DEDICATION

MR. DONALD ELLISON

We, the class of 1980, dedicate this yearbook to you, Mr. Ellison. For all your hard work, for your dedication, for your faith in education, and for making this yearbook possible we thank you.

At a time when public education seems to be receiving few compliments, we look to this teacher who is intelligent, strong and devoted. The goal of this man is to provoke thought, and in his classroom one may witness the ongoing process of education. Discussions pertaining to current events, economics or politics are not uncommon even in Latin classes. Mr. Ellison has enriched our lives and we thank him for being our educator.

Class of 1980

IN MEMORIAM

Sue Lehoux

Sue, we remember you,
Your happy eyes, your ready, friendly smile.
Your departure has left a gap
That no one else can fill.
In your brief time you showed us how
Truly to be a friend.
We miss you, Sue, and we hope
That you miss us too.

Mike was a best friend to some, to others he was a boyfriend, and still to others he was a student. Mike was a person who could brighten up your day with just a smile. He's gone now, but don't despair. Our memories of him will bless us forever.

Dear Mike,

I'm sorry I couldn't see what you were going through. I know what it's like to feel all alone and to feel like there's nothing left in this world. I, too, have felt like leaving this world behind. But whenever I have felt this way, I have knelt down and found a reason for living. I guess you couldn't do that, so you left this world behind. I pray to God that you have found what you were searching for.

Sincerely,
A Friend

MICHAEL BLACK

CLUBS

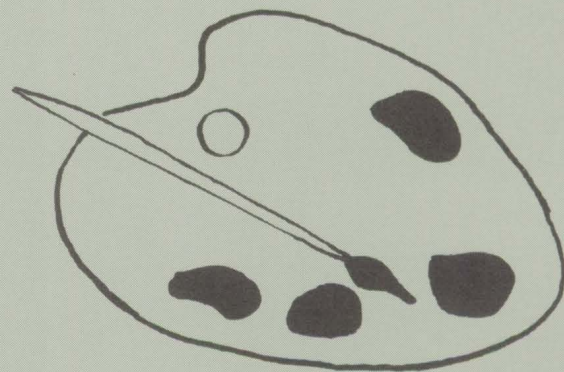

AND

ORGANIZATIONS

STUDENT COUNCIL

The student council is an organization to act as a liaison between the student body and the faculty. The student council meets at least once a week to discuss controversial issues and points of interest that other students have brought to the attention of one of the members. The meetings are open to the students and faculty and are conducted according to the rules of Parliamentary Procedure.

The student council has run a blood drive this year and is in charge of organizing the annual winter carnival. Other activities conducted by the student council are the rallies held for different athletic teams.

The student council is made up of the four officers who were elected in May and the president, vice-president, and student council representatives from each class.

The student council meets and works on its activities under the supervision of Mr. John Hoskin, their faithful advisor.

NATIONAL HONOR SOCIETY

Gorham High School's National Honor Society is made up of students who have shown outstanding ability in leadership, scholarship, character, and service.

Near the end of each year, new members are selected from the sophomore, junior, and senior classes to represent next year's N.H.S. students. They are honored before their families and friends at an induction ceremony.

The ceremony, known as the Tapping Ceremony, is held in the spring of each year. At the ceremony, the new members are given a yellow rose, the society's official flower, and a pin to show their membership. They recite a pledge to uphold their academic standing and continue in leadership, character, and service.

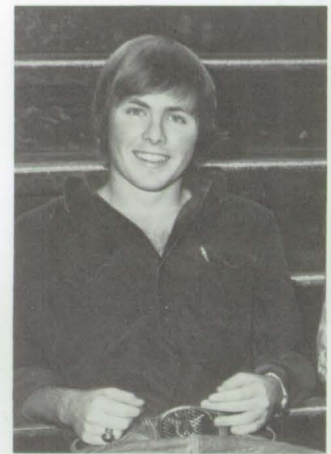

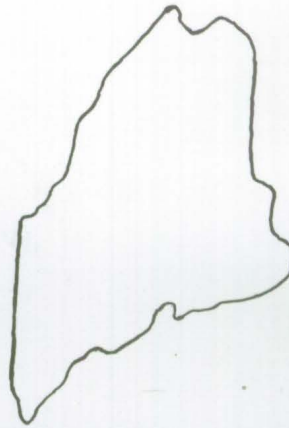

The organization's major fund raising event is the annual carnation sale. Other fund raising events are the dance, and High School Quiz game.

