DEDICATION

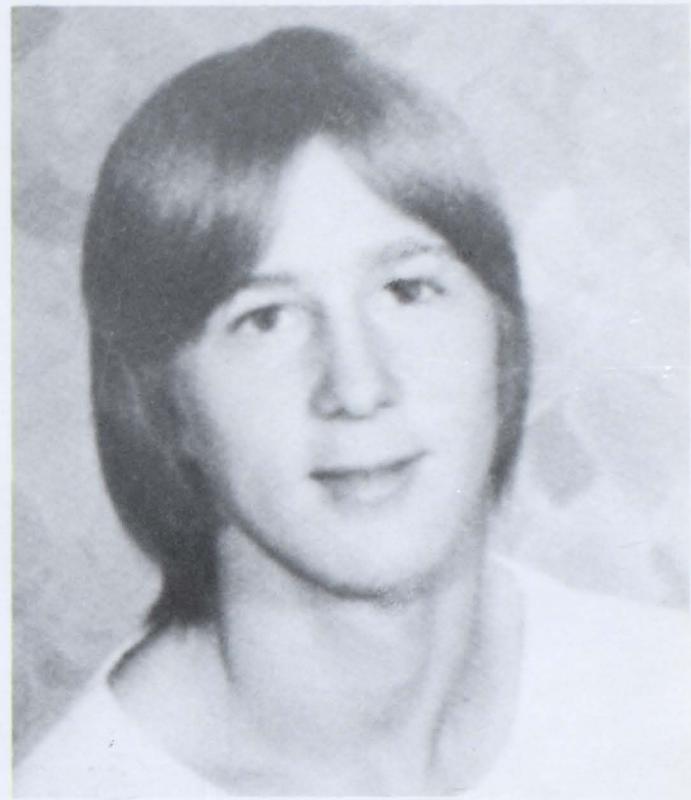

MR. DONALD ELLISON

You give much and
know not that you
give at all.

