Jenn Shaw, Editor

Mike Carter, Advisor

The 1998-1999 Yearbook Staff was the strongest that I have yet to encounter. It was composed of knowledgeable juniors and seniors returning from last year's staff, and was strengthened by the addition of several talented freshmen and sophomores. The increased size and commitment of the staff ensured that I was rarely short of help. Their tremendous dedication and diligent efforts made the production of this book possible.

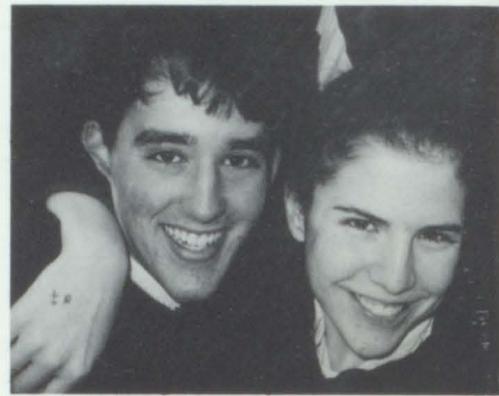

My junior editors provided me with invaluable support. Their willingness to help and eagerness to learn contributed to the success of this book. Our trips to Walmart, day at Vocational school, late-night meetings and working lunches will never be forgotten.

I would like to thank Mr. Carter for his encouragement and guidance. Even when nobody else believed in me, he did. Thank you for letting us use your room and supplies, and for devoting so much time and effort to be our advisor. We could not have done it without you.

Thanks to Cole Harris for his eagerness to provide us with advice or to assist us with any problems. The success of this book is due to his incredible guidance.

To the students of Gorham High School, while producing this book "I've learned that education, experience and memories are three things that no one can take away from you". High school provides you with all three. This yearbook can serve as a reminder of just how much we have experienced in four long years. While there have been many good memories, there are still many more to come, for we are "Saving The Best For Last".

# Teacher Dedication

There is seldom a time when you will find Mr. Carter's classroom unoccupied. It is usually filled with former students returning to say "Hi", current students seeking help or colleagues asking for advice. Remarkably, Mr. Carter is able to devote his time to all three. He is always willing to listen or help out, no matter how busy his schedule may be.

In Mr. Carter's classes learning becomes fun. He teaches his concepts in a unique manner, ensuring students will retain the knowledge. When studying propaganda he has students organize a mock election. When studying slavery he has students pretend to be on a slave ship, and when studying economics he has students calculate the cost of living on their own. Mr. Carter attempts to apply the concepts that students learn in class to real life situations. With Mr. Carter as a teacher, even the dreaded Public Policy Paper isn't so bad.

Mr. Carter's commitment to Gorham High School extends outside the boundaries of the classroom. After school, he is an advisor for the Yearbook Staff and the Natural Helpers. He devotes an enormous amount of time and energy into these organizations. Mr. Carter frequently attends sporting events to cheer on his students and to support the school. His school spirit can be witnessed by his participation in Ms. Gorham High, Winter Carnival and the many school spirit days throughout the year.

Mr. Carter is a role model to many students and faculty members at the high school. To many, he is more than just a teacher; he is also a valued friend. Thank you Mr. Carter for your knowledge, commitment and friendship, and for ensuring that our high school experience will be a memorable one.

# Advisor's Message

1999

Some thoughts to the Class of 1999.

Look at that graduation picture! Could that really be me in 1970?! Time goes by so quickly. It is difficult to imagine how much we all have changed.

Four short years ago we all started here, you as freshmen and I as a new teacher. Together we have learned and grown so much through our GHS experience.

I would like to thank you all for your spirit, dedication and friendship, but most of all for allowing me to be a part of your time here. We have shared some wonderful moments and memories. I am especially proud of the class officers for their dedication and hard work. They were always committed to serving the class to the best of their abilities.

Go forward in your new adventures with enthusiasm, passion, and a willingness to share and embrace new experiences and people. Take with you the happy memories, smiles, and laughter we all have shared. But most of all, keep the spark of love and friendship that you have found during these years alive.

"Make new friends, but keep the old. They are silver, we are gold."

Always remember:

We live in the present  
We dream of the future  
But we learn eternal truths from the past.  
-Mme Chiang Kai shek

Thank you again for letting me be a part of your time here.

