Advisor—Senora Roy

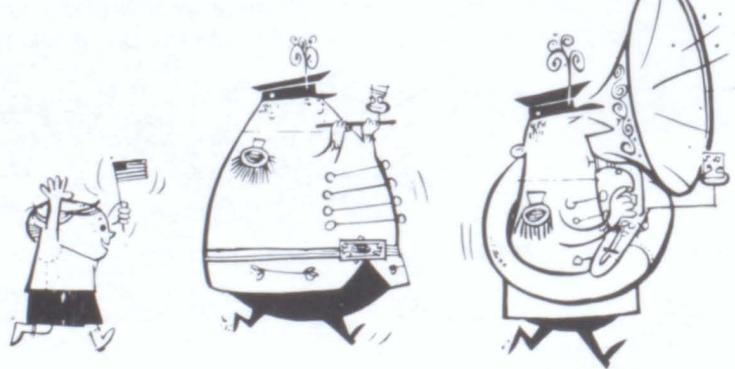

Part of the Gang.

The Spanish Club is one of the most active clubs at GHS. Its purpose is to allow students to enhance their views on the Hispanic society outside the classroom. After numerous fund-raising activities, a group of Spanish students hopes to visit Spain for a week of sun and fun during April vacation of 1981. They hope to try local food such as gazpacho and fried squid. The advisor for the Spanish Club is Senora Roy.

# STAGE BAND

The Concert Band and the Stage Band are the two instrumental performing groups in Gorham High School. The Concert Band has grown tremendously in the last few years and has become a very versatile group. They are a pep band for athletic events, a marching band for parades, and a concert band during Christmas, spring and any other time a concert can be fitted in. They are an excellent group of which G. H. S. can be very proud.

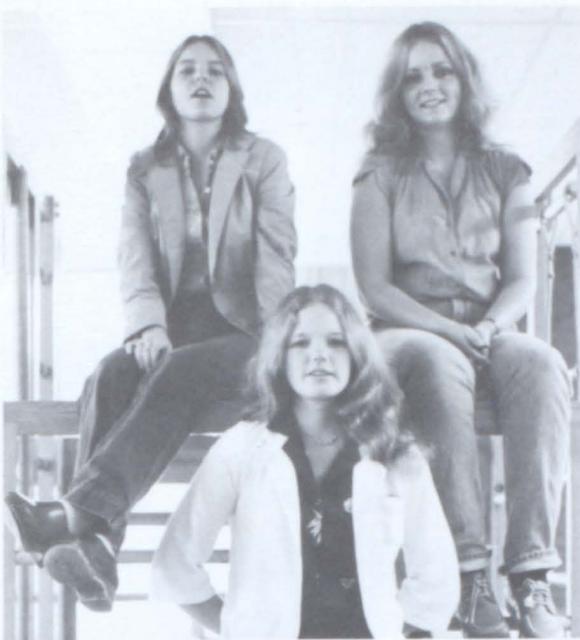

The Stage Band is a relatively new group, this being only its third year. However, the members play as if they've been together for much longer. This group has 20 members, who are also members of the Concert Band. The Stage Band performs a wide variety of music ranging from ballads and swing, to jazz and rock.

# G.A.A.

Members of the Gorham Athletic Association unite each fall to recruit new members. Each member must be a member of an intramural or team sport to qualify for membership. The G.A.A. sells candy bars to raise money for their scholarships, which are given out at the end of each year. They also provide money for any member who goes to an athletic camp. Their advisor is Mrs. Chadbourne. The officers for this year are Kelly Coggins, president; Kelly Butterfield, secretary; and Carol Philbrick, vice-president.

# CHORUS

The chorus at G.H.S. meets every day as a regular scheduled class. In addition to learning pieces for performances, the chorus is given instruction in breathing, phrasing, technique, and lessons in how to read music.

The chorus would like to give many thanks to their expert director, Mr. Joe Henry. He puts much time and effort into the chorus as well as his many other duties.

The chorus has raised money by selling Christmas ornaments and by donations at their performances.

Madrigals is a very active group under the direction of Joe Henry. They have grown considerably in quality since years past. It now consists of twenty-four members who were auditioned last fall and were selected for their quality voices, which is a must for madrigal singers. They perform throughout the year at the Christmas and spring concerts, at nursing homes, Christmas caroling, and other community activities.

