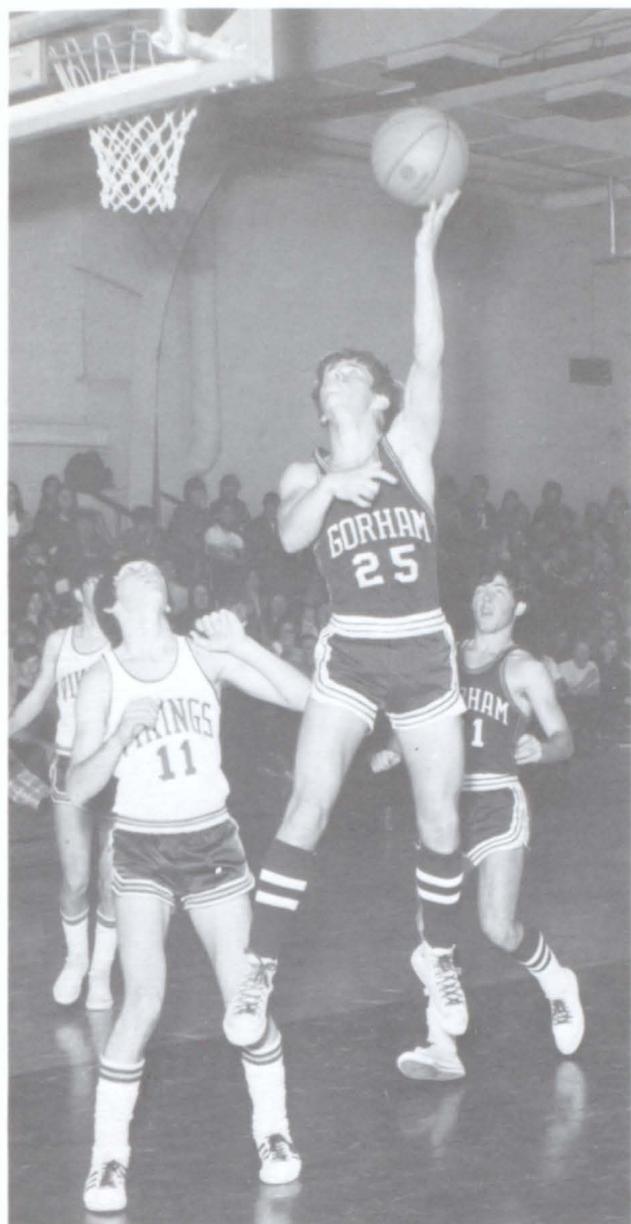

This year's varsity basketball team was characterized by an extreme lack of height and an abundance of determination. Although failing to capture the Triple-C championship, the Rams proved who was the best by defeating Windham (Tri-C winner) and going on to finish runner-up in The Western Maine Class B tournament.

In compiling a fine 13-5 regular season record, the Rams continually outclassed much taller opponents. Utilizing their quickness and fine shooting, they more than made up their height disadvantage.

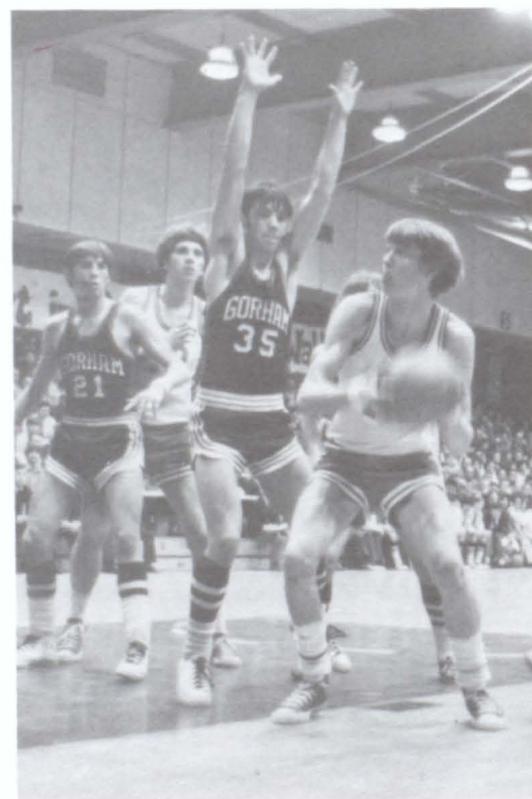

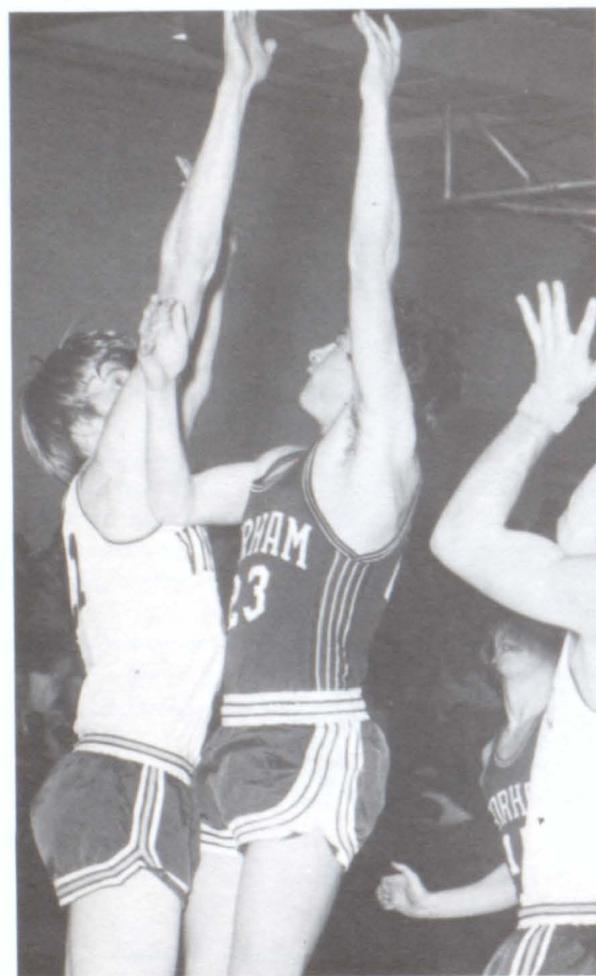

In tournament action the Rams upset Windham and Lisbon before being defeated by an extremely tall Camden-Rockport team. In winning, as in losing, the Rams showed time and again their good sportsmanship, determination, and pride in themselves.

FIELD HOCKEY

The 1972 girls field hockey team did not have a very successful season. Next year most of the team will be returning, though, with more experience and are expected to show great improvement. Although they finished 3rd place in the Triple C Championship, they did manage to upset the eventual champion, Greely, by the score of 1-0.

The 1972 girls' softball team had an outstanding season. Coached by Mrs. Anne Frederick, they won the Triple-C championship against Sacopee Valley, 13-7. In all, they had nine wins and only one loss. Karlene Sewall was elected Most Valuable Player by her teammates.

13 Although this year's J.V. team lost more games than they won, the girls gained valuable experience to help out on next year's varsity. This year's record could have been easily turned around, though, as there were many close games.

The girls track team, coached by Mrs. Bonnie Darby, did well last year. Although they were weak in their field events, they did exceptionally well in running events.

They had some outstanding individual performances but lacked the depth to win the meets that would have placed them high in the Triple-C.
