## DEDICATION

The Class of 1988 is proud to dedicate the '88 edition of Schola to Mrs. Deborah Roy. This is done as a symbol of appreciation and thanks for her friendship and guidance, both in the classroom and out. Mrs. Roy has been teaching at Gorham High School for thirteen years. She teaches Spanish I to Spanish V, relaying her vast knowledge of Spain and its language to her students with enthusiasm. In addition, Mrs. Roy travels with a group of students to Spain every couple years, and takes each exchange student at the high school under her wing during their stay in America. For her friendship, humor, guidance and knowledge, we, the Class of '88, thank you, Mrs. Roy, and hope you will do as much for others as you have for us.

Sincerely  
The Class of '88

I am never more serious  
than when I laugh.

Say please, please, please  
don't go away — George  
Michael

It's been the best of times  
and the worst of times

Our minds are lazier  
than our bodies

In a war of ideas, it is  
people who get killed —  
Lee

## IN MEMORIAM

The Senior Section of the 1988 Schola is done in memory of Terry Duran in hopes that we may never forget her — as a fellow classmate or as a dear friend.

Rainbow Angel

Ode to you precious rainbow, delicate angel.  
Your bold colors melt through the sky  
leaving all absorbed within the question "Why"?

The rain has dried  
Your life passed by quicker than the wink of an eye.  
Oh!

You never said "goodbye."

Now you're gone.  
Your conscience shall forever go on,  
we'll never forget when you faded away  
on that long, warm summer day when all went wrong.

When I do see a rainbow,  
bold as love I will fully understand.

We love you,  
We miss you.

God bless you Terry Duran.

## TALENT SHOW

It was Thursday, February 11th, and a huge crowd had gathered in the gym; it was bound to be an exciting night. As the curtains parted, Mr. Strout stepped out on the stage and welcomed one and all to Gorham High's second annual Talent Show. The crowd went wild.

One by one, the judges were introduced. The star-studded panel of celebrities included WBLM D. J.'s **Mark Persky** and **Tommy C.**

Finally, it was time for the festivities to begin. The opening act was performed by the Stage Band, after which the acts followed in order according to Class. The Freshmen had one act; the Sophomores had two acts; the Juniors had four acts; and the Seniors had five acts. Mr. Strout also sang some tunes, including the closing performance.

Some memorable acts include Junior dance routine performed by Kelly McGinnes and Angie Ertinger, and Senior Sue Lewson's vocal talent accompanied by Julianne Garland on the synthesizer.

According to the judges, the best performance of the evening was a Sophomore band. The talented members included Jerry Smith, Tom Noonan, Gus Ventimiglia, and Matt Meyers.

## CRAMMING FOR MIDTERMS

Gorham High has a new addition this year; the addition of the long awaited midterms. Midterms were held the first week in February. Each class was given one and a half hours to take the test.

People were found scattered throughout the halls cramming for their next midterm. There were others who were left studying (and praying) at the last minute.

Those few hectic days in February led to many successes and hopefully few failures.

All in all, the time spent by the students was well invested and requires the admiration on the student body and the faculty.

Midterms are a trying time for any senior student; Donald Bernier begins to consider giving up his studying for a more enjoyable task.

## WINTER CARNIVAL

Winter Carnival 1988 was cancelled because of one of the worst storms of the year. Winter Carnival is always a day for the classes to show their stuff. The Seniors pick on the Freshmen and the Juniors threaten to take the lead. This year's Winter Carnival would have proven to be quite the battle because the Freshmen won the Talent Show with only one act.

Since the Carnival was cancelled and was considered one of the original five snow days, the administration was not going to reschedule it. However, enraged Seniors Nicole Clegg, and Chuck Pickelhaupt had a different idea. They started several petitions to have Winter Carnival rescheduled. They got the signatures of one-third of the student body and we got our Winter Carnival back.

Debbie Penniuk and Aimee Marandola find that cramming for midterms isn't as much fun as a good joke.

Chuck Pickelhaupt and Dana Phinney angrily add their names to the Winter Carnival Petition.

Erika Heckman, Sharon Robinson, and Handi Dolloff study their music.

## COMMUNITY CHORUS

The 1988 Community Chorus provided an opportunity for the High School chorus to work with members of the community in preparation for a March sixth performance.

The Chorus, under the direction of Mr. Henry, meets on Monday nights from 6:30 to 8:30 at the South Gorham Baptist Church. Here, they rehearse their program which includes old favorites such as Mozart's "Regina Coeli," and "Saul" by Egil Hovland.

