## Beyond Words

Mike Carter, *advisor*

"It takes a thousand voices to tell a single story" (Chicken Soup For the Teenage Soul). That is one of the many lessons I have learned while producing the 1997-1998 Yearbook. Each yearbook member contributed something special, enhancing the quality and originality of the book. Without the dedication of the staff, this book would not have been possible.

At the beginning of the year the staff was divided, and, in turn, conflicts arose. However, over the course of the year we became closer, bonding over frequent trips to Shop 'n Save and Walmart and during late night meetings. We began working as a team, marveling over how much more we could accomplish simply by working together.

I would like to thank Mr. Carter for his willingness to stay for "one more" late night meeting, for letting us invade his classroom, and for always taking the time to help us out, no matter what he had going on. The production of this book would not have been possible without his knowledge and guidance.

Thanks to Cole Harris for helping us fix any problems we encountered. This book would not be as successful without all of his help.

To the students of Gorham High School, we produced this book for you. As you turn through the pages that capture the 1997-1998 school year, remember the memories and remember that the high school experience is "beyond words".

THE LAST WORD

# Teacher Dedication

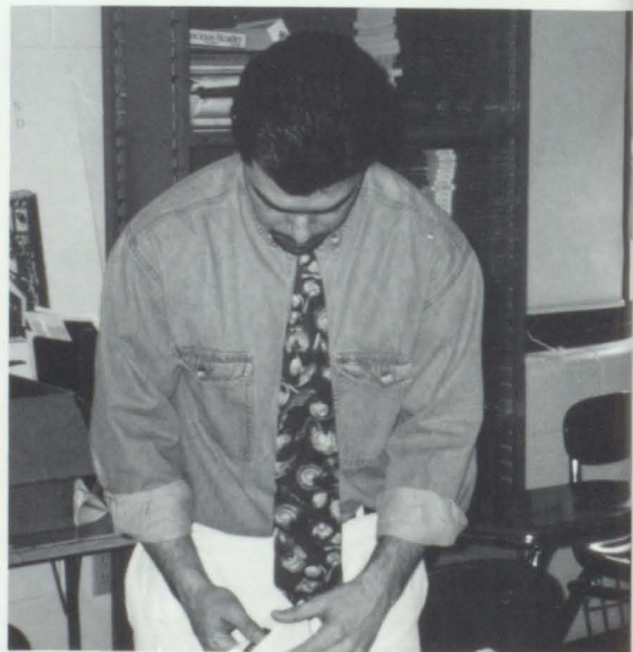

This is our story all about Dave,  
Whose help and long hours, our class he did save.  
We met him as Sophomores still young and shy,  
Come to find out he's one hell of a guy.  
He's short dark and handsome with a goatee,  
And a thick black unibrow that rows like a tree.  
He teaches us history; the lessons of life,  
He lives in Gorham with two kids and his wife.  
He plays the guitar, just like Bob Dylan,  
We had a cookout at his house, he did the grillin'.  
Throughout our lives we will have pity for his kin,  
Who will go through life without a sit-and-spin.  
We ate chicken, we ate beef, and sometimes even  
ham,

But Dave always said "a meal isn't a meal unless  
you're eating Spam."

We've enjoyed the four years that we've shared with  
you,

We know we'll remember you no matter what we do.  
Even as sophomores when we couldn't spell,  
You stood by our side, never once did you yell.  
You always knew how to make learning fun,  
Dave Farrington - you son of a gun.

# Advisor's Message

98

to be nobody-but-yourself - - - in a world which is  
doing  
its best, night and day, to make you everybody  
else - - -  
means to fight the hardest battle which any  
human  
being can fight; and never stop fighting.

e.e. cummings

Congratulations Class of 1998! To me and to many others you will always be the class that proved that education is at its best when accompanied by laughter. May you all continue to show us what it means to be "nobody-but-yourself."

David Farrington

So I'm sitting here trying to write my senior message and it is not easy. I am finding that I don't want to summarize all of my friendships over the past 12 yrs into corny one-liners. I would like to think that it all had some sort of greater significance. Yet here I am not having the slightest idea how to express my sentiments to the whole of GHS. So I guess I will leave you with one final thought. Sometime while memorizing permutations, cellular organelles, and reading classics remember to venture outside the confining walls of this building. Throw all your books and knowledge to the ground, take a deep breath, and savor the sweetness of the air. Then run and jump and skip and scream and laugh until, exhausted, you collapse into a heap and sigh, knowing you have lived.