Sincerely,  
Ellen Durgin  
Class Advisor

# Class History

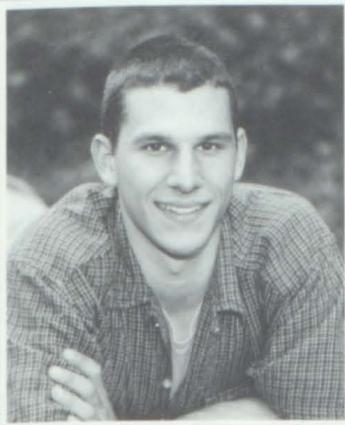

The Class of 1999 started to develop their character as we entered Narragansett and White Rock Schools in 1986. We came together in the "new" Village School. Six years later, we entered the new and improved high school; Mrs. Durgin took on the role of our class advisor. As sophomores, we had raised more money than any other class. That same year, we achieved an unprecedented upset as we beat the JUNIORS at Winter Carnival, and repeated as runners-up our junior year. As seniors we were crowned "Winter Carnival Champions" as expected. We have survived the I-Search Paper, American Studies, Public Policy Paper, British Author Paper, MEAs, SATs, Homecomings, and Proms. This century "Saves the Best for Last", as we become the final class to graduate from GHS.

**Senior Class Officers:** Row 1 (L-R): Secretary Jen Bauer-Conley

Long after I have forgotten everything that my teachers have tried to teach me, and my education is more of an emotion than an understanding, I will still remember everyone and everything back here at high school. I want to say thanks to all of you. Mom and Dad, I could never ask for more support and love. Babs, I love you (flabberjack). Guys, it's been great. Everyone else: I love you and I'll miss you and come see me sometime. Random Trivia: Did you know that about every seven years the human body grows the equivalent of a whole new skeleton? Right now I'm standing at an open door with my whole life behind me. I finally have a glimpse of what I'm supposed to do, so I think I am ready to start fresh. So I will see you all later.

### Jason LeBlanc

solemn & alone, a rose falls to the soft green earth, it is never alone. the sun and the rain, every living thing that comes near, touches it's life for better or worse. I am that rose amid a garden from birth until bloom. we all bloom and are left to wilt or be cut from the rest, swooped up and placed in homes both rich and poor, young and old, so farewell to all, and may destiny bless your destination.

To You: when i feel overwhelmed, which is pretty often, you remind me that ants and spiders get to walk upside-down. supposing i get angry, quite angry i know you'll grin, laugh, and then take me dancing. even if i question the stars, you make me believe in wishes! when everything else looks vicious, awful, i find a silly little you with a dirty joke. if ever i get scared of the dark . . . again, will you chase it away for me? maybe i was lonely and didn't know why, thank you for giving me warm kisses and sweaters. so many thanks, and to you, of whom i will miss most of all, i want to give you a very special gift. each other.

BE TRUE TO YOURSELF. LIVE TO BE FREE. LISTEN TO YOUR INNER VISION. THE POWER OF CREATION IS WITHIN YOUR GRASP. YOUR DECISIONS CAN EITHER BE MADE OUT OF FEAR OR BY LOVE- WHICH SHOULD RULE THE WORLD? REMEMBER THE TEACHINGS OF THE GREAT LEBOWSKY, FOR HE KNOWS THE GREATEST SECRET. NOTHING IS WORTH A THING, THERE CAN ONLY BE EITHER PEACE OR ANGUISH. JUST GET A NEW RUG IF YOUR'S IS PEED ON. IF YOU DO NOT GET IT, THAT'S FINE. JUST DO NOT LET THE FOLD MAN KNOW YOU LOST HIS MONEY. ALSO DO NOT GET TOO UPSET IF SOMETHING REALLY BAD HAPPENS. SOMETHING LIKE YOUR CAR BEING DESTROYED. EVEN IF YOU DIE, THAT DOES NOT MATTER, ALTHOUGH YOU MIGHT PREFER TO LIVE.

All friends throughout the school years good luck. To everyone else it's been fun. Enjoy yourselves now that we are free. Years ahead of us, 12 years of school down, dreams for the future. ## Josh Van Cura

what's the good word, friend? I'd just like to thank everyone who needs to be thanked. I could go through a whole list of names, but what's the point. all of my friends already know what they have meant to me, and I guess I could tell my family how much I love them, but I should do that everyday anyway. I know, how about a quote: "Most people don't act stupid; it's the real thing!" that's a quote from MAD magazine, by Alfred E. Neuman, and I think it rings true. not only do we have to know what we are taught in school, but we also need to be out there experiencing too. so to all of the people who spend five hours a night on school work, live a little. we are only young once. and, for the most part, I've enjoyed myself. good-bye graham high.