MEMORIAM

CONRAD EUGENE KNIGHT

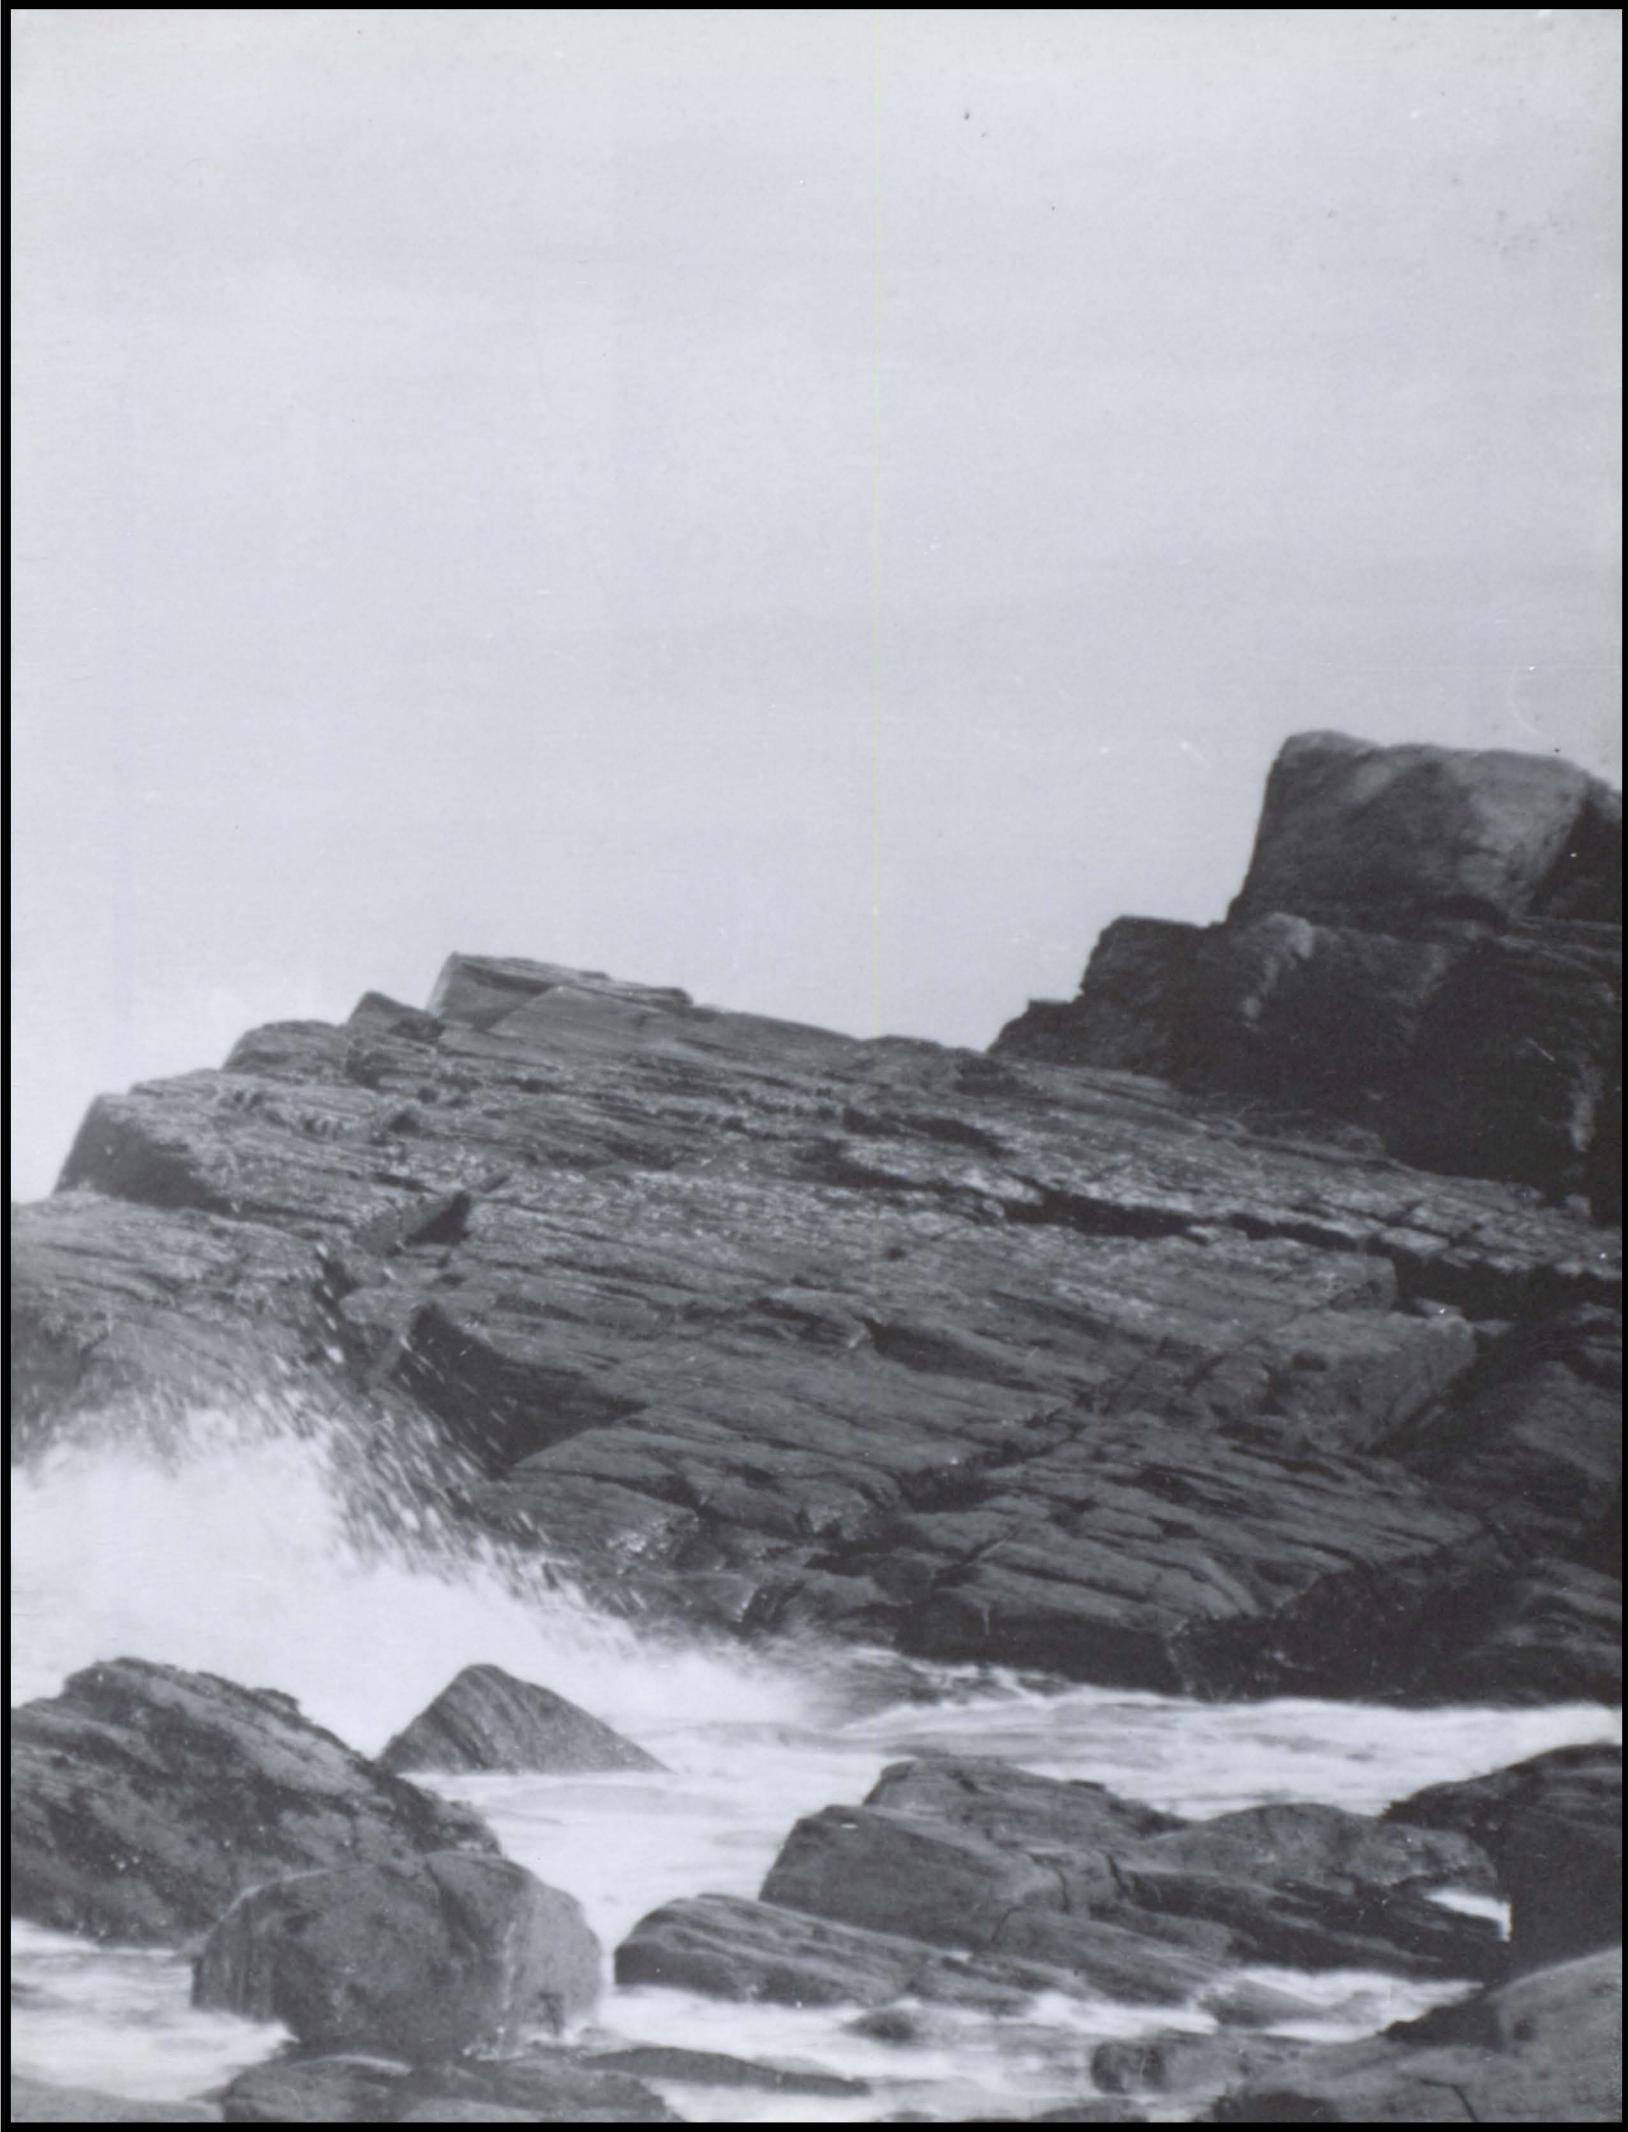

WILLIAM PRESCOTT BOWLEY

When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.

Let not the waves of the sea
Separate us now,
And the years you have in our midst
Become a memory.

In the sweetness of friend-
ship, let there be laughter,
and the sharing of pleasures.

