# DEDICATION

We, the Class of 1974, wish to dedicate this yearbook to you, Mr. Eastman. Throughout this year your sincere concern for our class has been greatly appreciated.

# SENIORS

If our friendship depends on things like space and time, then when we finally overcome space and time, we've destroyed our own brotherhood! But overcome space, all we have left is here. Overcome time, all we have left is now. In the middle of here and now, don't you think we might see each other once or twice?

J.L. Seagull

## BAND

The Band was very active this year. In addition to the annual Christmas Concert and the Pops Concert, we played at three basketball games, a soccer game, and had an exchange concert with Bourne, Massachusetts High School. We also have hopes of new uniforms and more personnel in the coming year.

Few people realize it, but the chorus is one of the most active organizations in the school. This year, under the leadership of Mrs. Silcox, the chorus has participated in two exchange concerts, a one-day exchange with Cape Elizabeth, and a week-end visit to Bourne, Massachusetts. They have put on several assemblies for the student body, along with our annual Christmas and Pops Concerts. Other activities include representation at the Western Maine and All-State music festivals. They have sponsored several money raising projects, such as our Variety show to help send three students to Europe with a National Chorus. This years officers are Meredith Mason, president, Judy Moxcey, treasurer, Kathy Brown and Alta Warren, Librarians:

The Madrigal Singers have been around for almost three years. Members are selected for their vocal ability as it appears in their audition. These vocalists are chosen to sing a particular voice part ranging from bass to soprano.

Mrs. James Silcox is our director. For the past two years she has been aided by officers. Filling positions this year are: Nancy Woodbrey and Phil Thibault, librarians; Marty Matthews, treasurer; and Judy Moxcey, president.

One has several occasions to hear these talented vocalists: at the annual Christmas Concert, the annual Pops Concert, many times at the Annie Louise Carey Club, as well as the annual Spring Solo and Ensemble Festival, and the annual chorus show. Let's face it, the Madrigal Singers are always busy.

## DRAMATICS

This year the Dramatics Club has been very active. At Christmas they put on two one-act Christmas plays. For the spring they plan a Senior Class Play, and also a play for the underclassmen. Director of the club is Mr. Pelletier. He was assisted by Lori Thurston, student director, and Mr. Wycisk. Officers of the club are co-presidents Phil Thibault and Lori Thurston, secretary Pam Harriman, and treasurer Keith Brooks.

## JUNIOR FIRE DEPARTMENT

The Junior Fire Department has been very busy this year, due to the energy crisis. More people are using their fire places, so the boys have been fighting a lot of chimney fires—especially during school hours!

# RAMSTER

The Ramster has gone through many changes for the better this year. The addition of pictures, plus a new method of printing were only a few of the improvements made. The entire Ramster Staff worked hard at fund raising and found it necessary to sell the paper for a low five cents a copy. The staff found out how really hard it is to put out a newspaper, but with the hard work and effort put into this years newspaper, we feel that they made a step in the right direction. Kris Linnell and Jeanice O'Reilly, as co-editors, would like to thank Mr. Schmidt and all those who made this years newspaper a success. They also wish next year's editors success in continued improvements on the 1974-75 Ramster.

# G Y M N A S T I C S

The Gymnastics Club practiced every Tuesday and Thursday after school with the help and supervision of Mrs. Jordan.

This year the club is raising money to buy uniforms for use in demonstrations. The club plans to travel to different schools as well as our own to put on performances and clinics. The public is welcomed at any of the demonstrations.

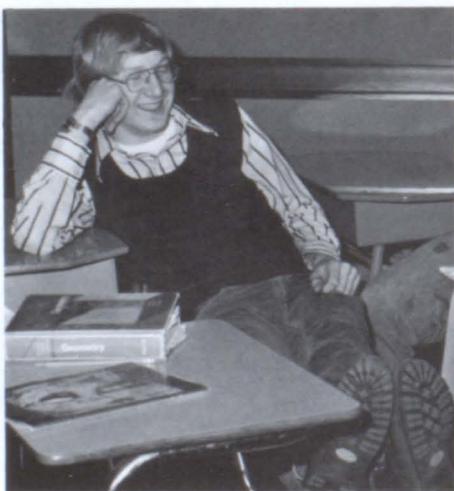

The president of the club, Jim Kramlich, thinks that this year will be the best since the club began.