Homecoming is always an exciting event at G.H.S. This year it was the week of September 20. The festivities began with spirit week. Students and faculty participated in hat day, twin day, pajama day, and maroon and white day. The enthusiastic response by everyone showed the enormous support for the athletic program.

Golf, soccer, field hockey and volleyball teams had home competitions and performed to the best of their abilities. Many students and families attended the games to cheer on the sports teams; the G.H.S. cheerleaders did a wonderful job entertaining the fans and showing Gorham's support!

Friday evening there was a spirit rally in the gym, and a performance by "Jonny Uni-brow and the Trailer Park Band". Following the performance was the annual bonfire. The weekend concluded September 26 with the Homecoming Semi Formal. The entire week was an exciting and memorable experience.

The Boys' Soccer Team earned a respectable playoff spot this year despite this season's extremely difficult schedule. We ended the season with a record of 6-6-2, giving us the number five spot. This year, the team was lead by captains, Jason Moulton (Senior), T.J. McLeod and Jack Schneider (Juniors). Senior Jon Fraser and Junior Ian Frank also made big valuable contributions this season.

This season had many intense moments, including a (1-0) win at Scarborough. This game was so important because it was the last game of the season and it determined where we stood in the playoffs. Defensively we dominated the game with an excellent effort from Junior goalie Chad Nason.

The team only loses three Seniors this year and should look forward to a very promising year next year.

The Gorham Varsity Field Hockey team ended the regular season with only one loss. The Lady Rams were not expected to have the successful season that they did. The team was the Western Maine Field Hockey Conference Champions and went into the field hockey tournament as the #1 seed. The Lady Rams earned a trip to the State Championship after winning in the Western Maine Final. The Rams lost in double overtime in the State Championship, but hope to win next season. Congratulations and Good Luck next year.

# Boys' Cross Country

The Boys' Cross Country season was high in enthusiasm and fun. The highlights of the year were our annual campout and our Western Maine Conference meet, where we placed fifth. Ethan Burns and Michael Downing went on to the State Championships. Hopefully, next season will be filled with as much fun and enthusiasm.

"We love to run it makes us smile, I think we'll run another mile."

Girls' Cross Country is a unique group. To get out there and run everyday, you have to be special. This year's team was powerful. We overcame obstacles to prove our strength and ability. Our season did not end the way we wished, but we ended with hugs and smiles. Our determination carried us through, always remembering the quote: "It's rude to count the people you pass out loud." # Boys' Volleyball

The Gorham MENS' Volleyball team had quite a roller coaster ride of a season. The team, coached by John Caterina finished the season with a 6-3 record, second to Yarmouth. In the exhibition state finals, the crowd of one watched Gorham completely dismantle the undefeated Yarmouth team in three straight games. It was a beautiful match. It was the perfect way to finished off a crazy year. The men also played in the New England Volleyball Championship at Pinkerton Academy in New Hampshire. Gorham finished tied for third out of nine teams, six places better than they thought they would finish. Senior tri-captain Chris Sedenka was named to the All Tournament Team. The other captains Aaron Tarkinson and Jeremy Sanderson had very strong seasons. Tark having the most kills on the team and Jeremy with the most assists. Seniors Alex Charron, Eric Honan, and Colin Zarnoch also had great last seasons. Eric was a force at the net, Alex's jump serve was unstoppable, and Colin seemed to always be on the ground digging something. All in all it was a great year which included a home game with actual fans present, a spectator receiving a yellow card (nice work Chad), countless numbers of TV stories and fun rides to places never heard of. Good luck Volleyball in 1999.

## Girls' Volleyball

In our second varsity season, the Girls' Volleyball team, under coach Kris Caterina, had a great year. This season's squad was an experienced one, with seven seniors and four juniors on the Varsity/tournament team. We went undefeated (9-0) in the regular season, playing in a much-improved Southern Maine League. We won all three exciting matches with a talented Yarmouth team, pitted against a phenomenal Yugoslavian exchange student who rallied the team around her. Lucy says thank you!

We battled all season for a top seed in the Heal Points and earned the #2 spot going into the tournament, remaining as the only undefeated team in Maine. After getting a bye in the first round, we hosted the Semifinals against the #3 seed from Downeast. In front of a huge and supportive crowd, we suffered a nerve-racking loss to a very talented Jonesport-Beals squad, which eventually went on to win the State Championship. Thanks to the guy's team, Pinkerton's "field house" (for making us realize how tiny we really are), Eugene and various other "aches and pains" for making this one a memorable season. Good luck to next year's team!