DIRIGO

Dirigo Girls' and Boys' State programs are held each summer for one week following the close of school. Students who have just completed their junior year of high school come from all parts of the state to attend and learn about government workings.

The students are divided into mock cities and towns, counties and political parties. They learn about Parliamentary Procedure and town government and then hold mock state campaigns and state elections.

Five students from Gorham attended this past summer. They were Zip Oliver, Carolyn Estes, Paul Harriman, Mark Cartonio, and David Watts. The alternates were Karen Butterfield, Julie Runnels, and Ted Stone.

KEY CLUB

The Key Club has been working this year under the expert leadership of Beth Carter. Beth is the first girl president of the Key Club at Gorham High. Other officers this year are Win Smith, vice-president; David Philbrick, Treasurer; and Kathy Boyman, secretary.

The Key Club is a community organization and is the junior branch of the Gorham Kiwanis. They are an international organization. They work under the guidance of Mr. Hoxie, club advisor.

Among the activities for this year are a bottle drive and supper, along with other various activities to raise money for a scholarship fund and other things.

GORHAM ATHLETIC ASSOCIATION

Members of The Gorham Athletic Association unite every fall to recruit new members. Each member must be a member of an intramural or team sport. The G.A.A. sells candy bars to raise money for the award they give at the end of each year. They also give out scholarships for sport camps. They work under Mrs. Chadbourne, advisor. The officers are Kathy Boyman, President, Kelly Butterfield, vice-president; Kelly Coggins, Secretary; Betsy Hardy, treasurer.

R U N N I N G

In the running club we try to help people find a running plan. We provide running schedules for people so they can stay in shape or lose weight.

We also provide information on local road races for interested competitors. Mostly it is to run together and try to enjoy ourselves. The officers are Todd Dresser, president; Debbie Broadhurst, vice-president; Chuck Carignan, treasurer; Kim Clay, secretary; Jenny Gilman, promotion. They meet under the expertise of Mr. Dennis Smith.

The Schola staff is a group of students that works each year to put together the yearbook. They work many hours during the fall and winter to come up with new ideas and to meet different deadlines. Many kinds of work are involved; copy writing, typing, artwork, photography, and page layouts for each section are all completed before it is sent to be printed. The staff puts in a lot of time throughout the year and hopes that you enjoy the result.

R A M S T E R

The Ramster is Gorham High School's official newspaper. It gives students a chance to express themselves through editorials and polls, and keeps the student body informed as to what is going on. The editors this year are seniors Paul Harriman and Mark Cartonio and the advisor is faithful Mr. Pearson.

B A N D

The Concert Band and the Stage Band are the two instrumental performing groups in Gorham H. S. The Concert Band has grown tremendously in the last few years and has become a very versatile group. They are a pep band for athletic events, a marching band for parades, and a concert band during Christmas, spring and any other time a concert can be fitted in. They are an excellent group of which G. H. S. can be very proud.

The Stage Band is a relatively new group, this being only its second year. However, the members play as if they've been together for much longer. This group has 21 members, who are also members of the Concert Band. The Stage Band performs a wide variety of music ranging from ballads and swing, to jazz and rock.

CHORUS

This year the chorus is pleased to have Mr. Henry as the new director. The chorus has grown to about seventy members. They meet every day, and for those who can't make it there is activity chorus.

The chorus performs at the Christmas and spring concerts. Many thanks go to Mr. Henry who devotes so much time and effort to put on such good performances.