"Ready maestro?"

"We love 'Wheat'!"

"... And then guess what she did?!"

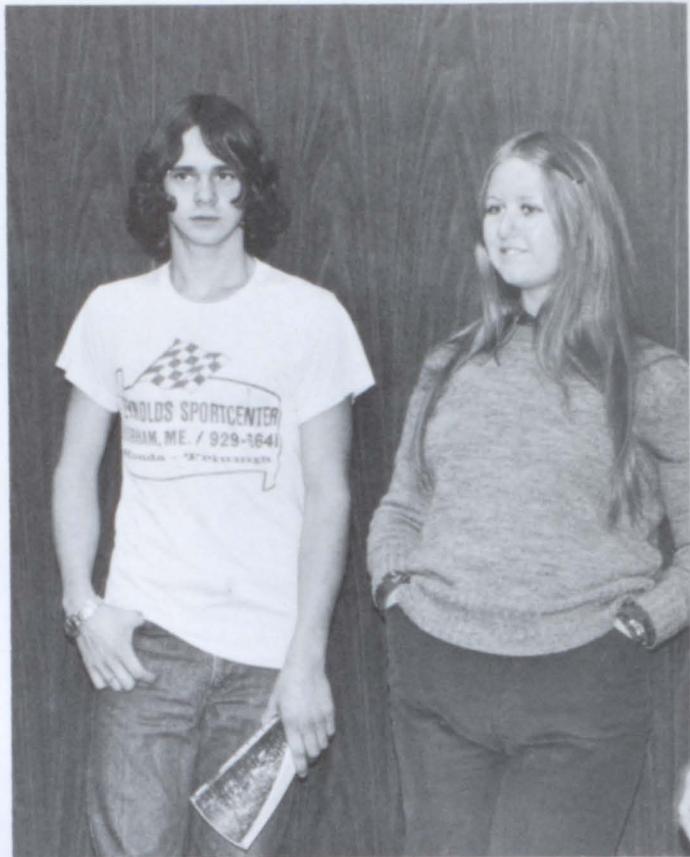

"Thay fella!"

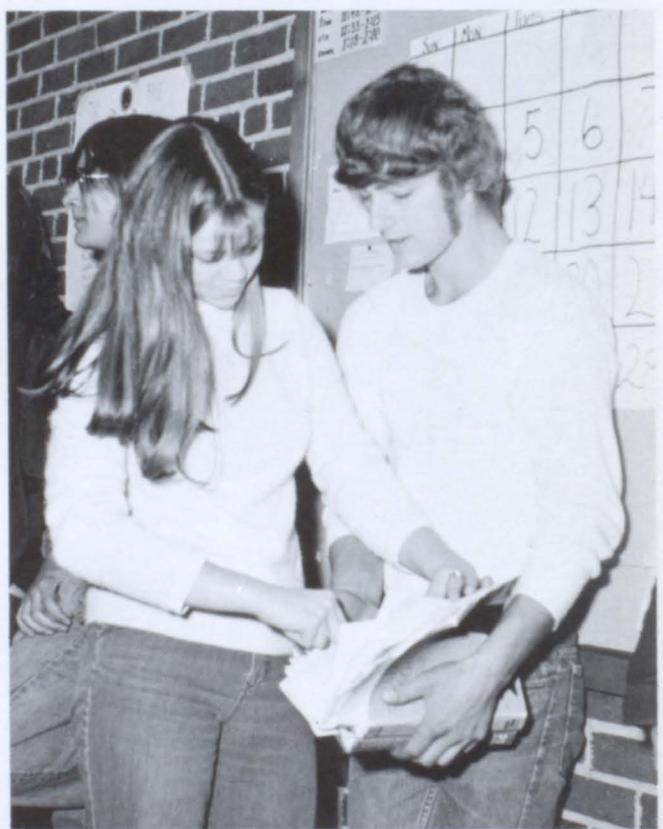

One heck of a way to spend fifth period!

"I really didn't think it was all that funny,
did you?"

Quite the studious group.

"Do you think this will make more money than the
Cookie House?"

