MOMS FIRST

NO COUNTRY FOR MOTHERS

the AMERICAN MOTHERHOOD tour

Documentary Movie Screening	October 13th 6 pm	Optional registration:
-----------------------------------	-------------------------	-------------------------------

No Country for Mothers explores the culture wars
surrounding American motherhood and why both
the "girl boss" and "trad wife" labels ultimately
distract us from the real issue: the lack of support
for American families.

Following activist Reshma Saujani, the film charts
a growing national movement to reunite moms
across divisions and win the kind of historic
support families actually need.