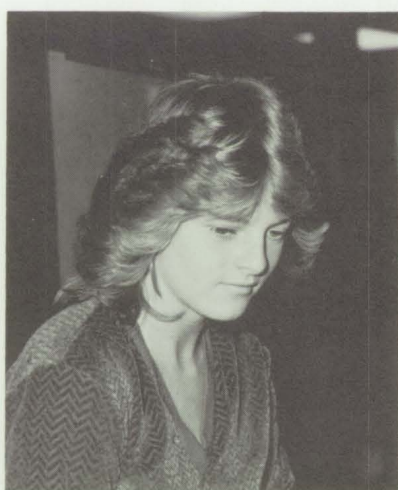

For fund raisers they had a dance and once again sold stationery from Current.

The chorus officers are Elaine Smith, David Watts, Holly Dolloff, and Jim Goodrich.

MADRIGALS

Madrigals is a very active group under the direction of Mr. Henry. They have grown considerably in quality since years past. It now consists of twenty-four members who were auditioned last fall and were selected for their quality voices which is a must for madrigal singers. Madrigals meets at least once a week to work on difficult pieces of music. They perform throughout the year at the Christmas and spring concerts, at nursing homes, and other community activities.

SPANISH CLUB

The Spanish Club is one of the most active clubs at G.H.S. Its purpose is to allow students to enhance their views of the Hispanic society outside of the classroom.

After numerous fund raising campaigns, a group of Spanish students visited Spain for a week of sun and fun during April vacation of 1979. Highlights included visiting a bull fight in Malaga, the Alhambra in Granada and the Giralda in Sevilla. The group tried local food such as Gazpacho and fried squid. The advisor for the Spanish Club is Senora Roy.

LATIN CLUB

The Latin Club is an honorary society for students that are taking Latin I. It meets once or twice a month and at the meetings the members go over their Latin and study it in depth in order to get a broader understanding of the Latin language.

In order to become a member, students must attain certain grades. For some these grades come easily but for others they are "lapsus calami" which allow these students also to become members of the club.

The Latin Club doesn't hold any fund raising activities because they don't hold any activities which require money. The club broadens its understanding of Latin under the expertise of Mr. Ellison.

This year's French Club has held several food sales and an annual raffle. They hope to go out to dinner at a French restaurant and save money for a trip to Quebec. This year's officers are: Beth Woodbrey - president, Kelly Butterfield - vice - president, Kelly Coggins - secretary, Kelly Boothby - treasurer.

FRENCH L U B ART CLUB

Mrs. Howison

The Art Club is formed of people interested in broadening their artistic horizons. As a club, we strive to increase not only members' outlooks on art, but also community awareness of art. We are involved in many fund raising projects to help art students with scholarships to further their education in art. We plan to hold a fair in the spring to show the community what we have been doing. This year the Art Club has been working under the expert guidance of Mrs. Julie Howison. They have also been led by president, Karen Borghini.

PHOTOGRAPHY

The Photography Club's goals are to have a photography contest involving schools of the area. They would also like to have some field trips to different beaches and parks to get some good photographs.

Anybody who has an interest in photography can join. They are learning to develop their own film and other darkroom procedures, such as enlarging negatives, and different types of prints. At the end of the year the members should know how to use their cameras to their better advantage.

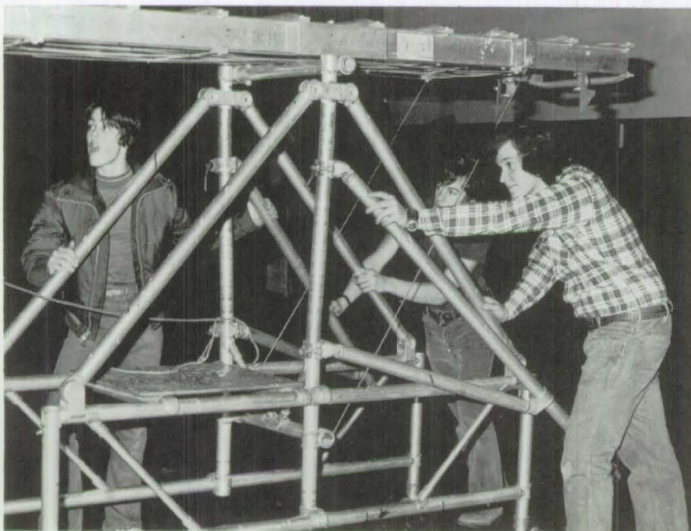

Above: The Crew.