## KEY CLUB

With Jim Welch serving as the president, the Gorham High Key Club found a new sponsor in the Pride's Corner Kiwanis Club. Several fund-raising activities were held to allow the club to award scholarships to graduates at the end of the year. These activities included dances at the Jr. High, a casserole supper at the Cape Elizabeth Basketball Game, and an Elementary School basketball tournament.

## LIONETTES

Girls who are interested in working with people, making retarded children happy, and by having holiday parties, are the Gorham High Lionettes. This year the Gorham Lionettes have been greatly appreciated by the Pineland people. The girls did rewarding jobs, such as spending an afternoon with the children, by giving a party and playing games, and also taking Christmas presents and clothes to them. In community work the girls have supplied holiday dinners for needy families in Gorham who could not afford one by themselves. They have worked hard earning money for these worthy causes. These girls deserve many thanks from their school and community.

This year the AFS Club has been very active. Last spring's fair was a great success. The club has also had fudge sales and a calendar drive to help raise money needed to send students abroad and have students come to Gorham. Anne Gallagher returned from her year in Chile in January, Kim Moody is presently in Norway, and Lori Thurston has been chosen as an exchange student from the Gorham chapter and is still waiting to hear from New York. Assadullah Sultanee from Afganistan was here at Gorham for four months; then he transferred to a different community. The officers this year were—Lori Thurston, president, Pam Allen, vice-president, and Jenny Cuffey, secretary-treasurer.

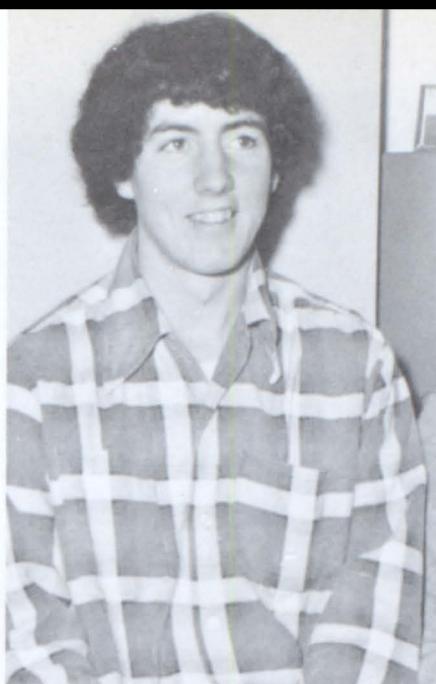

I consider myself very fortunate to have had the chance to see and become a part of another culture. My past year was spent in the South American country of Chile. Contrary to widespread opinions, Chile is not a land of Indians and beans but a very modern developed country with Spanish, German, and Irish heritage. I lived my year in a German nightclub with my Chilean mom and dad, two older sisters, an older brother and a friend. I attended public high school and received an insider's view of the communist government and military takeover in Chile. Altogether it was an interesting and very rewarding experience.

## SENIOR CLASS OFFICERS

The Senior Class Officers kept things going all year long. First off, they decided how to handle the dues situation, then agreed on the method of selecting a DAR candidate. Money-raising comes to mind as class members begin showing interest in an outdoor graduation . . . Or should it be indoor? Will graduation and Baccalaureate be on the same day . . . Or three days apart . . . Or one . . . ?

A Christmas Dance was organized and was successful (if you don't consider the financial side). Now plans turn toward a Senior banquet, the prom, caps and gowns, class ode . . . Senior Class Officers met regularly with Mr. Eastman, our "always there" principal. The officers this year were Judy Moxey—president, Paul Nicolaides—vice-president, Gina Northrop—secretary, and Nancy Fish—treasurer.

## GAA

GAA has been extremely active this year. They had two food sales which went off very well on the whole. This fall they raked leaves around the high school. They rented the pool at the YWCA for their splash party. Their latest project was to start a bowling league.