To help cover the cost of an orchestra to accompany the chorus, raffle tickets for a weekend trip to Florida were sold. The students also solicited ads for the concert program.

The concert was held on March 6th at 3:00 at the South Baptist Gorham Church. The Junior High and High School choruses performed, and then the Community Chorus presented their program.

The concert represented much work on all three groups' part. It was also a rewarding experience for everyone involved.

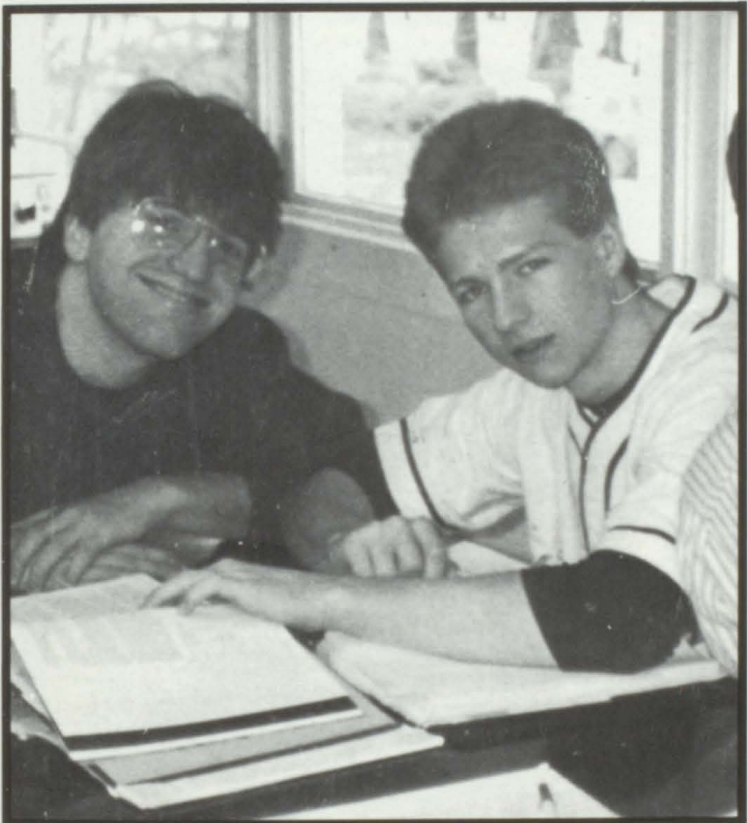

Janet Kafkas and Kathy Pickelhaupt practice the music during Chorus.

## EDITORIAL: ADVANCED PLACEMENT CLASSES

Classes in English, Biology, and U.S. History have been introduced to Gorham High School for the first time this year. AP Classes have been successful at other high schools and I feel, as others do, that they are successful here as well.

The courses in English and Biology are for seniors, while the history class is mainly for juniors, but seniors may enter. The advantages of the AP classes are many. These classes offer challenges to students who normally would be bored with regular Advanced classes. The main point is to prepare a student for college courses. Teaching the student to think, instead of just work, is stressed. Another big advantage is that the AP student can possibly attain college credits while in high school by taking the AP Exam at the end of the year.

I encourage anyone who wishes to be challenged in a certain area of school to take an AP course, but these classes are not for everybody. One should consider many things before applying for the class. If you have the interest and the ability, the AP courses are for you. Nick Gass

Camping out for five hours at Logan Airport wasn't bad compared to JFK's 22 hour stay!

## SPAIN TRIP '88

The '88 Spain trip, after an ill-fated start, was a great success. Following a drive to Boston in a blizzard, we spent the next 27 hours in various airport terminals — in the U.S.A. Finally we boarded a TWA flight to Madrid arriving a day late. This, however, did not dampen our spirits. After some rest and some showers, we toured Madrid — The Retiro, El Pardo, El Palacio Real, and Puerta del Sol (for an extensive shopping excursion).

We then hopped a flight to Málaga-Costa del Sol on the Mediterranean. Here, during our four-day stay, we experienced many different cultures, including the Moore (The Alhambra), the gypsies, and the modern American tourists. We took a side trip to Mijas (a town high in the coastal mountains) and visited the Plaza de Toros and rode around town on burro taxis. We ended the stay in Costa del Sol with a visit to Borcelino's Palace, a popular discotheque in the heart of Benalmadena. The ten weary travelers reluctantly returned to little ole Gorham, Maine, after a wonderful week in España.

Down on the board walk next to the Mediterranean Sea, Cris, Renee, and Mrs. Roy stroll in the sun.

Cris finally gives up and goes insane while Laura resorts to profanities on paper during the 16th or 17th hour at JFK.