STAGE CREW

This is the first year that the Stage Crew has been organized as a club. Its main purpose is to help make activities in both the high school and junior high gyms run more smoothly.

Some of the activities that they run are the sound systems and lighting at the dances, and the sound and lighting for special activities such as chorus and band concerts and assemblies. They will be the crew heads for the spring musical and for future "Hullabaloo's".

COOKIE BOOTH STAFF

The Cookie Booth Staff is made up of volunteers from the school. They give up their time voluntarily to work in the cookie shack during games and after school, to sell snacks and drinks.

The proceeds from the cookie booth go into the athletic department funds for new uniforms, equipment and other necessary things. Mr. Evans is in charge of the cookie booth.

JR. FIRE DEPT.

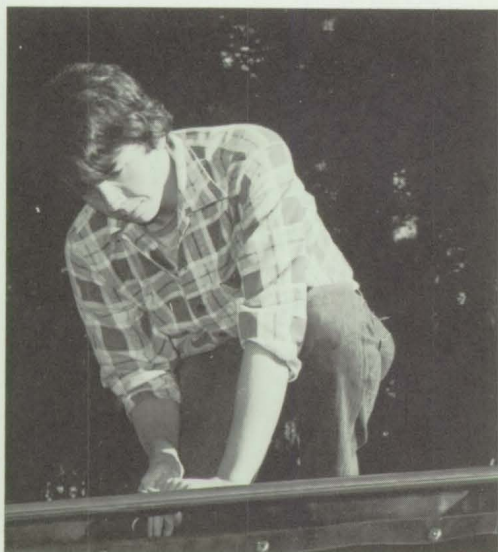

The members of the Junior Fire Department earn a small wage while fighting fires in the Gorham area. Not only do they fight fires but they shovel snow away from fire hydrants, clean fire trucks, and dry hoses. Periodically they have drills on the basic techniques of fire fighting, such as ventilation, forceable entry and salvage operations.

Teammates?

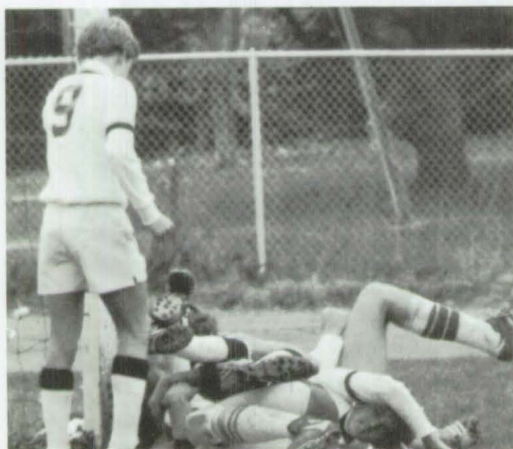

One of those days . . .

The Rams had a fine season and made the tournaments as expected, but then ran into trouble. The team was basically a young team and will lose only three seniors, so the Rams should be tough next year. Coach Stevenson had almost more talent than he knew what to do with, and this was shown with two players making Western Maine team and one making All Maine team. Congratulations for the formidable season and good luck next year.

Congratulations, girls, for being the first Gorham field hockey team to win the Triple-C or Western Maine. The field hockey team had an outstanding season only to lose 1-0 in the State Championship. The girls should be strong next year, but the loss of Betsy Hardy will be felt. The girls should dominate next year with all but one player returning.

This season was a nice surprise compared to what it was expected to be. This year was supposed to be a rebuilding year. Instead, Gorham traditionally produced an exceptional team again. This group of harriers placed second in the Triple-C and Western Maine's and sixth in the States. Congratulations for a fine season.

Gorham owes these girls credit for their excellent showing in the state race only to miss the State Championship by two points. They raced effectively as a team, losing to only one team in the state.

Debbie and Julie led the way to victory for the team. The loss of these two girls will certainly be felt by the team, but it is still expected to be strong. Congratulations for the superb season!