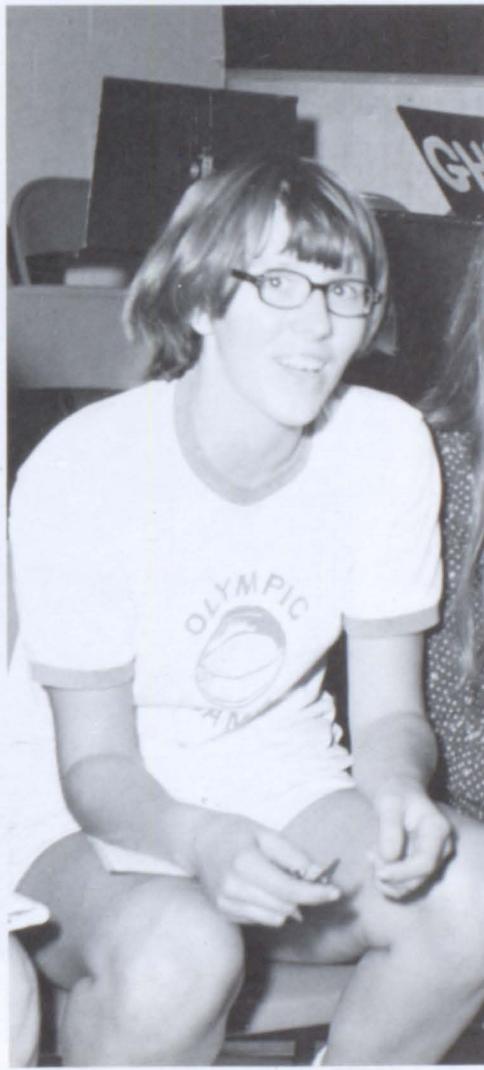

"Okay, it's Valentine's Day . . . hand over the card!"

Into each life a little Fogg must roll.

"Wwatcha doin' Saturday night, sonny?"

"Hey ma! See what I learned in school today!"

"Ah! It's real!"

At least SOMEONE thinks it's funny.

"I thought I saw a 'tweedy-bird'!"

"Uh, oh! The bathroom door is locked again!"

"It is time for you to leave,
Grasshopper."

"C'mon you _____!"

"Now hear this!"

"And then what happened?"

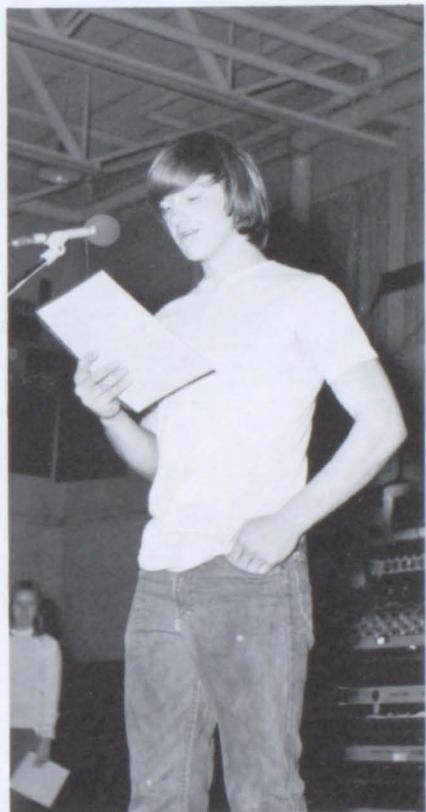

"How 'bout that?"

"This is how ya do it!"

"Why does she have to be so slow!?"

Quantitatively speaking . . .

Can you imagine how it smells inside those things?!"

"Uh . . . do the taxpayers know about this new little addition?"

Keep your eyes in your head, Paul!

"Gee, I wonder what that little gadget is used for."

There's always one in the crowd who thinks
EVERYTHING'S funny.

Our "rugged" underclassmen shape up in an effort to look as good as the seniors.

"Good looking WHAT?!"

"Good looking Seniors? You've gotta be kidding!"

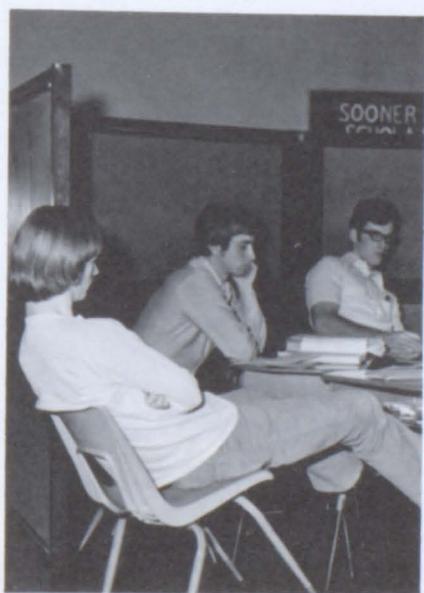

The usual Saturday night out with the fellas.