1/31/31 And forth from the posse sprang the leaders, and thinkers, and human spectacles of tomorrow, and I saw that this was good, and I laughed, somewhat maniacally. To what do we owe our future perch atop the universe? In part its genetics, in part our infinite wisdom, but mostly our flabbergastingly humongous egos. Gorham High School was an interesting step, but, make no mistake, it is now time to go FAR FAR away. I would like to offer some profoundly cliched nonsense about how long and wonderful and emotionally draining all this has been, but I'm running out of space with all these big words. Thanks to all of you who need thanking Bye! and here's my obligatory quote: "Life is but a walking shadow, a poor player who struts and frets his hour upon the stage and then is heard no more" WS

Thank God it's over finally, like to thank friends: Peters, thanks for all the tickets, food and rides. Libs: Gotta go mountain biking again. Still got that scar on my arm where you ran me over. Thanks to my teammates and teachers for helping me here. Bretty Kid: The greatest brother I could ever have, sorry for the times I was mean to you. I'm going to miss you a lot. Good luck in High School and in the rest of your life. If your Mickey-D's salary can't support your family, just give me a call. Thanks Mom and Dad, I know sometimes I said you worried too much but I think it will help me out in the long run and it's helped me out so far. You guys along, with Brett will be hard to depart, but I'll be back, and I can't wait until then. Love you all always!

There's a lot to say for 12 years spent with everyone here to condense into 778 characters I won't even attempt it. Sadly, I don't have enough meaningless little inside jokes to fill this little space. Unlike many high school, for me, wasn't a social event this was just a stepping stone to the rest of my life. This is to all those who understand. Sarah and Pat I will never forget you.

I've seen fireworks from broken piers, campfires, stars from the roofs of parking garages, and countless shows walked away from sweaty and alive. I've driven an hour for a bouquet, I found NYC-empty gyms-and held cheers to the ESB. I've had countless cups of coffee, walked all night in the cold with a friend, loved WMPG and its company, and said a hundred times "I can't believe we just did that". I remember cow shirts, pimp jackets, Big Sound, and laughing till it hurt at band practices. I've opened my eyes, I've seen many truths and as many lies, and I love them all.

# In Memory of Robert Joyal

## January 13, 1980 - April 4, 1998

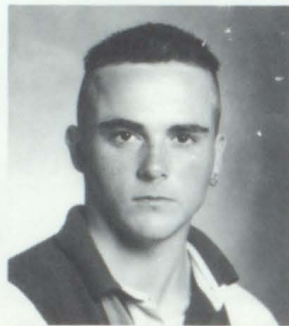

In Loving Memory of Robert Joyal

I sit and think about  
A life that has gone by  
This precious life belonged to  
The nicest of all guys  
A guy who was always liked  
By everyone he met  
Who lives in our memories  
Who we will not forget  
Even though his life was short  
Know he touched someone  
He did this in a way that  
No one else had ever done  
Sadly he was taken  
To live in a better place  
But I know all who loved him  
Will still miss his smiling face  
I think while he was here  
He really did his job  
And I'm not guessing when I say  
We'll always miss you, Rob.

-Larisa McGill

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on  
There is some love that will not go  
away  
-Monique

