LETTER FROM THE EDITOR

Dearest Gorham High School Students,

Thank you for buying a yearbook! The yearbook staff and I have spent countless hours designing its pages for you to enjoy.

Joining the yearbook staff as a freshman was one of the best decisions I made in high school. As I helped each editor create their yearbook, it was always my dream to become editor and design our yearbook.

My goal was to create the best yearbook Gorham High School has ever had and to break boundaries that no other GHS yearbook has. I hope as you look through this yearbook, you'll see evidence of that.

Please, after you flip through this yearbook looking for pictures of you and your friends (which I encourage you to do), take some time to look through it more slowly, and appreciate each unique detail and design that was thoughtfully pondered over by the amazing yearbook committee.

Thank you to the yearbook staff! Each of you has made a valuable contribution to the creation of this book. Remember in years to come to treat each member of the committee with the respect and compassion that they deserve.

Thank you to Ms. Allen. This was one heck of a journey. Thank you for your endless patience with me and allowing my crazy ideas to become a reality.

To next year's editors, good luck. You will do AMAZING. Never be afraid to try a new idea because it will probably turn out to be brilliant!

Thank you to whoever is still reading this cheesy editor's letter. Sit back, relax, and enjoy as this book takes you on a journey of the 2018/2019 school year.

The yearbook committee understands the value of memories and that is why we created this yearbook.

"Sometimes you will never know the value of a moment, until it becomes a memory." - Dr. Seuss

Stay inspired,
Libby Mitchell

Class President Message

Dear Class of 2019,

What a wild ride it has been! We have been the class of changes from new schedules, new principals, new counselors, and a new grading system. In a few years, our school will look completely different from when we were here. The bathrooms that cannot close will be gone, the overflowing sinks in the locker rooms will be gone, and the cramped lunchroom will be gone.

I know how exhausted we have been from all these changes and we are now facing the biggest change of them all—jumping off from our GHS safety net into the unknown. I, like many of you, have spent many sleepless nights filled with the dread of not knowing where I will go or who I will become.

And now Class of 2019, I remind you that we have been given a marvelous gift. We have been given the gift of resilience. We have survived new schedules, new administration, and the infamous new grading system. We made the best of these situations. We excelled in athletics and the arts, crushed our academics, and developed passions through our activism. If we can thrive even when our school was changing, then we can be confident we can succeed in the changing world.

Class of 2019, we did it! In just a short amount of time we will be marching across Merrill stage. No longer will we be slaving over homework or walking to the portables in the pouring rain. Class of 2019, this our time. Now go forth and change the world!

Sincerely,
~Olivia Paruk

Class of 2019

Advisor Message

Dear Class of 2019,

It has been an absolute pleasure working with you for the past four years. When I see a class through all four years, I look back and am always amazed at how much students change, both physically and personally. Whether I have gotten to know you through class, sports, or

even in the halls and lunch duty, I see these changes in you and I feel a great sense of pride. You have all taken different paths to get to this point. You have followed your interests and passions, you have studied hard (and sometimes crammed), you have made friends, you have helped in your community, and you have made a lasting impression on your school. I hope that you look back upon your time at GHS and take pride in the people you have become and the difference you made while you were here. I wish you the best of luck as you move forward.

Please know that you can always come home. Reach out to former teachers and mentors in times of need, but also just to keep them updated on your

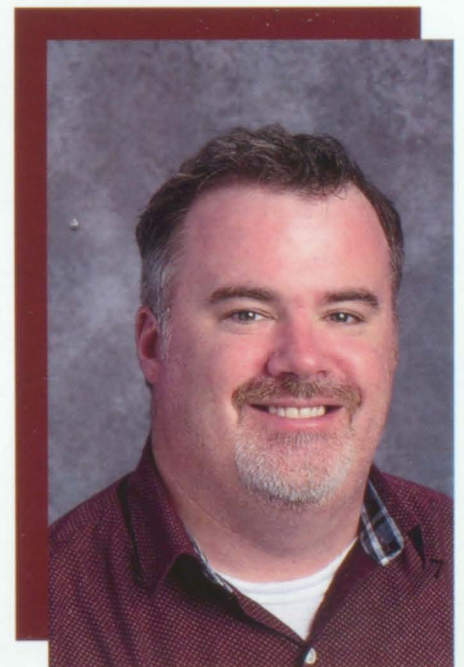

lives. You will not be forgotten when you are gone.