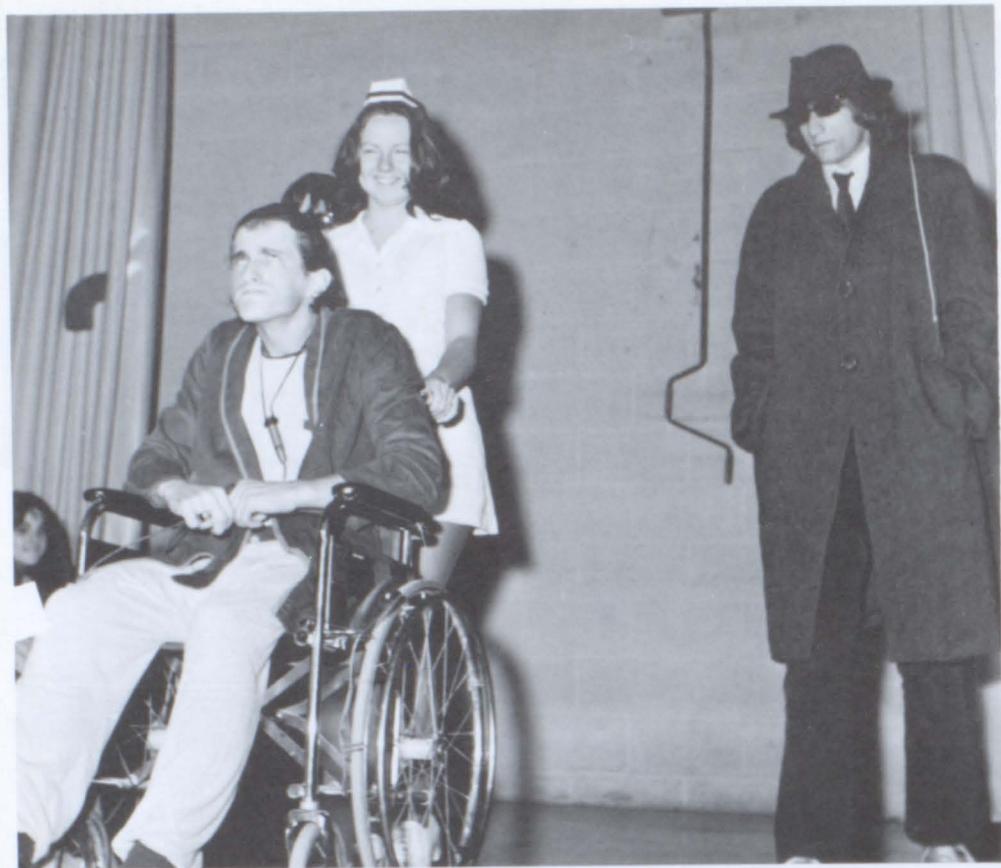

Why doesn't someone tell Mr. Eastman that he can't fly?

And we thought the only thing Mr. Swiz could do was Math!

One of the more exciting classes at GHS.

"I am not a crook!"

Above: "I don't believe you."

Above: "... And only Mr. Watts' hairdresser knows for sure."

Activity period?

What do you think about the cafeteria food?

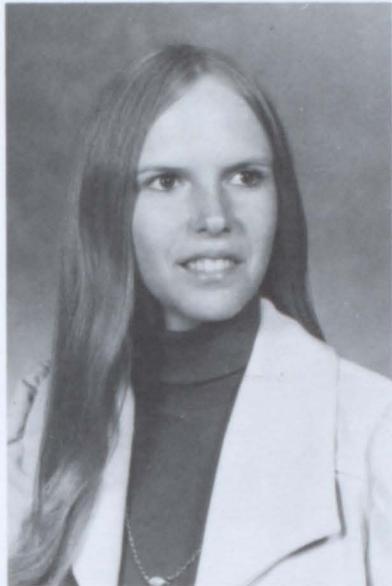

Let today embrace the
past and the future with
longing.

Left to Right: Treasurer—Lauri Overlock, Vice-President—Doreen Libby, President—Peter Godfrey, and Secretary—Sandy Noble.

Being a senior is like being a puzzle of many different things, that one has not been able to piece together yet. The senior year is one of conflict, conflict of feelings about graduation, what to do afterwards. It is also a rise to discovery of one's own identity, and the true value of friendships and memories.

As a class, we have strived to do things for others through such things as a "Freshman Reception", and our annual Halloween Party. These examples are only a part of our joined efforts, and working together has been an important ingredient to our successes.

Even though this is our last year together, we must admit that we will not forget the experiences shared between us.