Some of the activities that they run are the sound systems and lighting at the dances, and the sound and lighting for special activities such as chorus and band concerts, assemblies, and last spring's musical "Oklahoma." They will be the crew heads for the spring musical and for future "Hullabaloos."

# RAMSTER

The Ramster is the official edition of Gorham High School's own newspaper. It gives students and faculty a chance to express their concerns and thoughts about what is happening in the school and community. The Ramster has been very active this year under the stern hand of Kerry Kreiton. They have produced many controversial articles this year and hope to make the paper a bigger success than it has been in the past.

## NATIONAL HONOR SOCIETY

Gorham High School's National Honor Society is made up of students who have shown outstanding ability in leadership, scholarship, character, and service.

Near the end of each year, new members are selected from the sophomore, junior, and senior classes to represent the following year's N.H.S. members. They are honored before their family and friends at an induction ceremony.

The ceremony known as the Tapping Ceremony, is held in the spring of each year. At the ceremony the new members are each given a yellow rose, the society's official flower, and a pin to show their membership. They recite a pledge to uphold their academic standing and to continue in leadership, character, and service.

The organization's major fund raising activity is the annual carnation sale. Other fund raising events are the dance, and the High School Quiz game.

Kelly Boothby, Liz McKeil, and Todd Dresser represented Gorham High School in High School Quiz this year. Gorham was defeated by York but everyone who went had a fun time. Beth Woodbrey was the scorer, a job she begged to have again this year.

# DIRIGO

Dirigo Boys' and Girls' State programs are held each summer for one week following the close of school. Students who have just completed their junior year of high school come from all parts of the state to attend and learn about government workings.

The students are divided into mock cities and towns, counties and political parties. They learn about Parliamentary Procedure and town government and then hold mock state campaigns and state elections.

**Maine Scholars' Day delegates, L. to R.:** Sue Stevens, Kim Kreiton, Liz McKeil, Mary Stevens, Jenifer Morton, Laurel Pulsifer, Darragh Fohlin.

Each year the University of Maine at Orono, in order to offer in-state students more exposure to the University facilities, allows each high school in the state to send a certain number of students to Orono. The students have the opportunity to tour University facilities, to speak with members of the faculty, and to obtain scholarships. Last spring both Susan Stevens and Kim Kreiton won scholarships of two hundred fifty dollars a year (provided that they attend UMO).

## MAINE SCOLARS' DAY

The "SCHOLA" staff is a group of students that works each year to put together the yearbook. They work many hours during the fall and winter months to come up with new and interesting ideas which make each edition of "SCHOLA" unique. Many kinds of work are involved such as: copy writing, captioning, typing, artwork, photography, and page layouts. All of this must be completed before a certain deadline in order for the book to be available by the end of school.

The "SCHOLA" staff could not function without the excellent supervision of Mr. Ellison. He puts in many hours proofreading and criticizing every page of the book. He has been dedicated to the yearbook for many years and the staff would like to express its gratitude.

Another person who puts in many hours is Liz McKeil. Liz was editor of the book this year and lost many hours of sleep worrying about whether or not we could meet our deadlines on time.

The Student Council is the organization of student government at G.H.S. They act as a liaison between the faculty and student body. This year's activities have included two blood drives, a Christmas assembly, and the annual Winter Carnival. They have also run numerous pep rallies to support our athletic teams.

The officers this year are David Benson, president; Liz McKeil, vice-president; Lisa Marrone, secretary; and David Page, treasurer.

This year's advisor was assistant principal, Mr. Liechtenstein.

The members of the Junior Fire Department earn a small wage while fighting fires in the Gorham area. Not only do they fight fires but they shovel snow away from fire hydrants, clean fire trucks, and dry hoses. Periodically they have drills on the basic techniques of fire fighting, such as ventilation, forceable entry and salvage operations.

# KEY CLUB

The Key Club has been led this year by president David Philbrick. Other officers this year were: vice-president Winthrop Smith; treasurer, Richard Fish; and secretary, Jennifer Rioux.

The Key Club is a community organization and is the junior branch of the Prides Corner Kiwanis. They are both a local and international group. They work under the guidance of Mr. Hoxie.

This year several members attended a state workshop held in Lewiston. They learned many ideas on how to make the club more successful. Other activities that they did to raise money were a car wash, a casserole supper, and a candle sale.

The Cookie Booth Staff is made up of volunteers from the school. They give up their time voluntarily to work in the cookie shack during games and after school, to sell snacks, drinks, and athletic supplies.