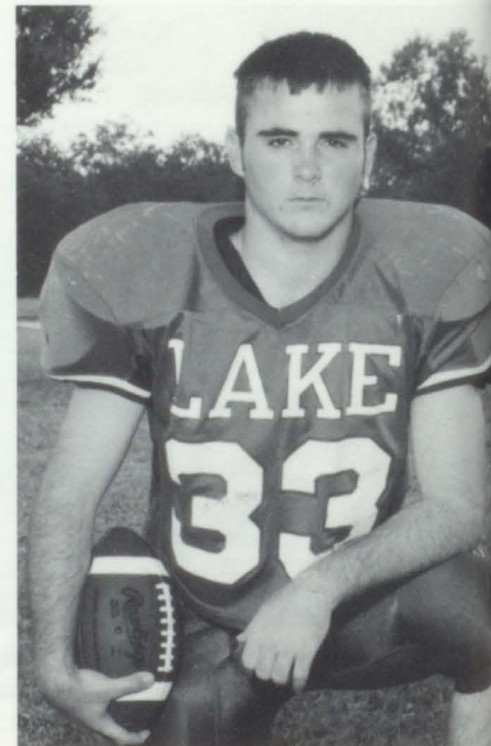

Joyal  
Through a blind fit of rage  
Sent through the stars to  
heaven  
Found the way by an  
unforgivable sin  
There cannot and never  
will be a rhyme or  
reason  
Please Lord have mercy on  
us all  
Let this man rest in peace  
For he was known not to  
do unjust harm to a soul  
In heaven and Earth we  
grieve from love and  
respect

Many people didn't know Rob well and many never got a chance to know him at all. Fortunately, I was one of the few who was able to. When Rob first moved here, he was immediately accepted and well liked by everyone. He was the nicest guy you could ever hope to meet and no one ever had anything bad to say about him. Unfortunately he wasn't fully aware of all the people who loved and cared about him. The one person he touched most deeply was his girlfriend, Monique Gaudet, who has suffered a greater loss than all. She knew a side of Rob that no one else did, and because of the sudden end to his life, no one else will. We are all very sorry about what happened and I am sure everyone will miss him a lot. Even though he is gone from the earth now, his memory will always live on in our hearts.

We Love You, Rob  
Love, your friends at GHS

The Gorham High School Golf Team had their most successful season in many years. Led by a strong group of seniors—Derek Racine, Brendan Poitras, Tim Merritt and Jared Hillock—the team posted a 9-1 conference record. Joe Manganaro was selected as a Western Maine Conference All-Star. Jason Rousseau, Ryan Burnheimer, Rick Harmon, Justin Ball, Dave Greer and Ryan Brady were also strong contributors. Special thanks go to Shelley O'Leary and Courtney Kearns as Senior Managers. Coaches Russell and Decker are predicting a better year next year with many returning lettermen. Many thanks to all the fans who continue to support the GHS Golf Team.

## Varsity Boys' Soccer

The boys' soccer team earned another playoff birth, despite a very difficult schedule this year. The team finished in sixth place in Western Class B tournament standings. Leading the team was captain, Paul Nicely, along with many seniors including: Andy Thayer, Kevin Libby, Mike Begley, Matty Graffam, Mike Haigis, Mike Herrick, Eli Shamos, and Ben Johnston.

The season had many memorable moments, including a win (2-1) at home against Yarmouth, who went on to win the State Championship, and a well played 4-1 triumph against Gray New Gloucester.

The team will lose nine valuable seniors, but a strong sophomore class gives promise for years to come!

## Gorham Volleyball

This was our first year as a varsity sport in Maine and we kicked it off well. Gorham had a tremendous turnout with eighteen on the squad including a lot of new comers. Unfortunately, the league's excitement was larger than its size; only three other teams competed. Despite this, Gorham had a rigorous season concentrated into a demanding three weeks. After attaining a 6-3 record we were able to show off our skills at a state exhibition. Predictions: volleyball is on the rise in Maine and Gorham is going to be there, right in the middle of it.

## A MEMORABLE FIRST VARSITY SEASON

This year was the first in Southern Maine for volleyball to be an officially sanctioned high school sport, and the girls' volleyball team had an outstanding season. Under our first-year coach Kris Caterina, we went undefeated in our division, the only team in Maine not to lose a regular season game.

The highlight of our season was the monstrous trip to Calais to play in the first round of the State Tournament. We had not seen any of the Downeast teams during the regular season, and, unfortunately, we lost the round. We had a great time anyway and gained a little more experience on the way. And as they say - there is always next year! Special thanks to coaches Cat & "our boys" for the send off to Calais, Mr. Tourtillotte, Mr. Durgin and JIMBO! Great season ladies!!!