## ART CLUB

The Art Club was newly formed this year. We have a meeting every Tuesday afternoon at the Shaw School. At one of our first meetings we elected officers. They are: president, Agnes Larrivee; vice-president, Lauryll Williams; secretary, Heidi Dolloff, and treasurer, Susan Froding. Our instructor is Miss Gordon. For Christmas, we made lifesaver men for Dewitt Manor. At our meetings we have been working on silk-screening and other types of printing, and we made sand candles to raise money for a trip to Boston in the spring.

## NATIONAL HONOR SOCIETY

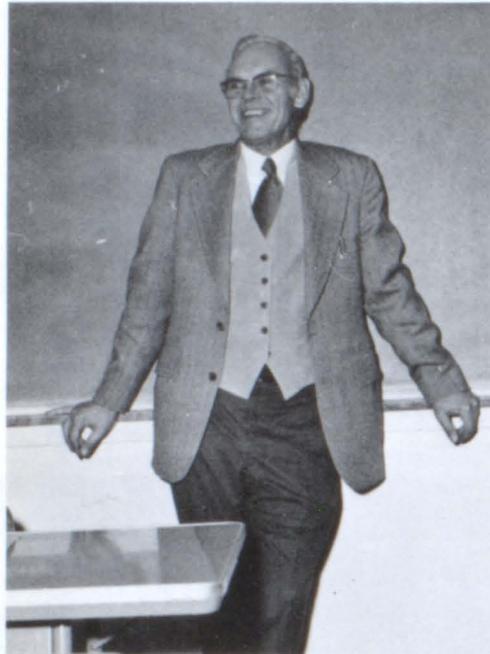

The National Honor Society is becoming a more active and involved group each year. With a goal of providing a substantial annual scholarship to a graduate, several fund-raising activities have been enthusiastically sponsored by N.H.S. This fall, as last fall, the society participated on WMTW's "High School Quiz". In November candles were sold to raise scholarship money. A food sale and a stationery sale were also club fund-raising activities for the year.

## STUDENT SENATE

Many changes and new ideas were presented by the Student Senate this year. Officers, John Costa—president, Ken Finlayson — vice-president, Pam Allen — secretary, and Lori Thurston — treasurer, headed the Senate into their new organization. Their main goal was to get the students involved in their government.

Revising the constitution, a new form of senate membership containing fourteen delegates, a Student Senate news bulletin board, and the collection of license plates to be recycled are a few examples of this year's active senate.

## CHESS TEAM

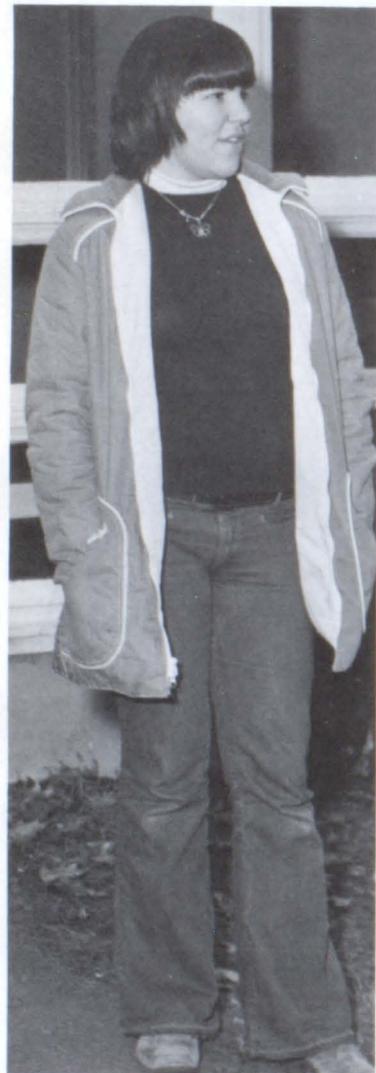

The Gorham High Chess Team had a successful 7 win, 3 loss record this year, though not good enough to make the playoffs to defend their Western Championship of last year. The team showed a great deal of enthusiasm and desire, and with only four of the top ten players graduating, the team is highly optimistic about next year. High scorer for this year's team was Randy Proctor.

FIRST ROW: D. Crowe, A. Gregory, T. Mosher, D. Plowman, K. Proctor, R. Proctor, S. Boyle, R. Fish. SECOND ROW: J. Stevens, L. Pike, K. Finlayson, Mr. Stevenson.

