WHAT'S HAPPENING THIS SUMMER?

Monday Baby & Me Playtime
 This is a passive program designed for parents and caregivers with children ages 2 and under. Join us in the Youth Services program room, where age-appropriate toys will be set up in a safe, gated space. This relaxed environment gives little ones a chance to play while parents and caregivers connect and socialize. 10:00am-11:30pm

Tuesday Creative Corner
 This program is for children ages 9 and up. Join us for a two-hour program running Tuesdays from July 7 through August 4. Each week, we'll explore "the arts" through hands-on activities like papier-mâché, puppetry, painting, collage, and more. No registration is required. Be sure to wear clothes you don't mind getting messy—paint clothes are highly encouraged! Feel free to bring a snack and drink to enjoy during this extra-long session. 10:00am-12:00pm

Wednesday It's all Fun and Games/ Mini STEAM
 Join us every other Wednesday for board games, puzzles, and trivia! Each session will feature a highlighted game that participants can learn to play, along with a variety of other games to explore at their own pace. This program is open to all ages. 1:00pm-3:00pm

Join us every other Wednesday for a STEAM-filled program designed for children ages 5 and under. Young participants will explore science, technology, engineering, art, and math through fun, hands-on, and sensory-friendly activities. 10:00am-11:00am

Thursday Art in the Park/ Jam in the Park
 Join us every other Thursday for Art in the Park!
 This all-ages program invites participants to enjoy a relaxing time painting outdoors while sharing snacks, listening to music, and connecting with community. 10:00am-11:00am

Join us every other Thursday for a music-themed program inspired by Art in the Park! Children can listen to music, move and dance, create their own instruments, and experiment with making music together. This fun, interactive program is open to all ages. 10:00am-11:00am

Friday Reading Ramble
 Join Mr. Kass every other Friday as he meets families at four different trailheads around Gorham for a storytime and nature walk. After enjoying a story together, participants will set out to explore the trails and experience nature up close. This program is open to all ages. Please remember to bring sunscreen, bug spray, and water for warmer days! 10:00am

"IT: Ask Me Anything!"

Starting July 8, join our very own Cody every Wednesday from 3-4:30pm in the Schneider Room with your tech questions!

Come visit the Baxter House Museum!

Open through August on Tuesdays and Thursdays, as well as the first Saturday of the month from 10am to 1pm.

Admission is free, but donations are accepted and encouraged!

Author Event: Jennifer Dupree and Jennifer Braunfels

Join us for a conversation between two local authors with new books out! Jen Dupree is the award-winning author of two novels; Slow Motion: A Memoir of Friendship, Disability, and Advocacy is her first full-length work of nonfiction.