Neil and Ellie take the stage at Borcelino's Palace.

Dave Hill tries his luck at pool while Neil, Renee, and Laura look on.

Renee, Laura, and Cris take in a few sights at Mijas.

Laura kicks back and relaxes in Dave's boots after a long day of shopping in Torremolinos.

Neil, Cris, and Ellie (who is, of course, asleep) enjoy a peaceful transatlantic flight.

Chatting in a Madrid hotel room, Dave, Cris, Renee, and Neil relax and reflect on the day's events (and quotes!).

Almost home, the Spain Gang poses for one last shot at their favorite Five-Star hotel — JFK.

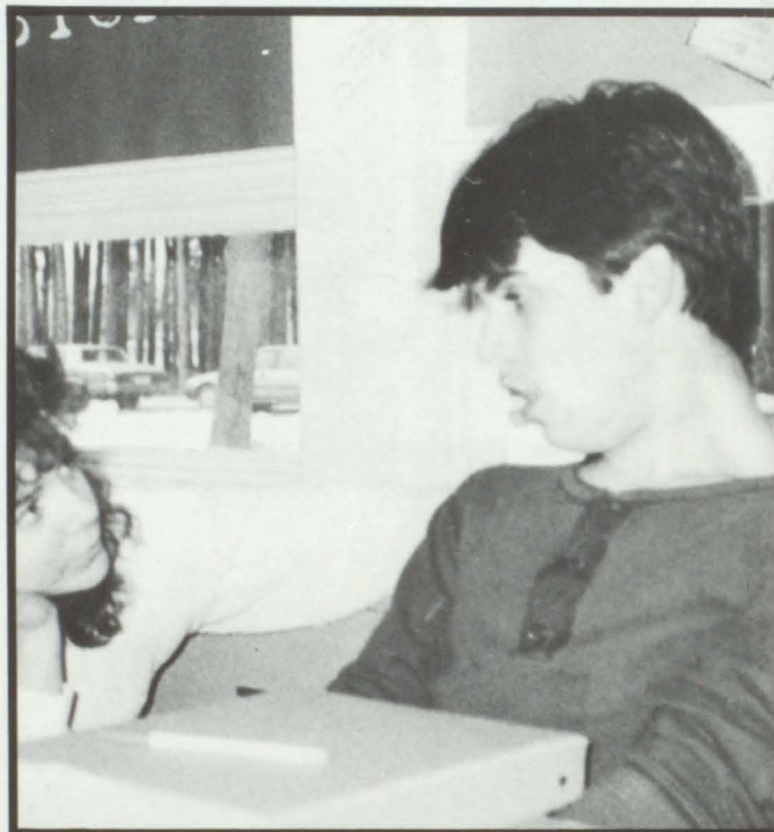

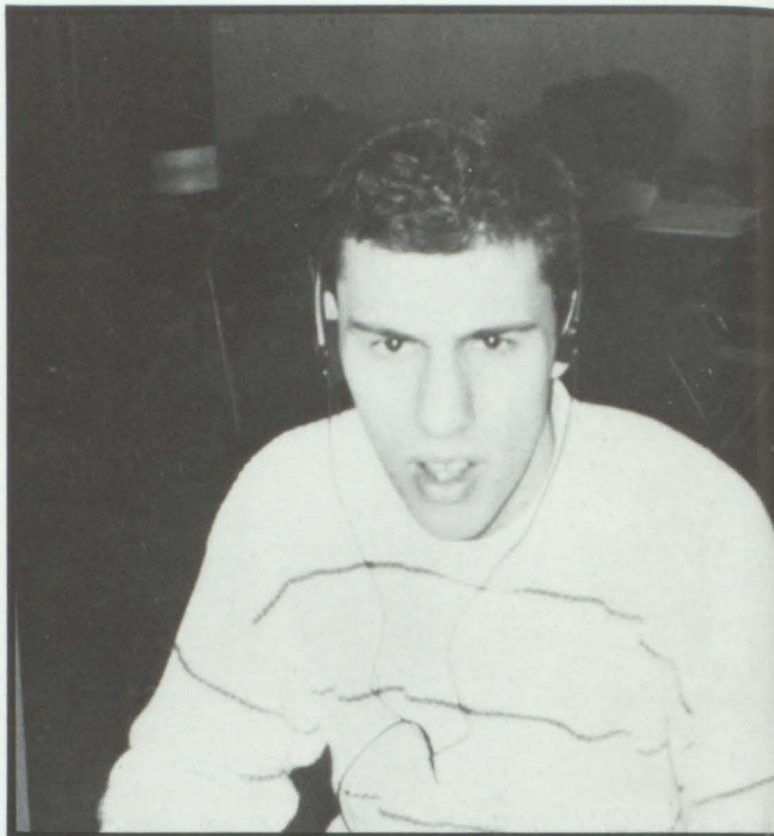

Cris and Neil change currency, expertly using the Spanish language, in the airport in Madrid.

