Dedication

Dear Mr. Grant,

We, the class of 1982, are writing this letter in the firm belief that it will reach you. We wish you to know a few things about Gorham High School today. First, you should know that you are greatly missed and warmly remembered. These are our reasons for dedicating **Schola 1982** to you.

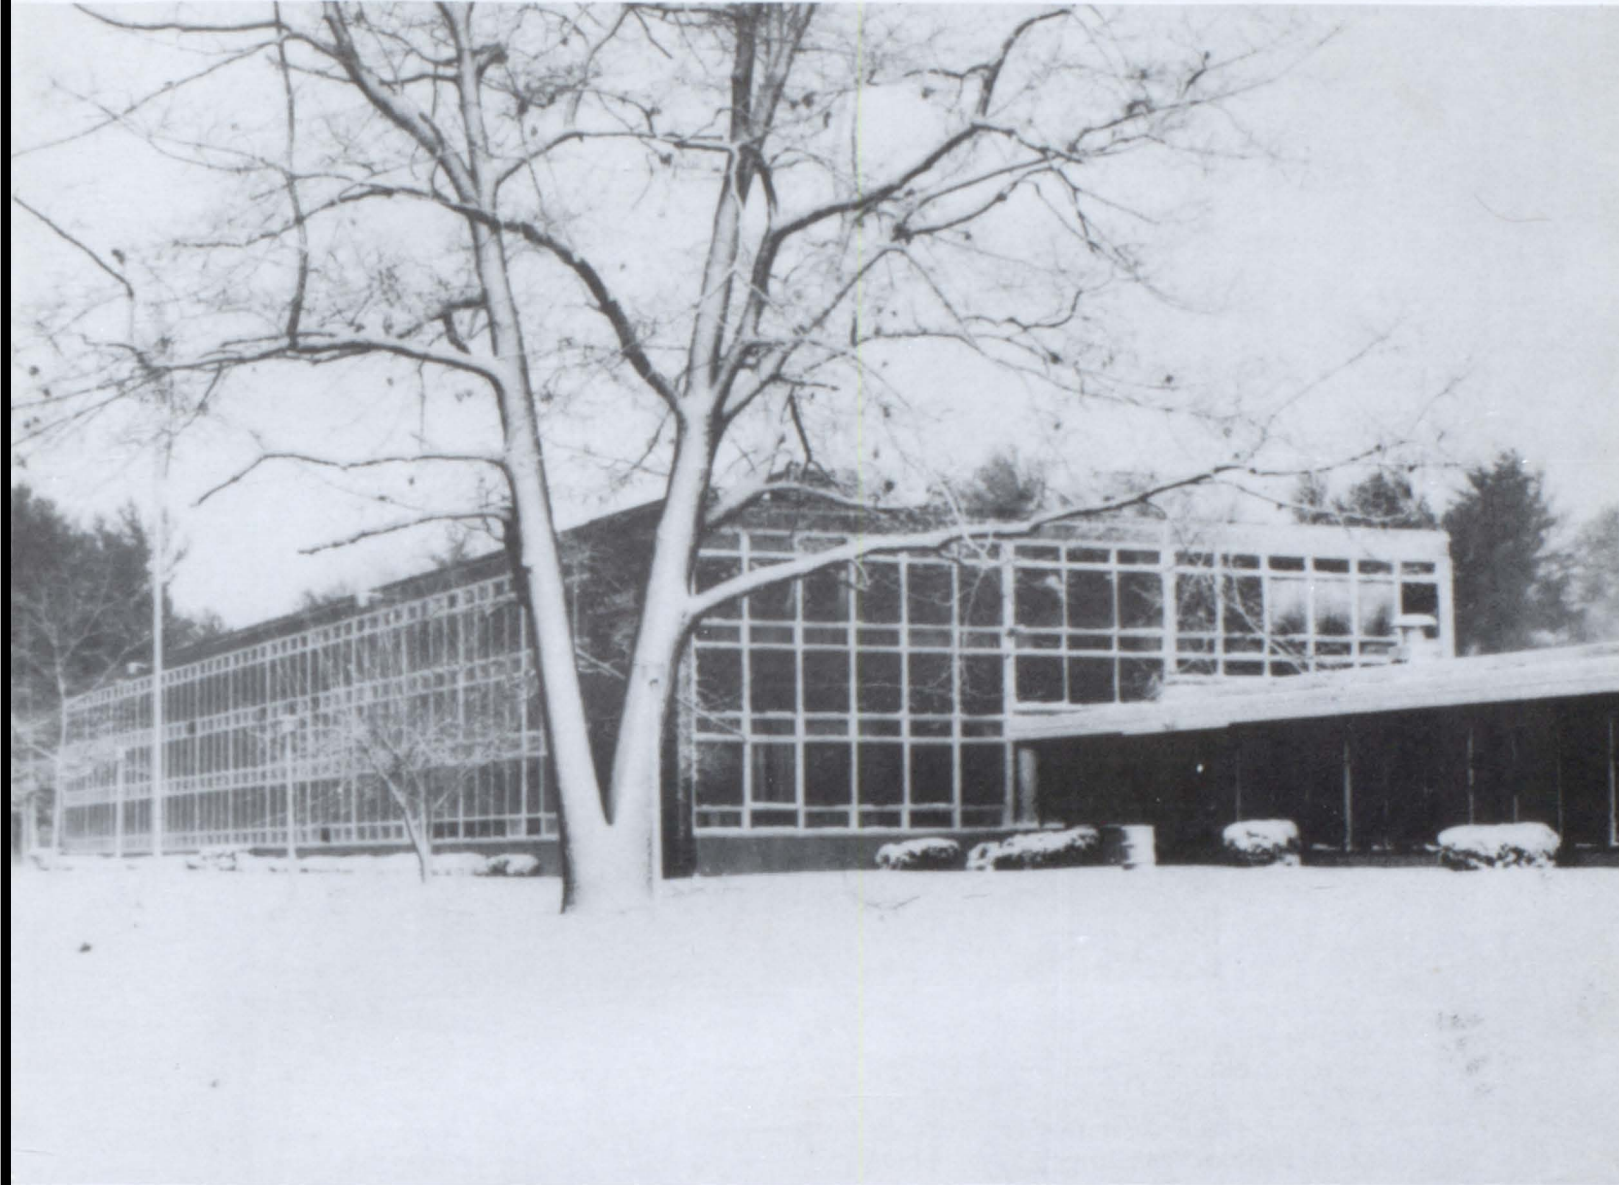

Second, we would like you to know that we have come to appreciate the high standards which you set for us. We thank you for the generous way in which you gave your time to our musical comedy productions and to our boys' tennis team. Know, too, that we respect your professionalism as a teacher who knew his subject.

Above all, it is the compassionate person with a sense of humor and a ready smile whom we miss most of all.

Sincerely yours,

The Class of 1982

Tribute

Since **Schola** was born in 1912 it has been minting memories that all graduating classes will never forget. The actions of past senior classes who have graduated from the old firehouse, the old high school, and the