# Football

The inaugural JV Football season was a tremendous success. The Rams, led by Brian Shaw and Matt Williams, finished with a 4-3-1 winning record. The highlights of this season came in a 14-0 win against Marshwood.

The Gorham Football team would like to thank our coaches and all the sponsors contributing to our success, and to extend a special thanks to Gerry Durgin and the Gorham Football Boosters.

# Fall Cheering

This fall was another great season for the HS cheerleaders. Although only a few had cheered before, we learned quickly as a squad. We mastered stunts, dances, and, of course, "silly flips". Compared to years past, the squad was very big. This gave us a definite advantage in leading such a supportive and spirited crowd! Although not many people on the squad knew each other prior to the season, we got to know each other very well; holding clinics for younger kids and cheering two or three games a day (in the rain, the hail . . .). We occasionally came up against people in situations that stood in our way, but we overcame, and had a season full of "good times". Congrats to all the cheerleaders for a great season!

The Gorham High School golf team had an outstanding season this year. The golf team was State Champions for the first time in the history of the school. Rick Harmon finished third as an individual at the state meet. Joe Manganaro and Jason Rousseau were the captains and the leading golfers for the team. Justin Ball, Ryan Brady, David Greer, and Cory Carrier also contributed to the varsity team's success.

The Varsity Ice Hockey team had their most successful season this year. Led by Senior captains Warren Peters and Dan Wolfe, Junior captain Eric Palomaki and assistant captains Brett Johnston and Eric Rousseau, we became stronger as a whole towards the end of the season. We were also helped by the addition of Cheverus transfers, Juniors Will Vosmus and Jarrod Rowles. This year's boys' basketball season started in March of '98, when they began fund raising for a trip to Belgium. Hard work in both basketball and fund raising brought the team to a 3-1 showing in the international tournament, losing only to the top ranked European team from Antwerp.

During the regular season the team started out strong at 4-1, losing a surprise game at York. After starting strong, the team could not catch a break, losing four straight games, in close matches, two of which came down to the final seconds. At 5-5 the team did not get discouraged, they knew to make the playoffs they had to come up big in the remaining part of the season, and they did. The team went 6-2 for the final eight games, including a 1 point win at Kennebunk, ensuring a 4th place seed in the playoffs.

The playoffs brought new challenges and the team felt prepared to meet them. Beating Mt. Valley easily, the team prepared to challenge Cape, the 1st seed. The team struggled in the first half giving the Capers a 13 point lead. Picking away at the deficit, the team came within 1 point with a little more than a minute left; however, they could not get "over the hump," to put the game away. Seniors Aaron Tarkinson and Cory Carrier will be missed next year, but with a strong returning team they will be tough competition for the gold ball in '00.

## Gorham Girls Bring Home the Gold!

The Gorham girls finished their season with a record of 21-1 and also the title of being the best in the state. After two straight years of making it to the Western Maine Final and coming up short, the Girls Varsity Baskektball team finally reached their dream. They not only won the Western Maine title, but were crowned "State Champions" and received the ultimate prize, the gold ball. There is some truth to the statement: "Third time's the charm." During the season, the girls overcame many adversities, but in the end rose to the top. This year proved that hard work, dedication, working as a team, and desire do pay off. The girls would like to thank Coach Merrifield, Coach King, and Coach Hannigan for all their time spent off the court working to improve the team. It has been an incredible year and winning the state title and gold ball was the only fitting way to end this magical season. Great job girls!

# Indoor Track

The 98-99 season marks one of the best track teams to come out of Gorham High School. They finished with a 4-1 season record, losing a close match to Greely. Under the strong leadership of Timothy Amoroso and Keith Wehmeyer, the track team won the Western Maine Conference Championships and the State Championships (both for the first time ever), making them the best Class B track club in all of Maine. One of the many highlights of the season was the 4x200 relay team (Senior R.J. Brown, Senior Keith Wehmeyer, Junior Shaun Leeper, Sophomore Pete Gordon) who because of an outstanding race, helped Gorham crush the Redskins of Scarborough and win the State Championships. Other highlights include three sensational athletes (Senior Timothy Amoroso, Sophomore David Wiggins, and Sophomore Mike Downing) who were chosen out of the many to compete in the New England High School Championships. Good luck to the boys of next year's squad and thanks to the seniors leaving this year.

In their first year in the Western Maine Conference, the girls track team had an amazing season. Twice as many people came out this year, and the thirty athletes gave the team great depth. The team won all its regular season meets except two losses to Greely. They finished third in the Western Maine Championships and set several WMC records. Ten athletes qualified for states and were state runners up. A strength of the team was the success of the state championship relay team! These four individuals Ches Simonetti, Lindsay Sullivan, Shannon Houlihan, and Kyra Chadbourne have also qualified for the New England Indoor Track meet.