## GORHAM CAFE

There were two changes made in the lunch format for the school year of 1987-1988. The high school had three lunches instead of two because of the size of the Freshman class. We also had a new addition to the cafeteria, a salad bar. The salad bar took a winter vacation from Christmas until the beginning of March. This was because fresh veggies are hard to come by in the winter and so salad was too expensive during this season.

During some lunches, the high school radio station, WGHS, broadcasted throughout the Senior hallway.

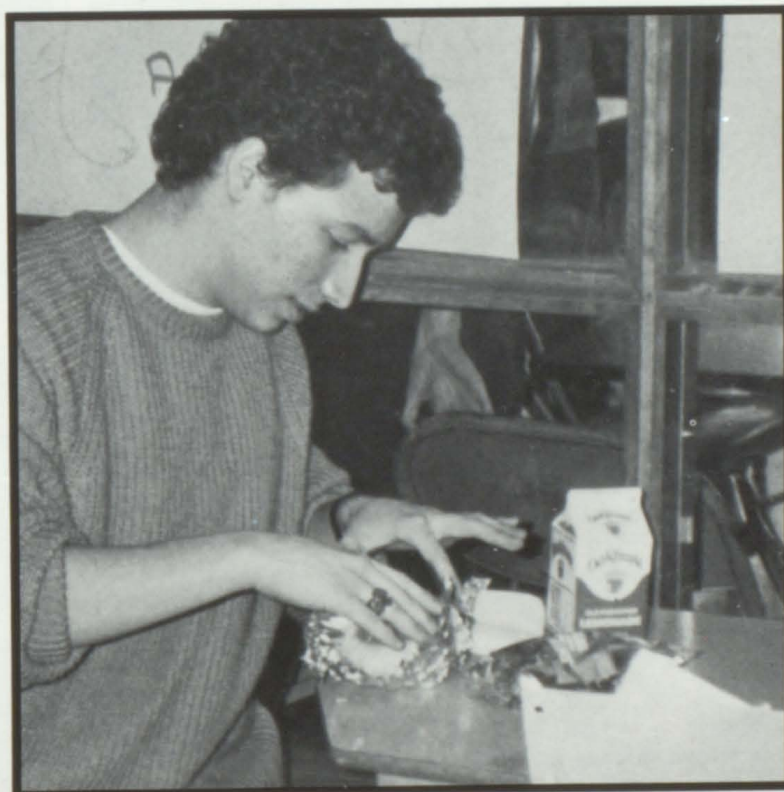

Lunch at GHS is more than a meal. It is a study hall, a social hour, and an adventure.

Left: Leigh Webber munches out.

Left: Rhonda Sampson enjoys her lunch in the lobby.

Below: Chuck Pickelhaupt picks at his sandwich.

## MAKING OF THE COVER

The cover of this year's yearbook is one that is both non-traditional and fun. The cover is a collage of things from the school and events that happened around the world. Some are easily recognized such as the picture of Ollie North and the Cookie Shack sign. Others have special meaning to those who brought them. Like the whale bones and goldfish put in by Nicole Clegg and Chuck Pickelhaupt, two of Mr. Crowley's students. The other things such as the Gorham jacket donated by Anne Graham and the "piece of the rock" donated by Nancy Robinson and Katie Collins are special high school memories. The locker raiders brought back locker decorations that were funny, meaningful, and important for the overall effect. There were many people there under the direction of Shana Gora and some of the other yearbook editors, including Laura Morton, and Carmen Nobel, and Sarah Maxwell. The helpers included Dana Phinney, Pete Bernard, Anne Graham, Chuck Pickelhaupt, Mark Knott, Nancy Robinson, Katie Collins, and Nicole Clegg. All in all the making of the cover was fun and made the yearbook more special.

Right: This is a proofsheets which shows all the pictures on a roll of film. The circled pictures are one we had enlarged.

Carmen Nobel crops the picture for the cover.

Shana Gora snaps photos of the meeting and the wall arrangement.

## THE MAKING OF "GREASE"

Gorham High hadn't produced a musical since 1985, and the music department decided that it was high time for another one. They announced in May of '87 that the 1988 musical would be "Grease." Almost everyone was happy about the choice, and they were anxious to get involved.