# Field Hockey

## Junior Varsity Field Hockey

This year's J.V. team, under new coach Ellen Durgin, had a successful record of five wins, two losses and seven ties. Sophomore goalie, Kathryn Cyr, led the defense, shutting out rivals Lake Region and Cape Elizabeth, and allowed only six goals in all season. The offense was led by Co-Captains, junior Stephanie O'Donal (6 goals), and Cara Dorr (4 goals). Twelve different players scored throughout the season, totaling 22 goals against the opposition. "This year, we had a new coach, and a lot of freshmen. It took us awhile to get working together, but we kept a positive attitude all season," says Co-Captain O'Donal. Next year, the team looks forward to keeping their bags out of Holly's car, and seeing Mr. Houlihan's orange jacket in attendance.

## WMC RUNNERS-UP!!!

This year's Varsity Field Hockey team had an impressive season, under head coach Sue Hannigan and assistant coach Ellen Durgin, going 13-4. The team, led-by senior co-captains Alicia Durgin and Erin Hamblen, lost 2 games early on, only to come back with a 5 game winning streak by mid-season. The defense shut-out competitors such as Gray, Fryeburg and York. Junior goalie, Adriene Whitaker, was the backbone for the defense that included stand-out seniors L. Arsenault, S. Curran and E. Hamblen. The explosive offense, led by senior top-scorer A. Durgin (12 goals), out-played many other teams. Other regular scorers included sophomore K. Conley and senior S. Curran. Their season ended with a 3-2 loss to Leavitt in the Western Maine Conference Final. Next year, Coach Hannigan and her returning optimistic players are hoping for another successful season including a run to the State Championships!

# Fall Cheering

It has been another great season that has quickly come and gone. Our main objective this season was to maintain dedication, spirit, and to have fun. Most of this was successfully achieved and the GHS fans contributed greatly to the school spirit. There is nothing more exciting than a close game, athletes determined to win, and an immense crowd of people who are cheering on those athletes and encouraging their success. Congratulations for a job well done to the teams, crowds, and an incredible season overall.

# Winter Cheering

This season was nothing less than the best. We have all learned the meaning of teamwork and that "to believe is to achieve". We started the season off by making a list of goals determining what we would like to accomplish during the season: to demonstrate incredible school spirit, to qualify to go to The State Cheerleading Competition, and to have as much fun as possible. After an exciting season and placing 5th at States, all three of our goals were achieved. We also gained something that was undoubtedly the key to our success, friendship. Never has there been a squad so close, and with that, a better one. Congrats to a "deep-dish" season, Judy's!

The 1997-98 basketball season was one of the most competitive in many years. Each contest was a battle to the end. The team extended the consecutive tournament births to 18 by finishing sixth and then beating #3 seed Mountain Valley in the quarter finals. Other highlights were beating Kennebunk home and away, beating Wells and Cape at home, and finishing fourth in the Christmas tournament. The team will be losing five valuable seniors, but good things are expected to come from the younger players next year, and years to come.

The girls' varsity basketball team went out this year with a lot of determination. Many people were questioning how well these girls could do with no seniors on the team. The girls met the challenge that other people set. With a not so good season opener against Greely, the Gorham girls could have hung their heads, but they didn't. They worked hard and met their goal with a record of 18-2. The season highlight was pulling together and beating Greely at home.

Soon came the Western Maine tournaments and the girls were ready to go and missed the 1st place slot by 1/2 point. It all came down to the WMC final game against Greely. Though the game ended on a sad note, the overall season was unforgettable.

The Gorham Girls will be back next year, but this time they'll be bringing home the gold!

# Indoor Track

This year's indoor track team was a great success. It consisted of thirty athletes, lead by Co-Captains Matt Spera and Brian Huyhn. The track team, during the regular season, lived up to their potential and came back from a slow start to come in fourth in the Southwestern Championships. They qualified in every one of the state events, placing fifth overall at the State Championship, and winning the 4X200 relay!

The Girls' Indoor track team had a very exciting and memorable 97-98 season. The team was led by tri-captains Emily Spera, Lyndsey Caufield and Lindsay Sullivan. Mr. Hinds and Miss Witte were supportive coaches who added a lot of enthusiasm. Throughout the season, the team set 8 new school records and sent 7 athletes to the state meet. The whole team worked well together while improving individually. This season was one many will remember.