CLASS OF '76

OUR "HARDWORKING CLASS OFFICERS"—Vice President, Cliff Neal; Secretary, Kim Saunders; Treasurer, Vicki Marceau; President, Jody Bennett.

OUR STUDENT SENATE REPRESENTATIVE—Kathy Dornish.

The class of '76 is becoming increasingly aware that the final year of high school will soon be here, and find it hard to believe that they will actually become the "almighty seniors awaiting to be turned out into the cruel, cold world." This sometimes seems a little scary, but believe it or not, they are looking forward to their graduation in the bicentennial year. The class of '76 is already making plans for this special year, and between their famous casserole suppers, car washes, and dances, who has time for school? Oh well, "it's a hard life," but the class of '76 will come up smiling!

CLASS OF '71

CLASS OFFICERS—President, Rachel Beever; Vice President, Mike Welch; Secretary, Kim Bickford; Treasurer, Mamie Dugas.

"A sophomore knows not and knows that he knows not." Being a sophomore is being sandwiched between the upperclassmen and the freshmen, and known as the middle man. It's a time when we stop following the crowd and start being individuals. We become more involved with school, and sports become important—just like getting licenses . . . Mark eating 7 yogurts . . . Joni fouling out in the middle of second quarter, and Skip making the varsity team . . .

"Hey, I made J.V.!!" "I'm not impressed." "Can I borrow your homework?" "How bad is that!!" "Well, Bear's class rots!!" "I'm dropping Latin II!" "I'm not impressed." "How many detentions you get THIS week, Mike?" "Can't count that high!" "What's for lunch?" "Oh Rubbish!!"

BAND

This year's Band, directed by Mr. Miller (above), has had one of its most active and successful years. The band started the year by purchasing new uniforms, consisting of maroon blazers and white slacks. They played at several night soccer games and at five basketball games. They also presented a concert at the Village Elementary School, and played at the opening of the Municipal Center. As Christmas approached, they played at the Christmas assembly and at the Annual Christmas Concert.

CHORUS

This year's chorus, directed by Mrs. Silcox, has expanded its membership since last year. The chorus consists of many new freshmen and sophomores; and together with the older members, they have to work hard at learning new pieces of music.

The chorus started out this fall by electing officers. Kris Linnell was elected president, Agnes Larrivee was elected vice president, and Kim Saunders was elected secretary-treasurer. Next on the agenda--chorus once again sold "Current Stationery." Then the chorus had its annual Christmas Concert, which many people enjoyed. Exchange Concerts were planned along with the annual "Chorus Show." Gorham High School can be proud of its chorus, for it is much more active than most high school choruses.

Pops Concert '74

Once again the annual chorus show was a great success. To the right, Kathy Farrington is singing her number for the "I Believe in Music" chorus show of 1974. This show, featuring the chorus, consisted of dancers, pianists, and many vocalists. For two consecutive nights the show was put on, and the turnout was great. If it hadn't been for Mrs. Silcox, the show wouldn't have gone along quite so smoothly. She deserves much credit for its being a success.

The chorus had its Annual Christmas Concert on Sunday, December 15. There were pieces performed from the Messiah and some contemporary carols too. It was an excellent concert.

Madrigals have been busily preparing themselves for various performances this year. They started out the fall by putting on a concert for the Little Falls PTA. As winter neared, they put on five Christmas Concerts at various churches, in addition to the Annual Christmas concert.

DRAMATICS

Dr. Perrin

The Drama Club, directed by Dr. Perrin, has a greater membership this year than it has had in recent years. Major officers were not elected this year, although Kathy Brown was elected to handle the treasury. Early in the fall, the Drama Club had a food sale to pay for make-up and playbooks, and other such expenses. Just before Christmas they presented their first play of the year. It was called "The Lottery", and had a cast of about twenty students. The play was performed two nights at the Shaw Junior High School.

Above: Alta Warren, Drama Club make-up girl, makes up Dr. Perrin's son. Right: Corey Allen.

“THE LOTTERY”

Shirley Jackson’s “The Lottery,” deals with the fact that tradition can be bad as well as good, and whether or not life is predestined or just a matter of chance. In the story Old Man Warner stands out as being a typical old-fashioned person, who wants to stick strictly to tradition. Tessie Hutchinson is the victim of this tradition, and her death, which results from stoning, is the climax.

“Young people don’t show respect for the ceremony anymore!”

“Gonna grow up to be a farmer like your Dad, little Davey?”