Tryouts took place after December vacation. The halls were filled with nervous students crumpling and uncrumpling their try-out music and practicing their pieces under their breath. There was a great deal of friendly (and not so friendly) competition. Over seventy people tried out. They auditioned individually if trying out for a lead part, or in a trio if trying out for the chorus. The three judges Mr. Henry, Mr. Mathieu and Mrs. Roy, had the tough job of picking a cast. Eventually the cast was narrowed down to 48 people, with 17 speaking parts and a strong chorus. Mark Levine and Kim Bowers were given the lead roles of Sandy and Danny. Jennifer Schwicker, a new student at GHS, received the role of Rizzo. The rest of the cast is printed below.

In the beginning, the full cast met once a week. The leads attended these rehearsals plus one per week for them exclusively. As the production neared, however, rehearsals became much more frequent.

Rehearsals went extremely well. We had some minor problems getting into character. The characters were quite different from the students who played them. Mark Levine had to not smile! Dana Phinney, as Kenicke, had to act "mean and surly."

Everyone was thrilled with the energy that Dean Walker put into his part of Johnny Casino. It inspired the rest of the cast.

Betsy Milne's mom, Dory Bridges, who has always been a great help to the music department choreographed "Grease" and she made the best of a tough job.

Mr. Mathieu put a lot of pressure on us by saying that "Gorham High has always produced exceptional musicals." The pressure paid off. Grease was a great success.

## GORHAM HIGH IS "BOMB-BARDED"

For a time in October, Gorham students were out of school nearly as often as they were in. It started as what we thought was just another fire drill. Then police and firefighters arrived on the scene, and students were told to stay away from the building. Long before we were allowed to set foot inside again, we knew what had caused the alarm, a bomb threat.

The mysterious "bombers", rumored to be anything from Israel terrorists to potential insane asylum inmates, turned out to be three students — what a let down! While police were searching for clues to the callers' identities, we were being shuffled from classes out into the frigid autumn air and back to classes as threats were made. Some were angry and afraid. Others were just glad to be missing school.

The following pictures are dedicated to our fearless student body who withstood those tense weeks of waiting and wondering.

# SCHOLA

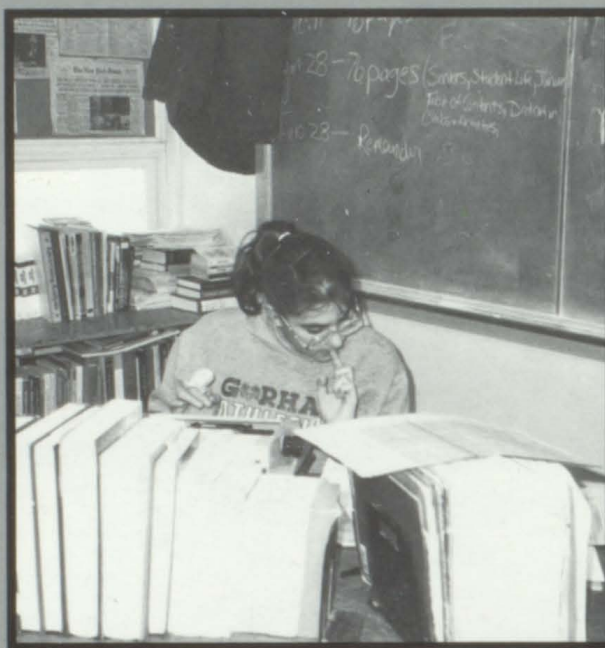

1st row: P. Bernard, C. Ide, S. Maxwell, S. Gora, N. Robinson, K. Collins.

2nd row: J. Bell, S. Sendzik, G. Sendzik, J. Labrecque, P. Malinowski, N. Clegg, L. Morton, C. Noble, Mr. Carter.

No matter how it's done, the yearbook takes a lot of hard work and dedication. Going through transition, the Schola staff has an ever tougher job experimenting with new ideas and styles while still pleasing the majority. Second year editor Shana Gora led this year's staff through many difficult times such as late deadlines, missing photos, and both a new photographer and a new Publishing Company. However, no matter how trying, it is worth our efforts and trouble to produce a complete collection of memories here at Gorham High School.

The Yearbook staff would like to thank Mr. Carter for his time and endless devotion, and all the others that helped to make this edition of Schola successful.

Hmmm, what to do?