A special thanks to your class advisors, past and present, Olivia, Kyren, Isaac, Caroline, Fatima, Maggie, and Nicco. Thank you for your hard work and dedication to your class.

Congratulations to the GHS Class of 2019!

Work Hard, Be Nice,

Mr. Murray

DEDICATION

Wayne "Pooch" Drown

Pooch has been my mentor for many years now. He taught me about Gorham when I came here 7 years ago, about laws and law enforcement, but most importantly, he gave me permission to be the type of principal I wanted to be.

You see, as a classroom teacher for many years, I made building positive, enduring relationships with my students and their families my highest priority. When I decided to go into administration, I worried that I wouldn't be able to maintain the relationship-based approach that made me a successful teacher.

As I worked with Pooch and saw how he, as a uniformed police officer, expertly built relationships, maintained relationships, and used his relationships to guide young people, I realized two things:

1. I could be the type of principal I wanted to be, and
2. Pooch and I were a great team.

Over the years, Pooch and I developed an incredibly strong friendship. Just as he did for so many of you, he helped me feel confident and believe in myself.

A GHS staff member told me that she thought she was Pooch's favorite. I was a little taken aback, because, honestly, I thought I was Pooch's favorite. As I read through dozens of Facebook posts about Pooch, I realized that all of you think you are Pooch's favorite.

The truth is that he loved us all...we were all his favorite. It is one of the many things that made him so special: his heart was so big that he could love all of us, take care of all of us, make all of us feel safe, make all of us feel like we were his favorite.

Pooch, thank you for teaching us to believe in the power of relationships. Looking at all the people who came here this morning to celebrate your life, no one could ever doubt that you made relationships the cornerstone of your life.

Thank you for showing us, that it is not only possible, but that it is good to love and to dedicate our lives to community. You have dedicated your entire life to loving and giving to the community of Gorham. Seeing the outpouring of love for you and for what you've done over the course of your life gives us all something to aspire to.

Your life's work inspires me as I believe it does for the entire community of Gorham.