SKI CLUB OFFICERS: Craig Marsh, vice-president; Nancy Fish, secretary; Jill Stenger, treasurer; and Polla Lemieux, President.

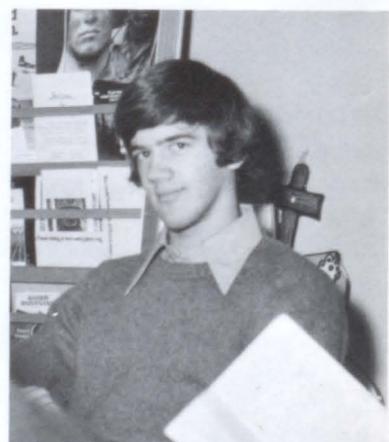

## SKI CLUB

This year the Ski Club hasn't been able to plan any trips due to the weather. Hopefully before spring comes, we will be able to have at least one if not more.

During the year we did have a showing of a movie on Hot-Dog skiing, which was enjoyed by all who attended.

Groaning with pain at the weather were the officers of the club: president, Polla Lemieux; vice-president, Craig Marsh; secretary, Nancy Fish; and treasurer, Jill Stenger.

## PEP SQUAD

Under the leadership of president Cheri Greenlaw and vice-president Lynn Moreau, the pep squad at GHS this year was indescribable. The enthusiasm of the game-going students will be hard to match in oncoming years. The loyal fans always kept the balance of support on Gorham's side. There seemed to be no end to the spirit shown for the teams. Here's an example of the organization at a game:

“Who got that basket?”  
“I don't know.”  
“Oh well. YEAH!!!!” (clap, clap)  
“Guess what?”  
“What?”  
“It was the other team.”

Seriously though, this year like last year, the best is right here at GHS.

## VARSITY CHEERING

The Varsity Cheerleaders went to American Cheering Camp at Orono again this summer, and as usual took first place. They worked hard and earned over \$600, by door-to-door fudge and whoopie pie sales, food sales, car washes, the dunking booth, and, of course, those notorious candy bars! The cheerleaders had a lot of school spirit this year and were backed up by an enthusiastic pep squad.

## J.V. CHEERING

This year's J.V. cheerleaders worked hard to support an equally hard-working J.V. team. They met many girls from other schools, made many friends, and tried to be fine representatives of Gorham High School.

FIRST ROW: J. Stanley, D. Howard, B. Chapman. SECOND ROW: K. Dornish, L. Overlock, sub-head—P. Harriman. THIRD ROW: head—J. Stanley, C. Labrecque.

## FRESHMAN CHEERING

The Freshman cheerleaders at Gorham High had the opportunity to make friends with students from other schools. They also became involved in other school activities. They were proud to cheer for our Freshman basketball team, and hope that the boys appreciate their supporting the team. They would like to stick together for the next couple of years in practice, so that they might become as good as the varsity cheering squad of 1974.

FOURTH ROW: J. Gallant, R. Atkinson, C. Neal, G. Walker. FIFTH ROW: F. Bachelder, D. Crowe. SIXTH ROW: K. Evans, M. Frank.

