DEDICATION

The class of 1986 is pleased to dedicate Schola '86 to Mr. Gordon Strout. Let this dedication be a sign of appreciation for all of his effort, guidance, and friendship in the past years. As advisor to the senior class and the Prom Committee, Mr. Strout contributes a tremendous amount of time and effort to the students, and their activities. Our warmest thanks are extended to you.

Sincerely yours,
The Class of 1986

On This Day

Mend a quarrel.

Search out a forgotten friend.

Dismiss a suspicion and replace
it with trust.

Write a letter to someone who
misses you.

Encourage a youth who has
lost faith.

Keep a promise.

Forget an old grudge.

Examine your demands on others
and vow to reduce them.

Fight for a principle.

Express your gratitude.

Overcome an old fear.

Take two minutes to appreciate
the beauty of nature.

Tell someone you love them.

Tell them again.

And again.

IN LOVING MEMORY OF:

MARK BRIAN ALLEN

Mark was our very special son and brother. It seems when you have a child you know will not live long, you want the most out of life for him. His time was quality time. He lived life to the fullest. He taught us the real meaning of love. He didn't waste his time feeling sorry for himself. He lived his life one day at a time. His faith in God was astounding I'm sure his faith carried him through his trials with cystic fibrosis, to the end he was looking forward to seeing his God. One of the things Mark asked us to do was let the kids at school know he was a Christian, this was very important to him. Thank you Gorham High for being Mark's very special friend. I never once heard Mark speak ill of any one at school. If Mark had been well and lived he would have wanted very much to serve his country. He had poster of the Army, Navy, Coast Guard, all over his room. We are still getting mail from the service. I'm sure Mark would have told his classmates, don't waste time feeling sorry for yourself when you have trials in life. Mark your time counted for something.

**WE DEDICATE OUR SENIOR SECTION
TO THE FRIENDSHIP WE HAD WITH
OUR FELLOW CLASSMATE, MARK.
-THE SENIOR CLASS OF 1986**

I want to teach my students
how to live this life on earth-
to face its struggles and its strife
And how to improve their worth
Not just the lesson in a book
On how the river flows-
But how to choose the proper path
Wherever they may go.
To understand eternal truth
And know the right from wrong.
And gather all the beauty of
A flower and a song-
For if I help the world to grow
On wisdom and in grace
Then I shall feel that I have won
And I have filled my place.
And so I ask your guidance - God
That I may do my part -
For character and confidence
And happiness of heart.

These Years

These years hold so much promise,
And so much hope.
Excitement for the future,
And fear for loss of the past.

The past is only reminisced,
The future always contemplated.
You can't go back,
But you don't want to go forward.

What you were is plain to you,
But, what you will be is unknown.
Most of all,
Who you are is a mystery.

The past is something you're sure of.
You know your mistakes, and successes.
The future could be all failures,
Yet it could be full of even more successes.

One little person can make such a difference,
The question is, are you going to bother,
Should I be an innocent bystander,
Or should I move mountains?

So much can be done in the future,
Yet the past holds so much.
Memories,
All those memories.

The memories are already there,
Waiting to be grasped,
Not newly made,
As the future wants.

The past was so easy, and so sheltered.
Should you hold on to that forever,
Or should you let go,
And start to be a shelter yourself.

These years hold so much promise,
And so much hope.
But even more, they
They hold our true selves.