new G.H.S. will ever live on the pages of all **Scholas**. Now, as we face a new frontier, the class of 1982, presents the seventieth anniversary edition of the Schola.

Our Alma Mater

Schola 1917

G stands for Gorham High;
Well we might be proud of her name,
Hold her banner to the sky,
and sing songs of her winning fame.

How can we help our school? you say,
The answer comes quick and strong;
Whenever we come to a trying day,
Do what is right, and never do wrong.

Soon others will come to Gorham High
To prepare for their lifes work.
Remember the ones that always try,
And win, are those that never shirk.

Hurrah!

Hurrah! Hurrah! For Gorham High School
Long may there be
The cheers from the grandstand
To lead us on to victory
And never more shall we stop fighting
'till the seasons o'er.
Hurrah! Hurrah! For Gorham High
and shout once more.

We the staff of the 1982 **Schola**, would like to wish the Senior Class luck and success in their future endeavors.

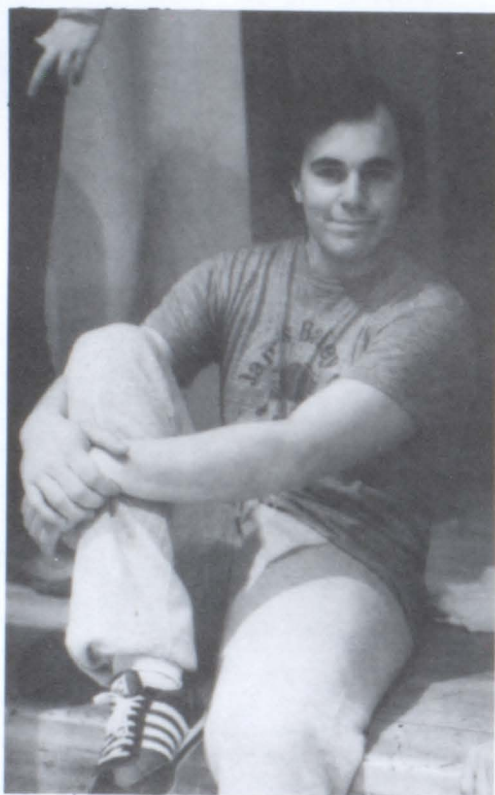

Have a helluva good time on June 13th!