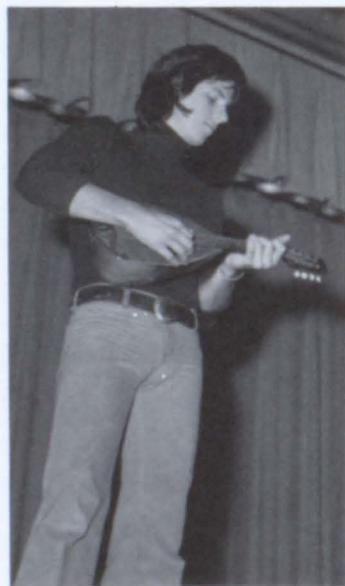

“Oh Bill, he’s such a little boy, and his birthday just last month!”

“It isn’t fair! It isn’t right!”

STUDENT SENATE

Ed Benson—President

The Student Senate is composed of elected representatives of the students. This year the senate has assisted in the organization of school clubs and activities, while also striving to promote better interscholastic relations with the other high schools in this area. Mr. Hoskin is filling the position of adviser for the first time this year. Presently the senate's achievements include the revision of the constitution and a partially successful solution of the smoking problem. They are also planning the annual winter carnival, plus a supper to raise money for the purchase of a glass-enclosed bulletin board for the hall.

Myrtle Dow of Limington won a 3 minute shopping spree at the IGA in a raffle sponsored by the Key Club, which netted them \$400.00. This will go towards scholarships to be awarded at the end of the year. Other activities planned are a Clam supper, Carwashes, and a Valentine's Dance.

The highlight of the year was the rediscovery of the Lost Banner of the Key Club by Mr. Evans. Many thanks to him.

The GAA has had a lot of fun this year, having two volleyball playdays, a sledding party, a greaser day, and a greaser dance. They earned money this year by holding a foul shooting marathon. Each member shot 30 times and the person (s) who sponsored her would have to pay her for each basket she made. The officers this year are: Jane Woodbrey—President, Judy Orach—Vice President, Susan Charrier—Secretary, and Nancy Woodbrey—Treasurer.

ART CLUB

The Art Club has increased its membership greatly this year. They have regularly scheduled meetings in the art room, and have sold T-shirts, candles, and earrings (all hand made of course), and have made favors for the patients at Dewitt Manor. They plan to make a trip to the Museum of Art in Boston in the spring.

As it has for the last several years, the society participated on WMTW's "High School Quiz," defeating Lewiston 135-110 in the first game. Members of the Gorham team were Robert Small, John Sawyer, Sharon Golden, and Judy Orach, alternate. Cindy Burnham was the scorekeeper.

This year cheerleaders are (Left to Right above) Jan Stanley, Sharon Golden, Lisa Overlock, Jill Stanley, Kim Nason, Diane Porter, Doreen Libby, Kathy Dornish, Barbara Chapman.

Gorham's softball team, coached by Mr. Nealy and led by Captain Patti Gerrish, threw in their bats and ball and came up with a fine seasonal record of seven wins and three losses. Thirteen of the eighteen players were returning letterwomen which helped to bring about a second place tie in the Triple C division. By practicing everyday after school at the Robie Park Field, they were able to overcome a strong Lakes Region team in a ninth inning overtime. Barbie James and Patti Gerrish turned in outstanding seasons, and Susan Charrier will be expected to play as good a season this year as she did last year. This year's soccer team had a fantastic season. Coached by George Stevenson, they went all the way to the Western Maine finals, losing in a rematch with Scarborough 2-0. Of the 25 men on the team, only 10 were returning lettermen. Led by Co-Captains Paul Lurvey and Ray LaChance, the team practiced hard 3 or 4 days a week. It paid off because the team went into the playoffs with a 9-3-3 record. They then went to Deering. Beating them 1-0 put them into the finals, against Scarborough. The next game after regulation time ended in a tie. Overtime was then played, and after a record 13 overtimes the game was called because of darkness. They then replayed it and lost 2-0. Many thanks to the three managers Chris Meyers, Dennis Crowe, and Forest Bachelder.

Mr. Watts

The cross-country team worked hard this year, ending with a 5-4 record. They made it to the Triple-C and Regional meets, placing fifth in each. The team, managers, Sharon Kimball and Donna Keene, and new coach, Mr. Watts, all pitched in to build a new longer trail, making it a successful season overall.

Next year should be good, also, as it brings up a large group of hard-working juniors and some excellent sophomores and freshmen.

"What are you waiting for, Christmas?"

If in the twilight of memory we should meet once more,
We shall speak again together
And if our hands should meet in another dream,
We shall build another tower in the sky.