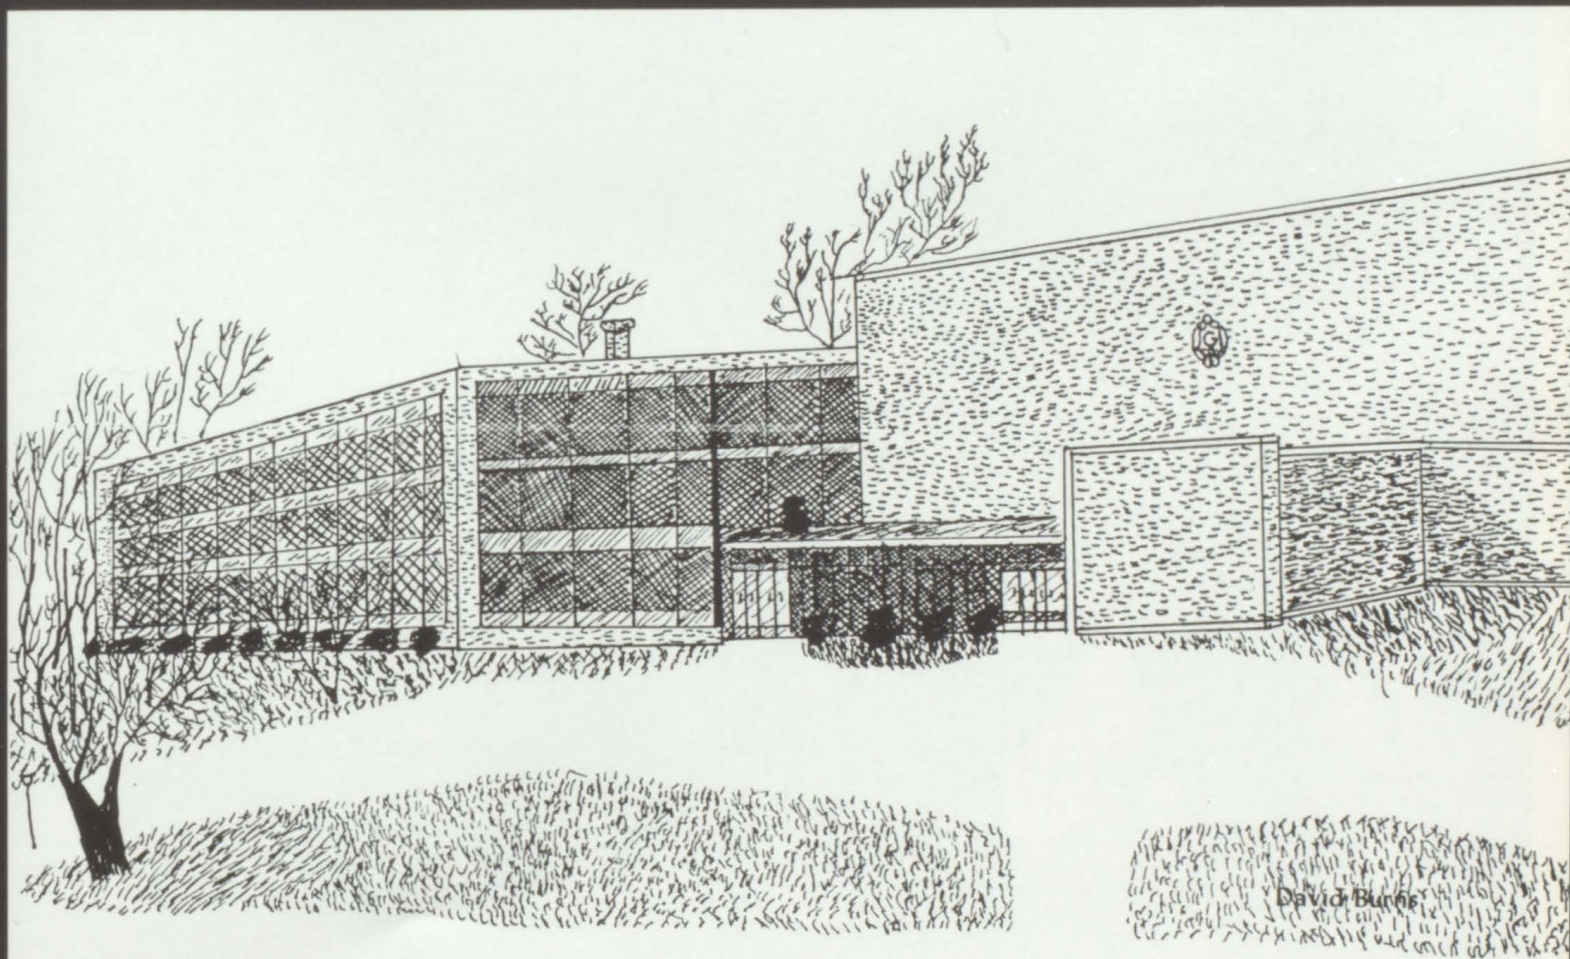

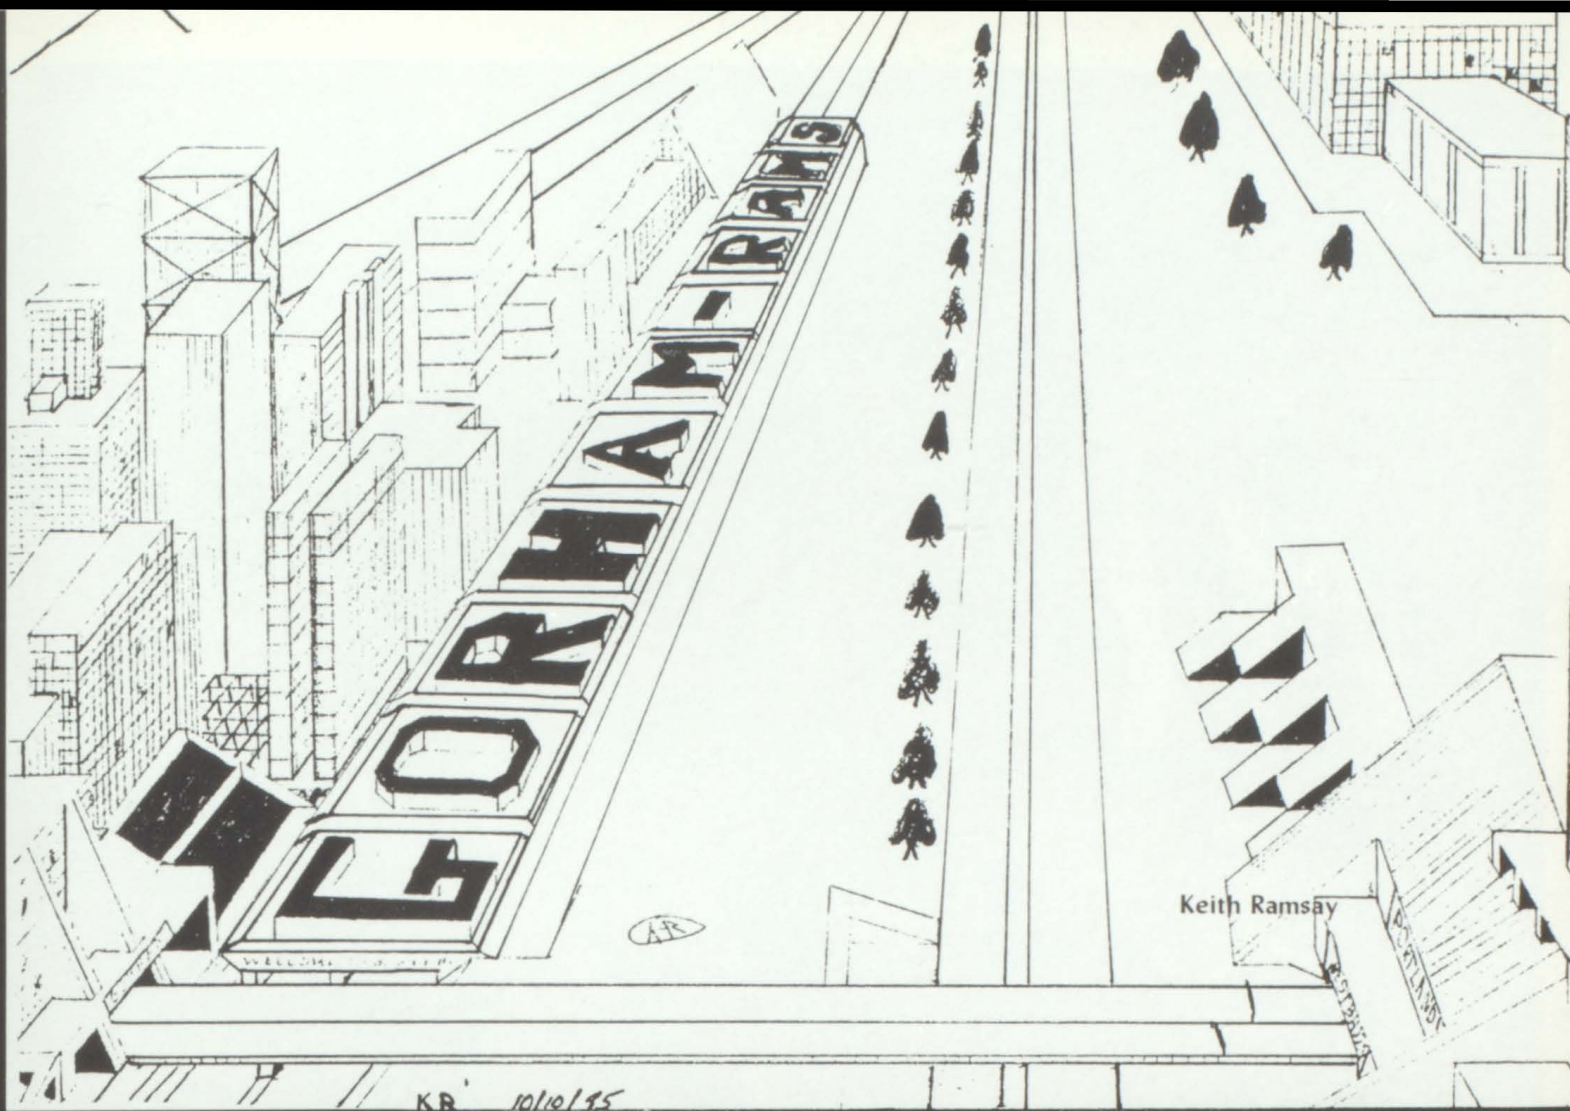

-Gayle Hawkes

Seniors

So here we stand,
At the end of our beginning.
As we walk these halls
For the last time together,
Memories fill our minds.
Through tears and through cheers
We've become a team.
We've lost and we've won.
We've sung and we've cried.
We follow now
The separate paths we've chosen.
Whether or not
We will meet once more,
Is only for time to tell.
But for now,
It's good-bye.

PROM '86

Under the supervision of G. Strout and chairperson Tric Pelletier, the Prom committee made many changes in 1986 that have been beneficial to the production of the '86 Prom, "An Evening in Paris".

The hard work and cooperation finally came together as a successful evening on June 7, 1986.

High School . . .

It was the best of times,
It was the worst of times,
It was the age of wisdom,
It was the age of foolishness.
It was the epoch of belief,
It was the epoch of incredulity,
It was the season of light,
It was the season of darkness,
It was the spring of hope,
It was the winter of despair,
We had everything before us,
We had nothing before us . . .
It is a far, far better thing that I do,
Than I have ever done . . .