The Ramster started with a new platform for a school newspaper. This included horoscopes, comics, sports, and editorials. It also had many great contributions from the student body, including Lynn Patershall's clever insights, Mark Knott's artistic abilities, and Nicole Clegg's editorials. The appearance of the paper also changed, including the publishing. We hope to have another successful year and perhaps an active role in the school.

The debate team consists of three specific groups; the L.D., Oregon, and speech groups. The speech consists of extemp (no preparation) and prepared speeches. The Oregon debaters debate in teams of two, with one policy topic for the whole October-March season. The Lincoln-Douglas debate is a one on one debate of values, with every-changing topics. Gorham has grown over the last four years and has become a top contender in the state meets.

# COOKIE SHACK

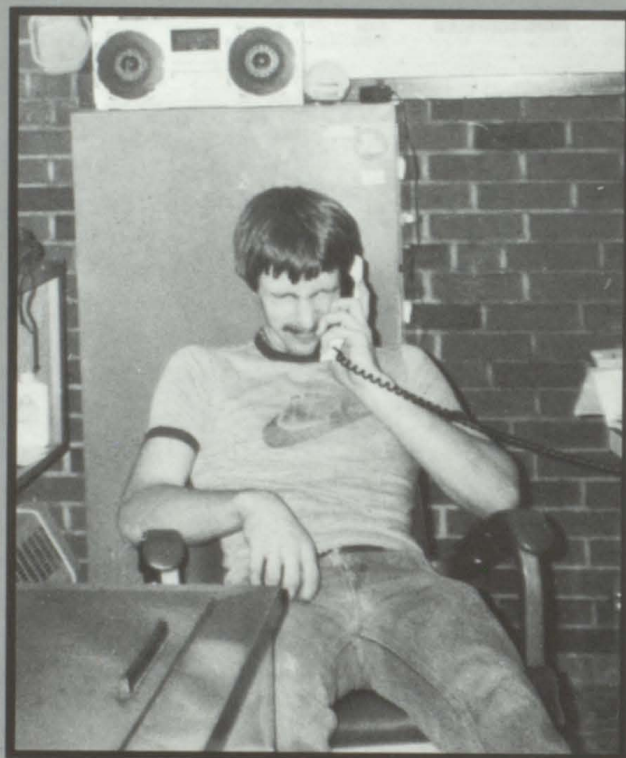

J. Mains, P. Bernard, J. Young, S. Gora.

The cookie shack, the well-known snack bar of GHS, has had a busy year. A new athletic director, took over the responsibility of keeping the cookie shack from crumbling to the ground — he's saved the cookie from crumbling.

Mr. Wiblin arranged for the crew to get ready for the games before school started with the cleaning of the outside cookie shack. We were in tears while we worked — the dust was at least 2 inches thick! A few sneezes were heard too. By soccer season everything was ready to go. The only things we weren't prepared for were those cold nights of standing outside and serving hot beverages to the fans and those bees who like to drink "pop." (T.W.)

Basketball season was next and with that came the cleaning of the inside cookie shack and the start of our sale of shirts, sweatshirts, and hats at bargain prices.

By the end of the year the crew will just be working after school and doing inventory. Next year a new crew will be started and another year of dust, bees, games, friends, and fun will begin.

Can't you do that on your own time, Jim?

Hopefully Gorham's S.A.D.D. chapter will grow and be of help to the students at Gorham High School.

Geoff dislikes the situation.

The baseball team continued its strong rebuilding with a 1987 Western Maine Championship. Under first year coach, Kirk Butterfield. The Rams had a 14-2 regular season and owned the West. The celebration however, was brought to a quick halt with a 9-4 State game debacle against Ellsworth. Despite graduating 5 strong starters Ram baseball should avenge that post-season finale loss in 1988!!

# SOFTBALL

The Gorham High School Softball team ended the 1987 Season with a 10-7 record. The season was affected by numerous injuries to several players, but through it all, we qualified for the play-offs, where we lost in the first round to York with a score of 8-6.

The team lost five senior starters. But, we are hoping to fill their positions with newly active returning members and also by incoming freshmen of this year. Therefore, we are entering the '88 season with a positive attitude, under the coaching of Vern Plummer and Kelly Littlefield, and also by the leadership of returning senior captains Dawn Berry and Rhonda Sampson.

## TENNIS

The Gorham High School Tennis Team played a Cinderella like season in 1987. Captained by our number one, Jay McCormack, we realized a string of proud near-victories. Bert Fournier, the prototype of tennis excellence in the coaching world stood firmly by the old adage, "quantity, not quality," allowing everyone a chance to play. Our team's raw, untapped talent did, however, in a surge of blooming mediocrity allow us a few meager victories over our fierce opposition. Next year we hope to unleash the true athletes hidden within the quivering mass that is our team. Deep your eyes open for such rising stars as David "Boris" Cousins, Nickie "Bones" Gilman, Mark "Lightnin'" "Levine, Chuck "Noni" Pickelhaupt, and Steve "Let me at 'em" Frinsko.