# Ice Hockey

Our season was much improved from last year. The team was made up of many hard working, dedicated athletes. Leading the team in goals was Senior Co-Captain Ben Johnston. Underclassmen Johnston, Wolfe, Dyer, and Palomaki also proved to be offensive threats to opposing teams. The team was strong in net with Junior Goaltender Bill Dorr between the pipes. The team battled many injuries, including a knee injury to Senior Co-Captain Tom Peters. In the next few following years the team will look strong with additions of new faces, talent, and enthusiasm.

## Homecoming

Homecoming is always an exciting time at G.H.S. This year was no exception. There were numerous games, a bonfire and pep rally, and our annual semi-formal dance, the weekend of September 26th. Field hockey, soccer, volleyball, golf, and cross country all competed and put forth maximum effort. The cheerleaders kept the crowds entertained at both the games and during the pep rally. On Friday night, Shufflin' Tremble and Bloom preformed before the bonfire. To cap the weekend off, we had our semi-formal dance. Everyone had a great time at both the dance and at the games. Homecoming proved to be a weekend to remember.

# Winter Carnival

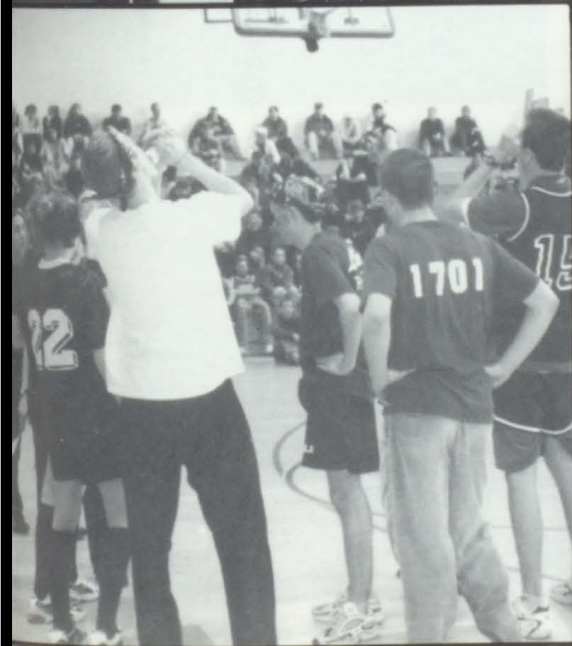

Winter Carnival was an unforgettable day. The event took place on February 13 and was filled not only with activities, but also with tons of school spirit.

The Seniors proved themselves victorious once again, although the Juniors were leading until the last few events. The Sophomores and Freshmen followed. The day started with tug o'war matches, then proceeded into volleyball and other events which included: soccer, Jeopardy, floor hockey, basketball, Limbo, musical chairs, and outside events.

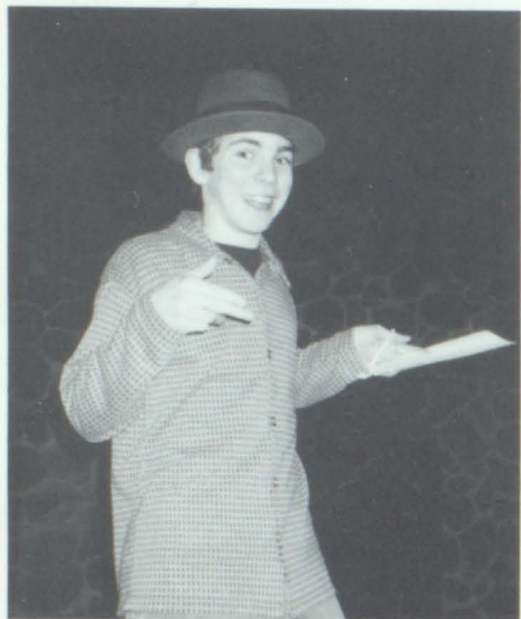

The classes were united as they competed against one another. The seniors won outdoor events, and the Great Race, the Juniors class color and spirit, the Sophomores the snow sculpture contest and many walk-in events and the Freshman the poster contest. Win or lose, the day was filled with fun and excitement for everyone.