# Winter Cheering

This winter cheering season was filled with record breaking and major achievements. Hoping to continue last year's success, we worked hard and did even better; tying with Scarborough for 1st place in the Conference Championship, winning the Western Maine Class B Championship for the first time, and capturing fourth place at States, where Gorham has never placed higher than fifth. Success can be credited to an extremely hardworking group of cheerleaders (including a "pretty fly white guy") and great coaches, as well as the tightness the squad achieved, both on and off the floor. Congratulations on an amazing season; we have really proved that "Confidence is Key"! -Jen Bauer-Conley

Naomi,

If we could reach up and hold a star for every time you've made us smile, the entire evening sky would be in the palm of our hand. You've got to dance like nobody's watching and love like it's never going to hurt.

Love forever - Jeb

Dear Jasper,

You will always have our unconditional love, which we pray will refresh you and comfort you on life's journey. From a child you have given us tremendous joy and have brought more to our lives than you could know. Let God guide your heart and direct your path and you shall have great success in life. Keep Grampie's memory alive. Live as he lived, with honesty, compassion, and integrity. Let your light shine forth. Be a leader. Do your best. Always be thankful and enjoy the journey. You will never walk alone. As Grampie used to say, "Lord, help me to remember that nothing is going to happen to me today that You and I together can't handle."

May God's grace, love, and peace abound all the days of your life.

With love always,  
Mom & Dad

Jenny,

So many of my dreams have come true since you have been in my life. Thank you for all of the memories. You will always be my little dopey.

Liebchen,

It's hard to believe eighteen years have passed by. I don't think we realized what a gift you would be to our lives. Your smiles became our sunshine. Your tears our sorrow. Our mornings began with thoughts of you. Our days ended in your rest. Amber, you have blessed every moment of our lives. As you go out into the world, let your sunshine touch all those that you meet. Allow God to guide all that you do and He will give you the desires of your heart. We love you more than we can say.

Love,  
Mom and Dad

Kristin,

We are so proud of you. Be true to yourself. Stay passionate in your beliefs, and keep dreaming.

Love,  
Mom & Jim

In this tiny space, we struggle to capture all the words that speak of our love and hopes for you. Our love, you know. Always. Our hopes reach beyond today into all your tomorrows. You stand on yet another threshold. Having accomplished so much already, new opportunities await you. We are excited for you. With your unique (!) mind, your compassion and sensitivity, perseverance and independence, and your so sweet smile (don't give us that look!), you will make it. Don't forget to have fun along the way. We love you! xoxo Mom and Dad

CONGRATULATIONS KATIE!  
Good Luck on all of your new  
adventures and  
always remember that we love you-

Dear Britt,

the way!

We are blessed to  
be your parents-

Jenny,

Congratulations! It's hard to believe that eighteen years have passed by so quickly. You were our first child and have always made us very proud of your many accomplishments. Your work ethics, positive attitude, independence, and willingness to help, are wonderful assets to have and make you a great role model for your sisters. Our hope for you is that you find a job that you truly love, then work will always be fun. Follow your dreams, follow your heart, and happiness will follow you!

Love.

• ending the millennium • going the distance •

One song can spark a moment,  
One flower can wake a dream.  
One tree can start a forest,  
One bird can herald spring.  
One smile begins a friendship,  
One handclasp lifts a soul.  
One star can guide a ship at sea,  
One word can frame the goal.  
One vote can change a nation,  
One sunbeam lights a room.  
One candle wipes out darkness,  
One laugh will conquer gloom.  
One step must start each journey,  
One word must start each prayer.  
One hope will raise our spirits,  
One touch can show you care.  
One voice can speak with wisdom,  
One heart can know what's true,  
One life can make the difference,  
You see Magen, it's up to you!

Nikki-

As you graduate I am reflecting back on all the wonderful and delightful years of watching you become the special young woman you are now. The things that you have overcome and

accomplished and what you give of yourself to others is a great joy to me. I can't take the credit for the wonderful way you turned out, but I take great pleasure and pride in all that you've done and will go on to do. We all love you and want only the best in all you do.

Congratulations Nikki!

The senior class would like to leave this section in memory to Bob Cuffori. Bob was a father to not only Tony, but also to Tony's friends. Tony often wasn't the only one to call his father "Dad". Mr. Cuffori was a very lovable caring man and we would like to take this opportunity to say "Thanks" to him.