# SPRING TRACK

The 1987 Spring Track team had its finest season in quite some time and with the return of many outstanding athletes this spring the Rams are looking for a superb season.

Last year's team was led by captain Chris Davis in the hurdles and high jump. Davis ended his senior season establishing a State of Maine record in the high hurdles. Junior, Tom Capozza, was the jump specialist ending up second in the long jump in the States. Weightmen, John Plumley and Dana Phinney contributed valuable points meet to meet. Plumley was the Western Regional shot put champion. Junior, Jeff Young gave needed assistance in the distance events. Young was the one mile champion in the Western Maine Championships. Veterans Mark Knott — High hurdles, David Hill — intermediate hurdles and John Dudley — member of two relay teams added depth to the team. Additional points were turned in by the Rams number one freshman ace Chris Newell in the javelin and senior come lately George Babb in the pole vault.

The 1988 team will host two regular season home meets along with two two-night meets (under the lights) to give area fans a chance to view the talented Rams.

# CROSS COUNTRY

The 1987 Boys Cross Country team experienced its most successful season in years, compiling a 14-3 season record. With only one senior, the future looks bright for the young Ram Squad. The Team was led by senior Jeff Young, followed closely by junior John Dudley and sophomore Charlie French, with first year runner Tom Noonan showing strong determination. Dave Hill, Jeff Farwell and Dan Hayden rounded out the top seven with Peter Jacques, Jamie Douglas, and Pedro Nieves giving much needed support. With Coach John Wilkinson, the Rams have earned more respect around the State of Maine each year. The odds are that this year's Fourth Place Finish at the State Championship only hints at what is possible in the near future.

Scooter Moore, Jelly Jean, Cheerah Robinson, Ozzie Forget, Coconutty Ide, and Strawberry Smith, were led by a great coach Wilky-baby, to a wonderful, fulfilling season we were all proud of.

As we ran our intense mileage every day, we got to know each other quite well. To bring the season to an unforgettable close, before the big championship meets, we all got together for pizza or spaghetti. If any member of the team had to sum up the whole season in one word, it would be sharing.

This year's soccer team, under rookie coach Mark Leavitt, ended the year with a 9 win, 7 loss, 1 tie record. The team overcame an inexperienced lineup to become one of the more talented teams in the league. Gorham was led by Veteran seniors Kirk Boyd, Gareth Slattery, Dave Brown, Tom Capozza, Nick Gilman, Dana Phinney and Chris Frey; all of whom had been members of last year's varsity team. Captained by 3 year lettermen Gareth Slattery,

Kirk Boyd, Dave Brown and Tom Capozza, Gorham beat Greely 2-1 in double overtime in the first round of the playoffs, for the first time in 4 years. Unfortunately, the team lost in the quarterfinals to Bonny Eagle, 1-0.

B. row: Coach G. Speed, S. Libby, E. Dyreburg, E. Heckman, K. Congdon, J. Cross, L. Morrill, L. Mosher, A. Aube.

What an incredible year the girls soccer team had. In only their 3rd year of existence they captured the League and Western Main Championships, and lost a rough 1-0 decision in the state finals to a strong 17-0-0 Mr. Ararat team. This incredible season even surpassed the expectations of Coaches Speed and Rondeau, both in their second year of running the program at Gorham.

The team was led by senior Co-Captains Stacy Bernier and Faye Mosher. Stacy, a 2 year Captain, was the leading scorer with 8 goals and 5 assists. Faye anchored the defense, containing the right side of the offense where most of the scoring opportunities came from. Kellie Pettengill was superb in goal, registering 9 shut-outs, including 2 in the play-offs. Dawn Berry was strong on defense and her direct kick was the game-winner versus Portland in the semi-finals. Jenny Pettengill was another stellar performer for the Lady Rams at half-back, being the key link between the transition of offense and defense.

The team will sorely miss these give gifted athletes and leaders next year. However, there are many fine athletes as hold-overs from this Championships Team.

With the development of Coach Rondeau's J.V. Team, undefeated and united at 13-0-0, the continued success of the Lady Rams over the next few seasons is assured.

The overall season went well. We made up a number of routines and half-time cheers to support the boys Varsity Soccer Team. The last home game the senior cheerleaders and the senior soccer players exchanged roses. All and all it was a great season and many new friendships developed.