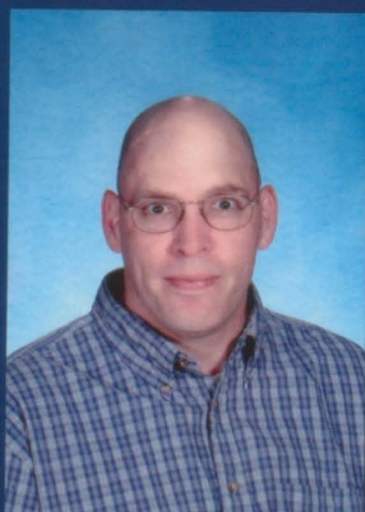

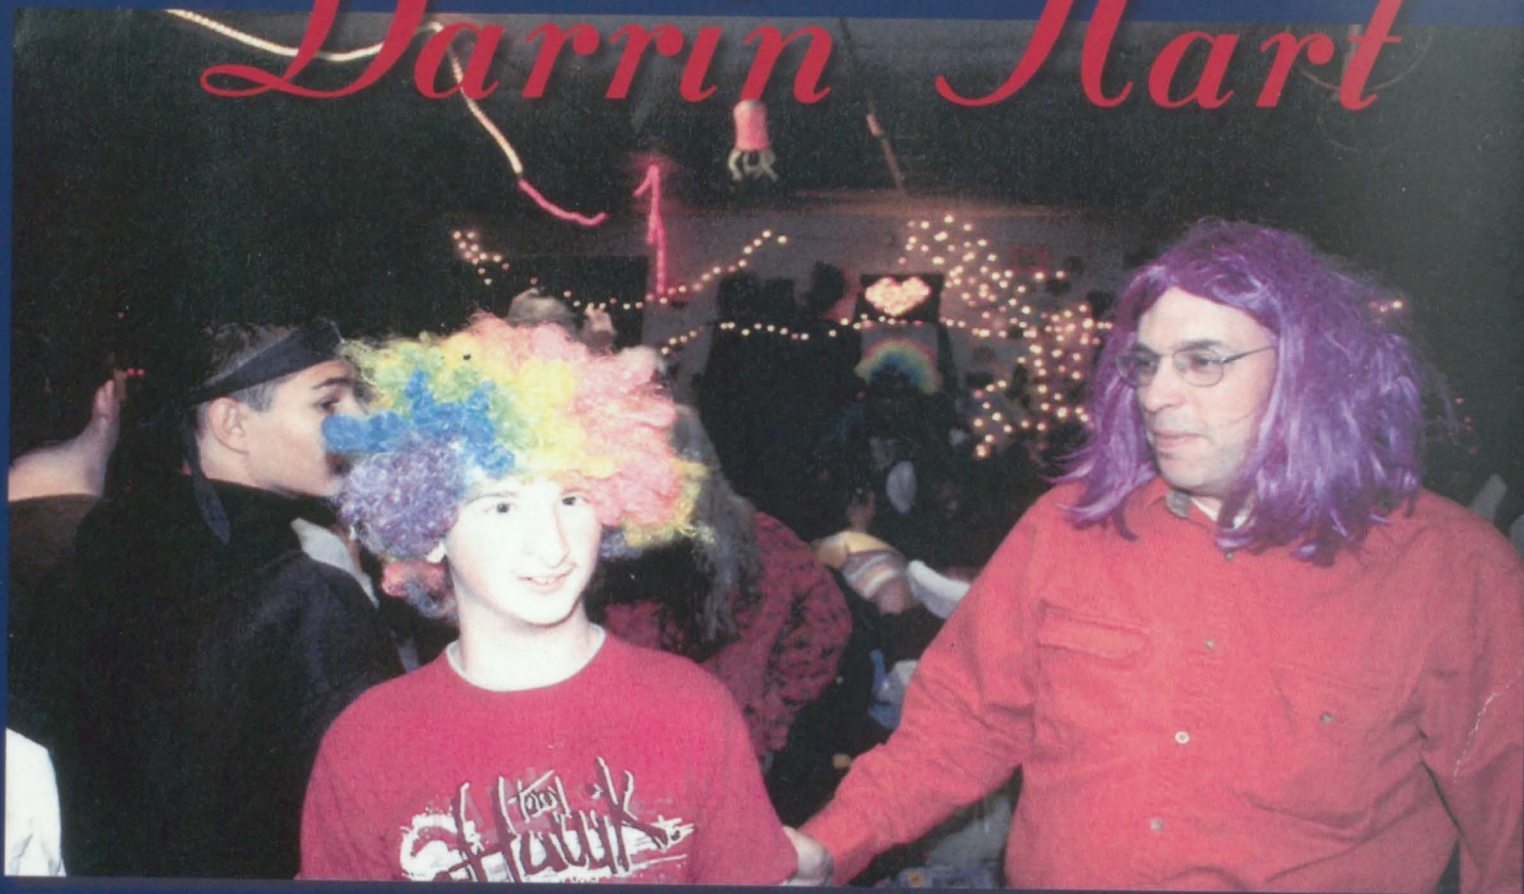

Thank you, Pooch.