Words To Remember

\* nineteen hundred ninety eight \* nineteen hundred ninety eight \*

*For My Grown-Up Daughter Mandy*

*It seems like yesterday  
I tucked you in at night,  
whispering a prayer of thanks  
for another day of  
having you in my life . . .*

*Not so long ago,  
we were putting your baby teeth  
out for the tooth fairy,  
and reading storybooks  
until you fell asleep in my arms.*

*It felt as though  
you grew overnight  
into a beautiful young lady.*

*Today, Daughter,  
I see you reaching out to people,  
showing that one person  
can make a difference in this world.  
And what a difference you've made!  
I know my life could never have been so  
full and complete without your being  
such an important part of it.  
I've watched the difference you've made  
in the lives of others as well.  
You have a very special gift  
that inspires people to be  
the best they can be.*

*I'm so proud of all that you do  
and I hope you'll never forget that  
I love you with all my heart!*

Jeni-Penny, From your baby tears to your senior year,  
These are our fondest memories of your  
Childhood years.

Cuddling in Mom and Dad's arms, to riding in the  
stroller and then on Dad's shoulders.

Rocking on your horse in your room, to trikes  
and bikes at the campground.

Bringing new baby brother Cam home—such a  
big help!

Watching you ride at Kent Stables'—so proud,  
and the tea cups at Funtown—what fun!

Camping and beach trips in the summer and  
X-country and downhill skiing in the winter.

Watching you jump on that big yellow school  
bus in the morning, and then seeing the  
expression when we pick you up from  
Cheering in the old blue pick-up.

Loving your animals, Sophie, Oreo and especially  
good old "Tigger".

We loved watching your dance recitals and then  
cheering competitions.

Trains, planes, and automobile trips, and don't  
forget those ferry rides to Peaks.

Sharing time with friends while also saving  
special time for family.

You will always be our "Jeni-Penny"

We all love you, Mom, Dad and Cam

I feel that to successfully deal with  
change enables one to be successful  
in life, I also feel that it enables people  
to be happier and more stable. I want  
to be successful in life but more than  
that I want to be happy. I know I will  
work to strengthen myself in my ability  
to handle change and I will try not to  
be afraid of what change may come  
because as a poet once said: "What  
the caterpillar calls the end of the  
world, the master calls the butterfly."

Author Emilee Jean Trafton

Today the doorbell broke the calm  
A tiny bundle placed on my arm.  
"Here Mom," my lovely daughter said.  
"She'll be all right, she's just been fed."

My daughter left and went in town.  
Something stirred as I looked down  
At the bunting pink. Oh how bells rang,  
And Angels sang and sang and sang!

Dearest Sarah,

We have heard the angels sing sweet songs of joy since the day you were born. You have made us so very proud and filled our hearts with love. Joyful Girl, may you continue to "keep your face turned toward the sun, sing with the moon, dance with the trees, and follow your heart."

xoxo  
Mom and Ry

My Sarah,

You have filled my life with love and joy. I have relished watching you grow and evolve into a wonderful person and loving daughter. You always astonish me with your insight and wisdom, you are truly amazing. I'm so proud of you and what you have accomplished. You fill my heart with love.

Dad

Follow your dreams for they will lead you to far away and exciting places.

But always remember no matter where you go, or how far ....

A very special part of you will remain in our hearts forever .....

We're very proud of you NaeNae  
Good luck and never give up  
All our love Mom, Dad, Rachel, and Shannon

Love you, Princess!

To Tina,

The difference between ordinary and extraordinary is the little extra.

You'll always miss 100% of the shots you don't take.

We are very proud of you and wish you a lifetime of happiness. Go for it, honey bun.

Love forever,  
Mom, Dad, Tanya, Danny  
& David, Erik

Jennie,  
Congrats! Always remember, you have me and a special Angel watching over you. Best of Luck!

Love,  
Patricia

Tasha,  
You are a great  
sister and I  
appreciate  
everything  
you have  
done and  
been through  
I will  
always  
love you  
even if I  
don't show  
it sometimes

Love always,  
Heather

BEAUTIFUL people deserve  
BEAUTIFUL words.  
I have none that  
touch the surface  
of your  
depth.

Thank you  
for all that  
you are.

With Love  
like the  
sun's shine,  
CHRIS

Tasha Lynn

We've always been proud of you; I will  
always be. Your strong will + individualism,  
we pray that you can forever keep.