## GOLF 1987

The Gorham golf team ended their season with an eight wins, six losses, one tie record. The team pulled through in the clutch all season long. When out 1 and 2 men didn't get the job accomplished our 4 and 5 men tried harder and came out ahead in the end. The team lost a lot of close matches by half a point or a point which always lowered the spirit of the team. But the next match we would rebound back and blow

the opposition away.

The number 1 man was Jack Barnett. He had a consistent season with being right around the low 40's or upper 30's. He faced a lot of tough matches and that is why his record is not top notch.

The number 2 or 3 man was Captain Jamie Smyth or Pat Higgins. These two fought for the number 2 spot all season long. Both had great seasons and Jamie will not be back next year. Jamie is a senior.

The 4th man was Deano (Chi Chi)

Walker. He was an inconsistent golfer but played some matches that pulled the team into victory. Chris Randall was also a 4th man and had an inspirational season. Looking forward to seeing him play next year.

The 5th spot was a toss up all year between Chris Milne, Chris Washburn, and Mike Curry. These players all have great potential and Gorham is looking for a strong team next year.

The 1987 Gorham Field Hockey team continued its tradition of post season participation by finishing in the top 8 of the Western Maine Conference. The 5-9-1 varsity season was highlighted by exciting wins over rival powers Cape Elizabeth and Fryeburg. Leading the team in scoring was senior Jamie Wescott who finished her 4 years of play by being selected to the honorable mention All-State team. Junior Kelly Frazier, second in team scoring, also received post season honors. Kelly was selected to first team All-State as well as to the first team Western Maine Conference All-Star team.

Complementing Jamie on the forward line was senior Marla Embleton whose speed and determination led to many Gorham scoring opportunities. Along with Kelly Frazier the defense was led by Junior Gretchen Coutermarsh and a group of very talented and experienced seniors: captain Carol Francoeur, Anna Allen, Anna Kimball, Sarah Smith, and Missy Morin. With their help goalie Denise Michaud limited the opposition to an average of 1.4 goals per game. Among the best defensive records in the conference.

Veteran underclassmen Heather Embleton, Dana Charest, Becky Salamone, Becca Mason, and Andrea Temm provided the necessary depth to make the team competitive.

The junior varsity team also had a strong season. Sparked by the enthusiastic play of many newcomers the team ended its season on a high note with an exciting victory over Gray. Adding this strong junior varsity squad to the existing returning varsity players the outlook is bright for Gorham Field Hockey.

## 1988 WAS A YEAR TO REMEMBER!

Under rookie coach Patrick O'Shea, the 1988 girls Varsity Basketball team made a goal of reversing the 1987 record. With a 15-3 final record, the girls accomplished that. Losing only to Marshwood once and Cape Elizabeth twice, the team had an outstanding season.

The starting line-up included Captains Stacy Bernier and Shannon Libby, along with Lorra Morrill, Jen Cross, and freshman Alison Aube, these team mates started off the success of each game.

Next year looks promising for the girls who will only be losing one senior. Good luck in 1989!

## "THE BOTTOM LINE IN WRESTLING IS . . ."

That the Gorham High School Wrestling Team has improved greatly through the course of the 1987-1988 season. The positive and consistent attitude of the wrestlers far outweighed the team record. The individual achievements of wrestlers were outstanding such as Ray Morin, 103 lb. State Champion (21-0), Mark Curtis, 119 lb. 3rd place finisher in Western Maine Conference (11-8-1), Mike Payeur, 130 lb. 2nd place finisher in Western Maine Conference (10-9-1). Other outstanding achievements came from Don Hurd and Tom Verrill who placed first in the Junior Varsity tournament held in Wiscasset.

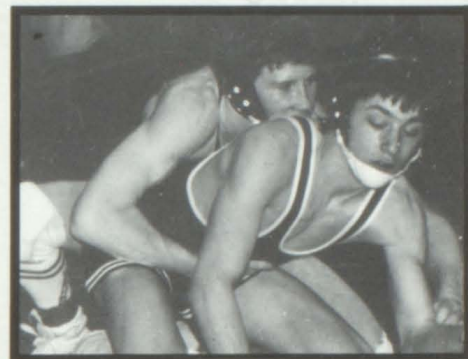

The team looks forward to next years season and promising performances from Mark Hamblen, Aaron Robida, Steve Berry, and Russ Phillips. The members of the Gorham High Wrestling team would like to thank Coach Mike Marsh for his hard work and dedication and the winter sports for their support during the season and hope to see more next year.