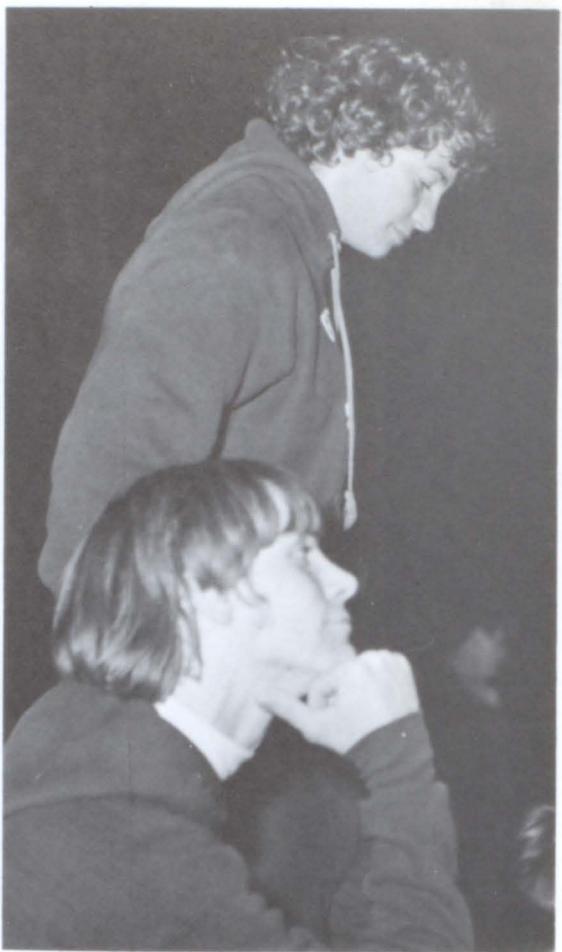

This year was a heartbreaker for the Rams. Led by returning lettermen Bruce Rust and Ed Quinlan, anything might have taken place and it did. With graduation nine starters were lost, making it look hopeless for Coach Stevenson's team. He found eleven players for the first game, changing the lineup for the better players. Losing some tough games made the Rams ineligible for the tournaments, but the season looks very promising for next year.

This year marked Dean Evans' second decade as coach of Gorham High's Cross Country team. While not as strong this year as in previous years, the Rams under Coach Evans compiled a fine 8-3 record. They placed third in Triple-C and regional competition, and a solid fifth in the state meet.

The Rams were led this year by outstanding seniors Paul Nicolaides and Ken Finlayson. They are the only runners lost in graduation. With several fine juniors and excellent prospects in the sophomore and freshman classes, Gorham fans can look forward to next season.

This year's Rams were coached by Walt Ridlon and compiled a fine 11-7 record. Though one of the smallest teams in Gorham history, the Rams made up for the lack of height with tenacious hustle and a blistering fast break. They were led by co-captain Ed Quinlan and Ron Charrier, the high scorers all year. Ken Finlayson and Craig Marsh continuously battled larger opponents for rebounds. Co-captain Paul Nicolaides and Steve Labrecque added depth to a basically senior squad. Juniors Chris Parker, Bob Farrar, John Sawyer and Mark Labrecque gave good performances throughout the year. Bruce Murchie and sophomores Richard Young and Kyle Evans will add strength to next year's Ram combine.

GOLF TEAM: Dennis Crowe, Dan Warren, Mr. Bastow, coach, Cliff Neal, Mike Warren.

TENNIS: Last year was the first for interscholastic tennis at Gorham. Ably coached by Mrs. Frederick, Gorham did a fine job as rookie team in the league. They compiled a 5-4 record in the tough Tri-C conference. Losing only two seniors due to graduation, this year's team should be a major force in tennis circles.

BASEBALL: Last Year's baseball team ran up a good 7-8 record. This is not indicative of the year, though, as the Rams lost 5 games by one run. The highlight of the year was the victory over Tri-C champ Windham, 7-6 in extra innings. With eight returning veterans and all its pitchers, this year's team should be one to watch.