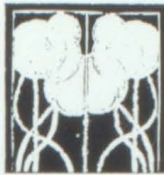

We cherish the honesty you share with  
us - it's a most respectful attribute.

LOVE YOU ALWAYS DAD + MOM

There aren't enough words in all the languages  
to say thanks for all your dedicated hard work  
and list all the things you accomplished  
or the people you impressed.

There aren't enough words in all the languages  
to say thanks for sharing your

# ICE STORM '98

One of the worst natural disasters to occur in recent history swept over the Northeastern states on January 5, 1998. A five-day storm of rain and ice broke branches and toppled entire trees, downing power and telephone lines along with them. Emergency shelters opened to alleviate the plight of residents. Some areas were without power for only a few days but others were not as fortunate. The widespread path of devastation and destruction meant that utility companies had to call for help from companies farther south. Despite the tireless efforts by power crews, many areas were without power for two weeks; parts of eastern Canada were crippled for a month.

It was a time of community — a coming together to help each other endure and even overcome the great Ice Storm of '98.

# Maine Declared A National Disaster Area

## A Storm Beyond Compare

Five days of freezing rain left everything coated in thick ice. Trees and poles snapped like toothpicks. "It sounded and looked like a war zone," said Lori Hanson, yearbook advisor from Messalonskee High School in Oakland, Maine.

According to Central Maine Power over 523,000 residents in the state lost power, affecting over 340,000 households. There were twenty-six hundred utility poles replaced and two to three million feet of line or cable restrung on them. Fifteen of the sixteen counties in Maine were declared disaster areas.

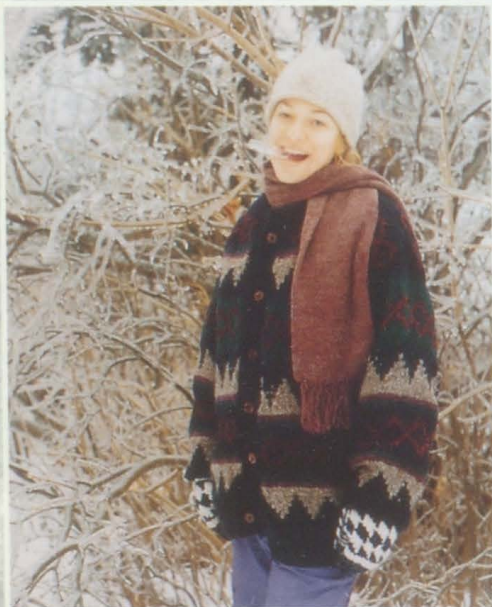

Luckily, many "Mainers" could revert to wood stoves for heat. Generators were in great demand also as people rushed to buy them to make their own power.

One way to get rid of all the ice - eat it!

There was beauty despite the widespread destruction.

In a typical view of the ice storm damage, motorists veer around trees and downed lines on the road. With falling limbs an ever-present threat, many "feared for their lives" and stories of near misses were prevalent. Special thanks go out to the line crews from CMP who worked tirelessly to restore power to the region. With the assistance of the out-of-state crews, CMP was able to accelerate the recovery process.

# From Around New England . . .

Scenes from other New England states show that this storm had a wide-spread effect on hundreds of thousands of people. The broken trees will be a constant reminder of this destructive storm for years to come. Especially hard-hit were the maple syrup farmers whose livelihood depends on the maple trees. With this years' crop essentially ruined, fears about future production haunt the farmers' thoughts.

## Upstate New York Held Hostage

The devastation from this storm was unimaginable in upstate New York. For five days the mercury hovered just above the freezing mark and the sleet and rain continued to fall until the ice build-up reached incredible proportions.

The ice brought everything to a halt. Students, out on Christmas break, never thought that the break would last until January 20. Folks worked together to help those around them. People arrived from all parts of the country to donate food, blankets, generators and their time.

Roads were impassable due to downed trees and lines.

While it was a near miss for this shed, many other structures suffered severe damage. Millions of dollars in damages resulted from the weight of the ice and falling trees and branches - some of which even crashed through dwellings.

We are confident that these pages will serve as mementos of the worst natural disaster to hit New England in recent history for the people who overcame it.