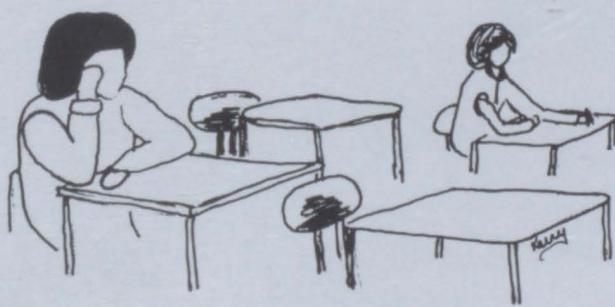

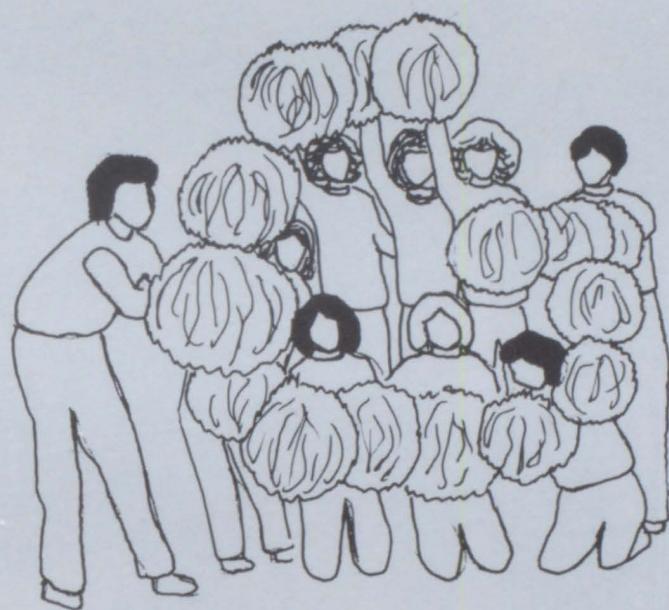

## COOKIE BOOTH STAFF

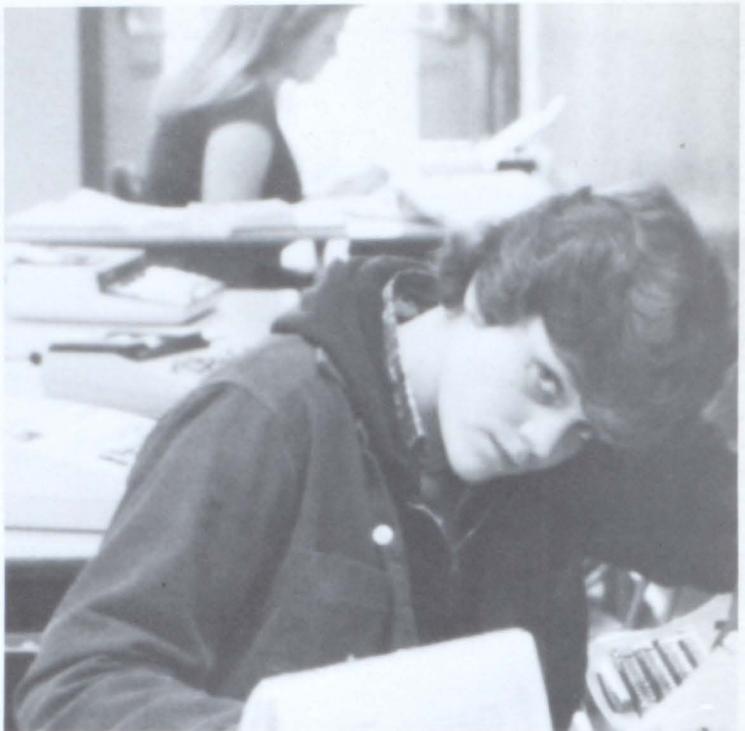

The proceeds from the cookie booth go into the athletic department fund for new uniforms, equipment, and other necessary things. The cookie booth is run by athletic director, Dean Evans.

Signatures

A solid red background with a faint, diagonal watermark of the text "nineteen hundred and eighty one" repeated across the surface. The watermark is oriented diagonally from the top-left towards the bottom-right, creating a subtle pattern across the entire page.

The image shows a solid red background. Overlaid on this background is a repeating pattern of the number "nineteen hundred and eighty one" in a light gray, cursive script font. The pattern is arranged in a grid-like fashion, creating a textured, watermark-like effect across the entire image. The script is slightly slanted, giving it a dynamic appearance.