# GIRL'S SPORTS

## 1973 GIRLS' TRACK

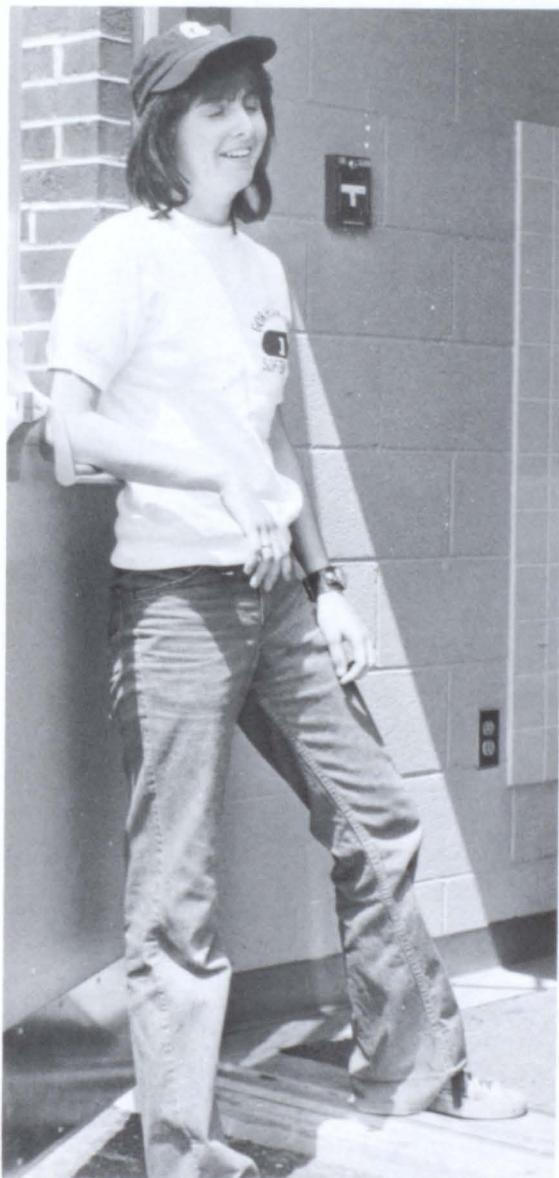

SITTING: N. Dugas, D. Grovo. KNEELING: K. Dornish, K. Saunders, L. Parady, K. Laverty, K. Heathcoat. STANDING: C. Gray, K. Nason, Mrs. Darby—coach, J. Orach, L. Edwards.

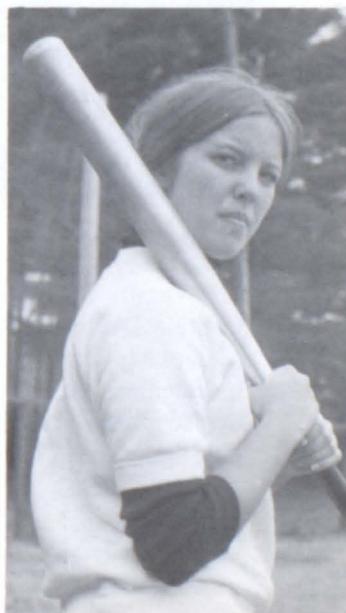

Even though the girls track team did not have a good turnout last year, they placed second in Triple C. They were led by captain Kim Moody and co-captains Debbie Grovo and Nanci Dugas. MVP and high scorer for the team was sophomore Kim Nelson, who is expected to do better this year. Seven girls from the team qualified for the state meet and all of them came back with ribbons. This year's team should have a better showing with Cindy Gray—field events, Kim Nason—dashes, Judy Orach—quarter mile and Lee Parady—mile; all of whom went to the state meet last year.

## 1973 GIRLS' SOFTBALL

The 1973 Girls' Softball team had a better than average season with better than average players. Coached by Russ Nealey and led by captain Sarah Emerson, the girls had an excellent record. Freshman Cindy Gilman should turn in a good season next year, since she had an outstanding season this year. Freshman Wendy Worcester and juniors Pat Gerrish and Barbie James proved themselves last year and hopefully will turn in a good season in 1974.

FIRST ROW: M. Clifford, J. Woodbrey, P. Gerrish, N. Dugas, D. Bonney. SECOND ROW: G. Ahlquist, mgr., N. Fish, L. Larrabee, A. Martin, K. Dornish, Mrs. Frederick, coach, D. Keene, captain. THIRD ROW: P. Allen, C. Gray, J. Orach.

The Varsity Field Hockey Team, headed this year by Captain Debby Keene, had quite a workout this season, playing twelve games. Although the team lost more games than they won, the girls did set a record by becoming the first field hockey team in the state to play under the lights.

## GIRLS' VARSITY BASKETBALL

Under the excellent leadership of a new coach, Coach Souza, the girls had a very good season. Each game, whether it was won or lost, was played with a team effort. They started off the season with the toughest defenders but never lost hope. The team managed to fight back to conclude the season with a 7-6 record. Much of the scoring credit is due to Mary Clifford who finished the season with a ten point per game average. With the experience of this year's coaching and the capability of the underclassmen, Coach Souza will have a strong team next year. This year co-captains were Pat Gerrish and Jenny Cuffey.