In memory of

Darrin Hart

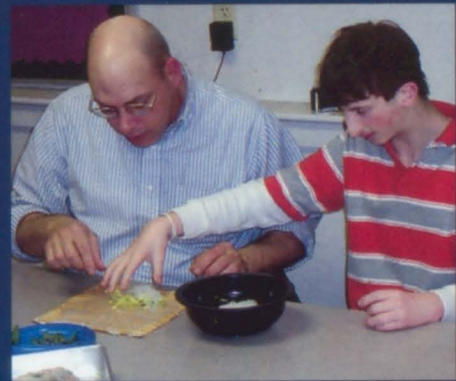

Darrin Hart graced GHS with his presence for 13 years. Morning routine brought him in early and he'd immediately commence with brewing coffee and making popcorn, filling the hallways with the homey scent that students and staff began their day with. At the heart of every home is conversation and Darrin could always be found in the middle of it. He loved to talk about history, the Red Sox, music, or movies, especially Wes Anderson films and his all time favorite, *It's a Wonderful Life*. As easily as he talked, though, he also had an ear for listening. His warmth and kindness drew in all who crossed his path, but especially those who were searching for a comfortable and accepting place to simply be who they were, with no judgment or worry about fitting into any particular mold. Darrin had a way of shining a light on the best that a person had to offer. He'd celebrate a victory, soften a defeat and be right there the next day to walk whatever path lay ahead with anyone who needed a friend to travel it with. Though he enjoyed a bit of lighthearted teasing, which was completely worth enduring in order to watch his face explode in laughter, he was equally as quick to seek help for a student or staff member he was concerned about.

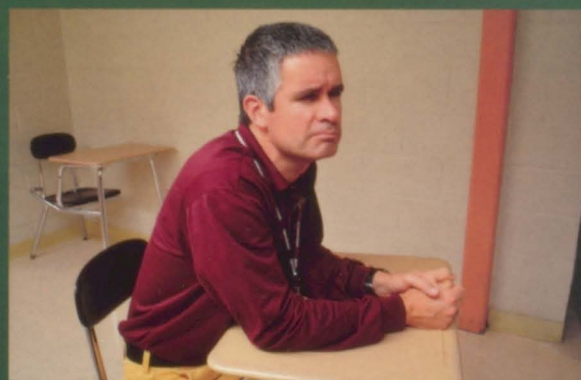

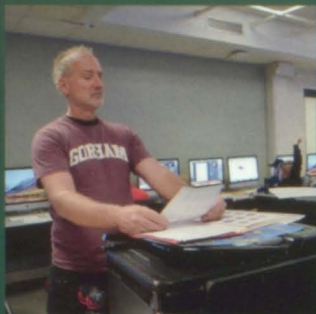

Darrin was almost always in motion, coffee cup in hand, Sox cap on his head. He'd travel the halls to every corner of the building, gracing all he passed with a quick nod, warm smile and hearty hello. His booming voice and strong Boston accent echoed as he passed, leaving smiles and laughter in his wake. His warm presence was such a steadfast gift that it became part of the fabric of our day at GHS. Darrin hailed from Arlington, MA, was a veteran of the US Army, graduated as a history major Summa Cum Laude from UMass Boston and spoke three languages, including Portuguese and German. In addition to his constant presence in the CBE room at GHS, he also devoted a good deal of his time outside of school to working with children with special needs.

It's a difficult task to capture the depth of the impact that Mr. Hart affected on the GHS community. Though much of his work was completed in the midst of single students or small groups of teens at any given moment, the sum total of his impact stretches beyond the classrooms and halls of GHS. It is said that a simple act of caring creates an endless ripple. If that is true, Mr. Hart's legacy of kindness generated swells of goodness that will live on in the hearts of those whose lives were forever changed by his compassion. His gift will be passed on to future generations of students and staff searching to discover their most authentic selves and the gifts they bring to the world.

We want to wish you much success and happiness as you graduate high school. You have a big heart and the soul of a kid who is much older than your 17 years. We were proud to watch you grow and persevere through some tough times to come out of it with a whole new perspective. We have watched through all the stages of your life...where has the time gone? From your first "big girl" pictures for kindergarten, to your beautiful Senior pictures. From your new BFF Haley, and endless trips to various malls, to your 1st boyfriend, and yet more trips to the mall. From your early rides in your Little Red Wagon, to finally driving the Green Machine. From your first trip to Disney, to all of the new adventures you're about to embark upon.
